PRESIDENT'S REPORT

Members of the General Committee
elected for 2015/2016 were:

President

Capt. Baldev Singh

Deputy President

Mr Brian Teo

Chairman Games Control Board

Mr Richard Stapley-Oh

Finance Member

Mr Parasuram Krishnan

Committee Members

Mr George V. Abraham

Mr Dinakaran S. Appiah (Dino)

Mr Hamish A. Christie

Ms Joyce Foster

Mr Anwar Gaffoor

Mr Paul A. Lawlass

Ms Cynthia E. Robless

Mr Teo Kwang Whee

“ On behalf of the General Committee, it is my honour to present to you the Singapore Cricket Club's Annual Report and Financial Statements for the year ending 31 December 2015. ”

I convey my deep appreciation and gratitude to the Members of the General Committee (GC) who have over the past term demonstrated remarkable commitment in fulfilling their duties throughout their term of office in 2014/2015. I would also like to commend their efforts in attending to Committee business and proceedings of the Club.

On 21 April 2015, 420 Members registered their attendance at the Annual General Meeting (AGM). The Club expressed its thanks to Mr Mohan J Bhojwani who did not seek re-election at this AGM.

Capt. Baldev giving the acceptance speech at the AGM upon his appointment as the new SCC President

Capt. Baldev and the SCC General Committee with Minister for Manpower, Mr Lim Swee Say

Specific objectives and duties detailed in key portfolios were delegated to the GC Members preceding the formation of various Subcommittees aimed at creating an avenue for constructive dialogue for the larger membership base. Subcommittee Members were invited from multiple categories of membership to work closely with the General Committee as well as the Club Management to ensure the smooth and efficient day to day operation of the Club.

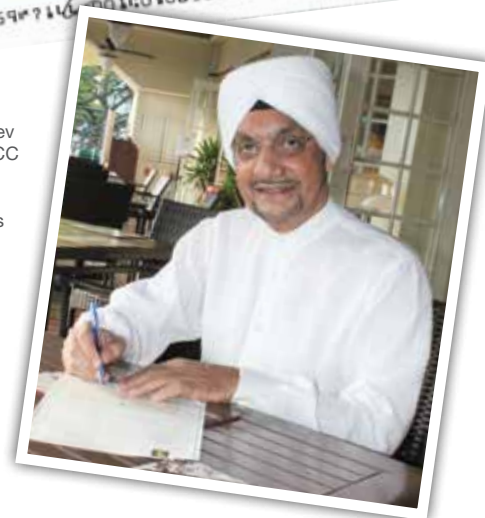

The SCC remains rooted in its core objective of striving towards becoming the 'Premier Sports and Social Club in the region'. Efforts by the GC as well as Club Management are directed towards achieving this vision. Initiatives and strategies at optimising the Club's finances, operations and brand value continue to be drawn out, implemented and communicated to Members via various platforms such as 'The Padang', SCC website, e-mail blasts and club notices.

I firmly believe that the crucial cornerstones of an effective leadership of the Club are transparency, accountability and consensus. Engaging in open communication with Members is imperative and I welcome Member's feedback on issues related to the Club and its workings.

With the commencement of my presidential term, it had come to my attention that there is much to be done. The financial health of the SCC has been my utmost priority this past year to ensure sustainability over the years to come.

SCC President, Capt. Baldev signs the cheque for the SCC 'Aid Appeal', generously donated by SCC Members to the Singapore Red Cross Society in aid of Nepal

Capt. Baldev presenting the champion trophy to the Royal Bangkok Sports Club Convenor, Vee Korn, at the Billiards & Snooker Section interport with RBSC.

With the general good and best interests of the Club in mind, I set out to implement an austerity drive across all Subcommittees and Sports Sections with the primary focus of restoring the Club's financial status to 'break-even'. Several areas were identified with the need to scale back on costs and minimise wastage. The Club also embarked on an organisational restructuring process of the Club Management with the purpose of saving on manpower costs.

Moving onwards, I believe in the renewal of leadership for the benefit of the Club. Younger minds bringing forth visionary and fresh ideas are encouraged to actively participate at the GC level to stimulate evolution and progress of the Club.

2015 was indeed a remarkable year with the nation-wide SG50 celebrations. SCC's prime location in the heart of the Civic District made it a perfect canvas to honour the Nation's Golden Jubilee. An SCC SG50 Task Force was formed to direct a year of events and activities which were thoroughly enjoyed by Members and guests.

In closing, I wish to express my sincere thanks to my fellow GC Members, Subcommittee Members, Sports Convenors, SCC Management and Staff for their invaluable support and efforts over the past year. My heartfelt thanks also to all SCC Members for your unwavering confidence in my team and I in managing Club matters with efficacy. I look forward to your continued patronage at the Club.

Lastly, I wish everyone a successful 2016/2017 term.

Capt. Baldev Singh
President

New Members' Election Night

CLUB REDEVELOPMENT PROJECT

I am pleased to report that the Clubhouse Redevelopment Project is now complete and has come in under budget. This is a project that has taken three years to complete from start to finish.

The brainchild of the late SCC President, Michael Grice, the project took two years in the preparation and planning which included a survey of Members as to what improvements they would like to see following the moving of the administrative offices to the newly acquired premises at Adelphi. The process also included two AGMs, two Dialogue Sessions and an SGM held on 1 April 2014 where the Members (by a majority) 'passed' a Resolution under the provisions of Rule 37 (a) of the Rules to "empower the General Committee (GC) to incur expenditure not exceeding S\$1.9 million for the purposes of redevelopment and/or renovation of the Club premises."

At the start of the process, Mike created a Development Subcommittee (DSC) comprising of George Abraham (Chairman of the Property Subcommittee), Ong Chin Leong, Suresh Shankar and Matthew Streeton. Following Mike's election to Club President in 2014, Matthew Streeton had been asked to take over the DSC Chair.

Following a tender process, Project Managers Ian Lander and Catherine Loke were appointed. A Quantity Surveyor was also appointed. Designphase Pte Ltd was appointed as our designers and 8Build Pte Ltd was appointed main contractor. Having Derek MacKenzie and his team at Designphase on board was extremely helpful as incomplete records existed following the Clubhouse's major redevelopment in 2005/2006 in which they were involved.

Work commenced in December 2014 and after many challenges – the Clubhouse is an old building and needs care and attention – the project is now complete.

The objectives of the redevelopment were to provide:

1. MORE F&B OPTIONS FOR MEMBERS

This was achieved by providing an additional F&B outlet in the form of The Victoria Room and the installation of an oven in the Padang Restaurant kitchen. The Victoria Room is a multipurpose venue (as are all F&B outlets at the Club) to ensure revenue generating opportunities are not missed in being able to rent the room out for functions.

2. BIGGER AND BETTER GYM FACILITIES

This was achieved by relocating the Men's Changing Room which allowed an increase of the Gyms' floor space by 20%. Extra equipment was also purchased.

3. IMPROVED MEN'S CHANGING ROOM FACILITIES

The Men's Changing Room revamp included more pegs and benches as well as an improved space for the changing room attendant and an additional shower stall. Extra mirrors were also installed.

4. CREATION OF A MULTIPURPOSE MEETING ROOM

This was done in the old administrative offices. This multipurpose room is now mainly used for committee meetings and training sessions. We also installed a 'hot desk' area for both Members and staff to use. State-of-the-art audio-visual capabilities were installed to assist with presentations.

The Victoria Room

5. NEW JACKPOT ROOM

The creation of a multipurpose meeting room allowed for the Jackpot Room to be moved back to the old Committee Room which has resulted in increased revenue for the Club. The old Jackpot Room was converted into the Victoria Room.

6. IMPROVED DISPLAY AREA FOR SALE OF SOUVENIRS

A much improved souvenir display area was built outside the entrance to The Victoria Room.

7. IMPROVED STAFF REST AREAS

By utilising some of the old administrative offices, we were able to provide much improved staff rest areas with separate ones for men and women. The installation of new lockers provided more capacity for storage of personal items and the communal sink and meeting area were upgraded as well.

8. CREATION OF THE PADANG LOUNGE

A new bar and wine chiller serving the Padang Restaurant was built. In addition, a lounge area was created so that Members could enjoy a pre or post meal beverage or just have another quiet area at the Club to relax.

9. NEW MEN'S BAR

This facility was in sore need of a revamp to meet the needs of the Members. The bar was relocated, more tables and chairs installed, new snooker scoreboards installed, two practice darts boards put in place and state-of-the-art TVs installed. Finally, a Wi-Fi signal repeater was installed. The Men's Bar is now a truly multipurpose venue meeting the needs of the Snooker Section, Darts Section, Balut Section, sports watchers, the monthly Quiz Nights, increased F&B offering, training opportunities and events such as whisky tasting.

10. NEW MANAGEMENT OFFICE

A redeveloped management office was built to allow the General Manager, his PA, the F&B team and a couple of other key staff to have a permanent office at the Club rather than work from the Adelphi Offices.

Work was planned to create minimal disruption to Members and to flow around large events. However, challenges were encountered that led to unforeseen delays. The Clubhouse is over 100 years old and such buildings generally need plenty of tender loving care.

Here is a list of the issues we faced which were covered by the budget without having to appeal to Members for more funds:

WATER DAMAGE

- The Men's Bar needed re-waterproofing. This involved stripping back the plaster, re-waterproofing, re-plastering and the using heaters to dry out the walls. Being underground, this took time
- Gym needed re-waterproofing. Same issue as the Men's Bar but the Gym has an underground stream under the floor.
- Broken-down pipes and leaking windows outside the Victoria Room and Padang Lounge. Infrared scans to assess the amount of water damage, resultant treatment and repair following drying-out techniques were required. Replacement of heritage downpipes which had to be specially made.

Padang Landing Lounge

Padang Lounge Bar

Gymnasium, before renovation

Gymnasium, after renovation

Men's Bar, before renovation

Men's Bar, after renovation

NEW SUMP PUMPS

Waste water pipes under the Men's Bar are below the water table and sewerage pipes and so require a sump with pumps to pump the waste water to the right level. Each sump has two pumps – a main and a backup.

During the renovation, we came across two such sumps in the Men's Bar whereas the plans we were working from only had one. There was a pump for the bar in the Men's Bar – which we were looking for – and another one which it transpired serviced the Oval kitchen. The latter had only the backup pump working and was full of grease. It had not been serviced as no one knew it was there. Had the backup pump failed it would have been catastrophic for the Oval kitchen.

NEW WOODEN FLOORING

Upon investigation of the wooden flooring at the Padang Lounge in front of the wine chiller and the walkway to the Gilmour Room by the toilets, we found that, in 2005/2006, sub-standard wooden planks and in some cases chipboard had been used to complete the flooring which was then covered in carpet. Those areas had proper wooden planking installed and carpet restored or replaced.

URA

With the Clubhouse being a listed building, any alterations had to be approved by the URA. Where necessary, this was done and we passed an URA inspection.

THANKS

For the past three years, the DSC Members, together with SCC Members who were Project Managers and Designers, have worked hard to make this project a success. Throughout, we worked together with humour and consensus (whatever the situation) and regularly briefed and collaborated with Members and Staff on progress. We worked with one purpose in mind: to realise the Members' aspiration of an improved Clubhouse.

As always, General Manager Nigel Stearns, and his team were closely involved throughout. In particular, special mention should be made of Financial Controller Adeline Tan, Head, F&B and Events Daljeet Singh, Head, Property & Housekeeping Judy Ting and Head, Sports & Recreation Janet Ng.

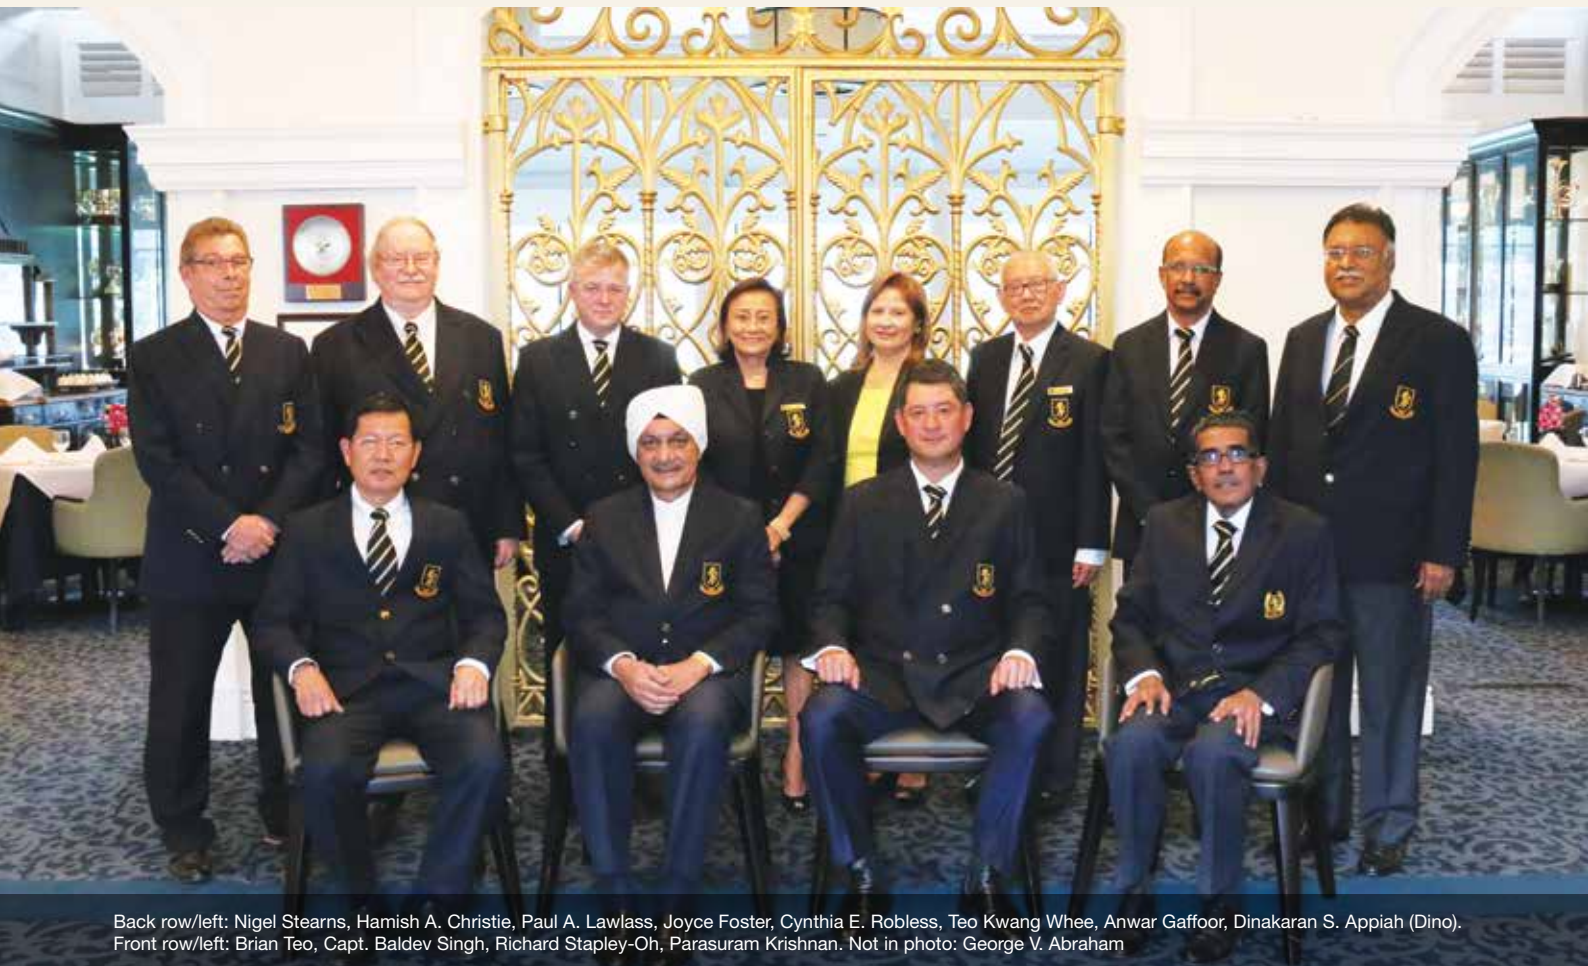

I should like to offer my thanks for all for their efforts. You should be proud of what we have achieved and coming in under budget is fantastic. The Club is a better place for this investment.

2015/2016 was quite a year for the 13 sections of Singapore's premier sports club and it's been an honour to serve the SCC as its Chairman, Games Control Board. With the Padang out of action for most of the year due the National Day Parade and the Formula One Night Race, Dempsey Field was the home ground for the cricket, rugby and soccer sections.

Dempsey is one of the jewels in the SCC's crown and it is crucial for the development of sports at the SCC, in particular for the development of youth sports through the various academies that we retain the facility for future years.

Before I turn to the years' highlights, I wish to congratulate our Hockey Section for creating history by winning the Men's (for the first time in living memory) and Women's League Division 1 titles this year – the first time the Section achieved the double win!

The Under 19 girls won their league and the Men's 2nd XI placed second (their highest placing in nine years). The Hockey Section, their Section Committee, their coach, Kanan and all SCC hockey players are a credit to the SCC and I suspect they are going to be very hard to beat for Section of the Year at the 2016 Sports Awards Night!

Cricket at the Padang

PADANG

The Padang was still able to hold the Soccer 6s and Hockey 6s tournaments prior to the NDP set-up in April, and other four major events after the NDP – the Societe Generale SCC International Rugby 7s, the Singapore Airlines Singapore Grand Prix, the National Gallery Opening Festivals and the Standard Chartered Marathon Singapore.

The staff made tremendous efforts to ensure the transitions were carried smoothly with Sports Sections, government agencies and all parties concerned – not an easy job by any means. Our Padang was reinstated to all of its glory by the end of October and we look forward to the start of the cricket season at the time of writing.

APPRECIATION

Finally, I write to sincerely thank the hundreds of Members who volunteer their time to play and organise sports for the SCC. The Section convenors, captains, committees and coaches put in a huge effort behind the scenes to make SCC the premier sports Club in the region.

Of course, without the hard work of the staff – General Manager Nigel Stearns; Head of Sports & Recreation Janet Ng; Sports Manager (Facilities & Special Projects) Wendy Foo, Assistant Sports Marcom Manager Yani Saaban, Sports Executives Ken Ang, Thipa Mogan, Stanley Goh, Sports Administrator Eunicia Tan, Head Groundsman Rashed Miah and our team of hardworking groundsman and billiard markers – we wouldn't have a sports club at all. Please join me in congratulating the staff on a terrific effort in what could only be described as a challenging year.

FINANCE SUBCOMMITTEE

In 2015, Gross Operating Revenue of S\$18,856,000 was lower than 2014 by S\$1,000,000.

The Bottom Line Deficit was S\$118,000, compared with a surplus of S\$1,583,000 in 2014.

OPERATING FINANCIAL POSITION

Operating Revenue

The Operating Revenue of S\$18,856,000 for 2015 was S\$1,000,000 lower than last year. The decrease in Operating Revenue came from Subscription fees, Food & Beverage and Sports & Recreation.

Operating Expenditure

The Operating Expenditure for 2015 was S\$20,637,000, which was S\$117,000 lower than 2014. The lower expenditure was mainly due to lower F&B Cost of Sales of S\$223,000 and lower Sports and Recreation Expenditure excluding manpower and depreciation of S\$508,000. The resulting decrease in Operating Expenditure was partially offset by the higher Property Tax expenses of S\$364,000, higher manpower costs of S\$201,000 and higher Depreciation of S\$59,000.

Operating Deficit

The Operating Deficit of S\$1,781,000 for 2015 was S\$883,000 higher than last year's Operating Deficit of S\$898,000.

NET SURPLUS / (DEFICIT)

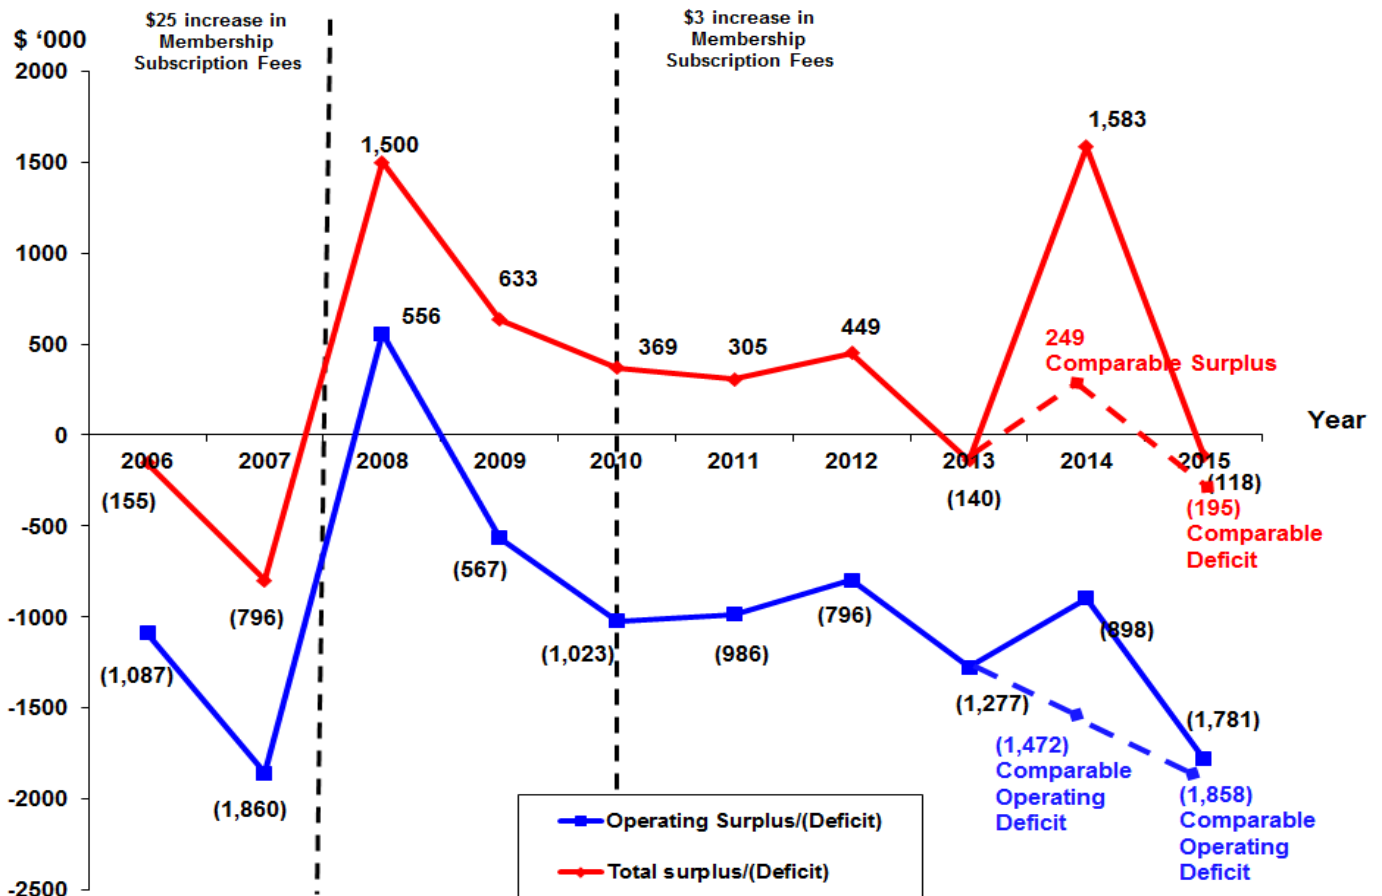

After taking into account membership transfer fees of S\$923,000, conversion fees of S\$553,000 and interest income of S\$190,000, there was a net deficit of S\$118,000 for 2015, compared with a surplus of S\$1,583,000 in 2014.

After excluding non-recurring items from Membership and conversion fees as well as the property tax recovery, the comparable (deficit) / surplus for 2015 and 2014 are as follows:

	2015 (S\$)	2014 (S\$)
Net Bottom line Surplus/(Deficit) for the year	(118,000)	1,583,000
Less Non-Recurring items :		
Ordinary Membership Conversion Fees arising from Conversion Offer		(610,000)
Term and Sports Annual Fees and Transfer Fees recognised as income following changes in timing of recognition of new members		(218,000)
Property Tax Recovery	(77,000)	(506,000)
Comparable Net Bottom line Surplus/(Deficit) for the year	<u>(195,000)</u>	<u>249,000</u>

There is a decline of S\$444,000 in the comparable net bottom line mainly due to lower operating revenue of S\$933,000 and lower comparative non-operating income of S\$82,000, partially set-off by lower comparative operating expenses of S\$546,000 and lower income tax expense of S\$25,000.

CLUB'S OPERATING AND NET SURPLUS / (DEFICIT) YEAR 2006 TO 2015

HIGHLIGHTS OF THE FINANCIAL YEAR

Subscription and Fees

Subscription and fees, one of the Club’s main sources of income, decreased by 2% to S\$5,820,000 in 2015, mainly due to the change in member admission policy in 2014, whereby new term membership is now effective upon GC approval rather than the subsequent Election Night (S\$46,000) and lower Absent Fees of S\$88,000 due to absent members > 5 years are exempted from paying absent fees resulting from the change in Club Rules.

Food & Beverage (F&B)

F&B Revenue decreased by 6% to S\$8,615,000 in 2015 mainly due to the closure of the Padang field for seven months and poor F&B sales during 2015 R7s Tournament. The F&B Cost of Sales to Sales Ratio has also increased by 0.4% to 44.1% in 2015 mainly due to the sales mix change, rising costs of raw materials and more promotional beverages at lower gross margins. The resulting Gross Profit decreased by 7% to S\$4,815,000 in 2015.

Sports & Recreation

Revenue from Sports and Recreation decreased by 11% or S\$330,000 to S\$2,591,000 in 2015, mainly due to lower Tournament Income of S\$464,000, lower Sports Sections income of S\$95,000 and lower Sports Membership fees of S\$105,000. The lower revenues are partially set-off by higher field rental income of S\$323,000. The lower Tournament Income is mainly attributed to T20/20 Cricket Tournament not being held in 2015 and lower income from Rugby 7s and Soccer 6s Tournament.

Sports and Recreation Expenditure excluding manpower and depreciation has decreased by S\$508,000 mainly due to lower Tournament Expenditure.

Manpower Costs

Due to the tight labour market and tightening of foreign manpower, manpower costs increased by S\$201,000 over last year mainly due to higher salaries and wages, increases in Overtime and higher Employer’s CPF which was partially set-off by the higher wage credits.

Membership Transfer and Conversion Fees

The Membership Transfer Fees decreased from S\$1,442,000 in 2014 to S\$923,000 in 2015. The one-off non-recurring additional transfer income resulting from the change in admission policy in 2014 amounted to S\$150,000.

The decrease in Conversion Fees of S\$370,000 was due to the one-time offer to convert Ordinary Membership to Ordinary Transferable Membership and more conversions in 2014. The one-off non-recurring additional conversion fee income resulting from the offer in 2014 amounted to S\$610,000.

Cash Position

As at end of 2015, the Club had cash resources of S\$17,287,000 compared to S\$18,278,000 in 2014, reflecting a negative cash out-flow of S\$991,000. This negative cash flow is after accounting for Depreciation expense of S\$2,036,000, being a non-cash item. Capital Expenditure S\$1,978,000 mainly attributable to the Clubhouse Renovation amounting to S\$1,625,000, repainting of the Clubhouse and waterproofing at S\$45,000, revamp of SCC’s official website/Micros equipment/replacement of computers and servers amounting to S\$63,000, replacement of kitchen equipment at S\$44,000, other office equipment at S\$31,000, construction-in-progress amounting to S\$129,000 and furniture and fittings at S\$23,000 (2014 - S\$725,000).

The Club’s cash reserves need to be enhanced each year so that sufficient funds are available for the renewal of the Padang lease and for capital projects.

THE YEAR AHEAD

Going forward, the Club continues to face pressures in cost increases especially in manpower, Food and Beverage and other operating expenses. As such, there will need to be continued efforts to focus on improvement in productivity and cost controls.

2016’s operating results is expected to surpass 2015 as 2015 was affected by the loss of use of the Padang field for seven months for the SG50 National Day Parade celebrations.

ACKNOWLEDGEMENT

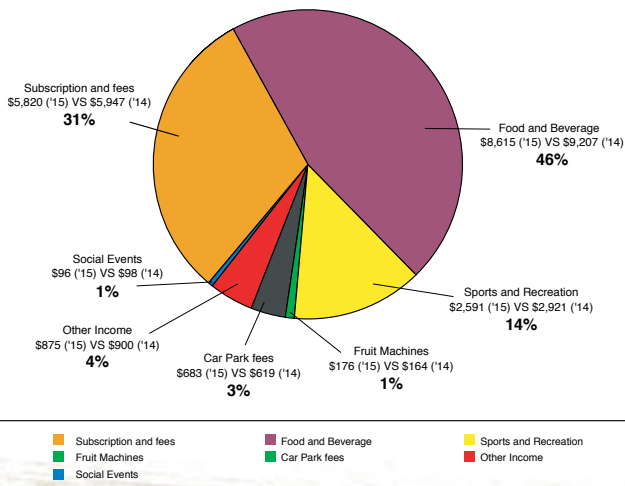

I would like to take this opportunity to thank all fellow Members of the Finance Subcommittee who selflessly contributed their valuable time and expertise during the year.

I would also like to thank the Financial Controller and her team for their commitment and continued efforts.

The Singapore Cricket Club has witnessed yet another challenging year in 2015 having to cope with the demand for staff and managing staff costs. The reduction in the Foreign Worker Quota and the increase in Foreign Worker Levies have made the Club focus on the government's call for 'Singaporeans First', though with little success. Higher foreign worker levies and higher overtime costs incurred to meet increased operational requirements have caused manpower costs to rise continuously.

The Club has embarked on new manpower strategies and initiatives such as offering job enrichment to staff with potential; employing full-time staff from South Korea for the Main Lounge who are highly applauded by our Members and enhancing a ready pool of casual workers. These measures have helped to overcome manpower shortages and keep manpower costs at reasonable levels.

I am pleased to present some key information and highlights of 2015 that serve as testimony to the strong policies and the high standards of human resource management practices at the Club.

HEADCOUNT

The year 2014 saw the Club’s total manpower increase by one headcount over the previous year (2013) however there was an overall reduction of four headcounts in the year of 2015 over that of the year 2014.

DEPARTMENT	2014	2015
General Manager’s Office	2	2
Membership Admin	3	2
Membership Sales	1	0
Member Services	6	5
Marketing & Communications	3	2
Admin/IT/Purchasing	7	7
Finance	10	8
Fruit Machine	3	2
Human Resources	3	3
Food & Beverage	89	92
Housekeeping	13	12
Maintenance	7	8
Sports & Recreation	16	16
Total Headcount (Permanent Full-time)	163	159

Within the Establishment Subcommittee, an SCC Organisation Review Task Force was set up to review and make recommendations to the General Committee on the manpower requirements and the efficient use of the Club’s human resources.

The review resulted in a reduction of one headcount each in the Membership Admin and Membership Sales Departments in the year 2015.

The Member Services as well as the Marketing & Communications Departments saw a reduction of one headcount each in 2015 against that of 2014 due to the pending replacement of a Member Services Assistant and a Marcom Manager.

The Finance and Administration Department comprising Finance, Admin, IT, Purchasing and Fruit Machine had three fewer headcounts in 2015 due to the pending replacement of two Accounts Executives at the close of the year and the reduction of one headcount in the Fruit Machine section arising from a change in the operational hours of the Club’s Jackpot Room.

The Food & Beverage Department closed at three more headcounts in 2015 compared to 2014 due to an increase of personnel in the kitchen and service teams as a result of greater operational requirements.

The Property & Housekeeping (Housekeeping and Maintenance) and Sports & Recreation Departments have maintained a headcount of 20 and 16 respectively for both years.

With an aim to amalgamate the sales functions of the Club, a new Sales & Marketing Department was formed effective 1 January 2016 to handle Membership Sales; Banquet & Events Sales; and Marketing & Communications. I am pleased to inform that the restructuring has rationalised manpower costs and brought some savings to the Club.

MANPOWER TURNOVER

It is worth noting that the Club’s average monthly staff turnover rate for the year 2015 has been maintained at a healthy range of less than two percent which clearly shows that the Club’s employee retention policy has made a positive impact.

COMPENSATION AND BENEFITS

In order to retain good employees, the Club constantly strives to maintain its competitiveness in terms of compensation and benefits which includes both monetary and non-monetary rewards and recognitions.

I take this opportunity to thank all SCC Members who have contributed to the Staff Ang Pow Fund which was distributed to SCC Staff as an appreciation of their hard work and dedication.

To encourage a healthy lifestyle, the Club awards a tiered Stay-Fit Incentive to employees who have taken an aggregate of no more than seven days of sick leave or no pay leave in a calendar year, ranging from S\$100.00 to S\$500.00 for employees with zero such leaves taken.

In celebration of Singapore’s Golden Jubilee and to show the Club’s appreciation of the support of SCC Staff, the Club presented a token of appreciation of S\$50.00 NTUC vouchers to each staff as part of the SCC SG50 initiatives.

The Club strongly believes that happy and healthy employees will work happily, be more productive and in turn make our Members happy with their impeccable service.

STAFF WELFARE

The staff rest area has been renovated as part of the Club’s redevelopment project to improve the staff facilities with new beds, new lockers, new furniture, a new television set and two new vending machines for hot/cold drinks and snacks. A separate rest area has also been created for female employees for enhanced privacy. All employees share the common area where they can interact over a meal or relax over their favourite television programmes during their rest periods.

Monthly staff events are held at the Club to celebrate the birthdays of employees and awards such as the Honesty Award and Long Service Award presented to deserving employees.

Following three memorable Staff Parties held outside the Club’s premises since 2012, the Club organised yet another superb Staff Party at the InterContinental Hotel Singapore in April 2015 themed ‘Around the World’. The staff immersed themselves in the ambience and hospitality of the hotel and were also treated to a well-deserved night of fun and games,

rousing entertainment by the staff and emcee, a scrumptious buffet spread, as well as lucky draw prizes that were specially arranged for them in appreciation of their hard work and dedication to the Club.

Besides the Annual Staff Party, a Staff Christmas Party was also organised by the Club for its employees at its premises to share the joy of the season during which staff enjoyed a variety of food, fun games and a mini lucky draw.

EXCELLENT SERVICE AWARD

Launched in 1994, the Excellent Service Award (EXSA) is a national award that recognises individuals who have demonstrated exemplary qualities of service professionalism. It seeks to develop service models for staff to emulate, create service champions, lift service standards and raise the prestige of a career in the service industry.

For the second time in the Club's history, the Club nominated 15 deserving staff for a total of eight Gold and seven Silver Excellent Service Awards (EXSA). The award recipients were commended for their outstanding service to the Club and were presented their award at a special reception in December 2015.

STAFF TRAINING AND DEVELOPMENT

With an aim to enhance staff service knowledge, the Club conducted a three-part course on 'Roadmap to the Art of Service Excellence' in the following modules:

- Part 1 – Delivering the Art of Service Excellence
- Part 2 – The Art of Handling Customers Effectively
- Part 3 – Delivering a 6-STAR Service to Customers

The course was well-received by the participants who had unanimously agreed that the training had enhanced their knowledge and given them insights on how to deliver better service to SCC Members. Most of all, the team bonded through the training which would certainly add to better working relationships.

In addition, some employees were trained for Occupational First Aid as part of the Club's workplace health and safety programme.

CONCLUSION

I would like to thank the General Committee, Members of the Establishment Subcommittee and the Management Team for their unstinting support, as well as to the SCC Staff for their continued hard work and dedication.

It is heartening to know that the Club has a team of unrelenting employees who strive to maintain the Club's premier status and I congratulate you all on a job well done! Thank you!

I am most pleased to report that the SCC's Food & Beverage (F&B) Department has yet again delivered a productive and successful year of operations across all F&B outlets despite the usual and ongoing 'industry sector' challenges that have significantly and historically impacted our bottom-line.

However together with challenges come opportunities and to this end, new initiatives have been tasted, tested and introduced at our seven outlets. New ideas continue to be formulated and will subsequently be implemented as we continue to grow and evolve the Club's F&B branding.

We have increased revenue in 2015 whilst maintaining the current prices and quality of our F&B products and services. This, I believe, demonstrates the value for money that we offer.

The new Men's Bar

NEW FOOD INITIATIVES

A revamp of the Oval Restaurant menu was implemented offering more variety of dishes like South Indian Fish Curry, Baingan Bharat and Bhindi Do Pyaza. Chef Arfin's specials like Indian Rojak and Murtabak are now available daily. The favourite local specialities like Chicken Rice and Biryani are now available three times a week due to its popularity amongst Members.

BARS

The Men's Bar underwent a renovation early this year and introduced an elegant new bar with more tables for Members to entertain their guests. Special promotions on spirits and wines were introduced. Whisky tasting of Balvenie Single Malt and sake tasting were featured to promote the new Men's Bar.

The bi-monthly beverage promotions featured fine wines from Argentina, Chile, Australia, New Zealand, France and Italy are offered by the glass. This has given Members an opportunity to taste these varietal wines. Similarly, our beverage promotions featured single malt whiskies, rums, vodkas and other spirit varieties.

RESTAURANTS

The Padang Restaurant continues to enjoy loyal support of its three-course Executive Set Lunch menu that changes bi-monthly. Members are encouraged to savour these delectable dishes and the restaurant's signature dish of Angus Prime Rib from the wagon. The Padang Restaurant Bar was renovated mid-year and now has a new wine cellar showcasing fine wines with a nice seating area where Members can enjoy a pre-dinner drink or cocktail before their meal.

Wine dinners offered during the year featured renowned Sileni Winery of Hawkes Bay New Zealand, the largest Argentinean wine producer, Grupo Penaflo, Stella Bella winery of Margaret River Western Australia and Italian wines from Tenuta di Sesta Montalcino pairing with the menu created by our guest Chef Mimmo Piccoli. Our wine dinners continue to be fully booked by Members.

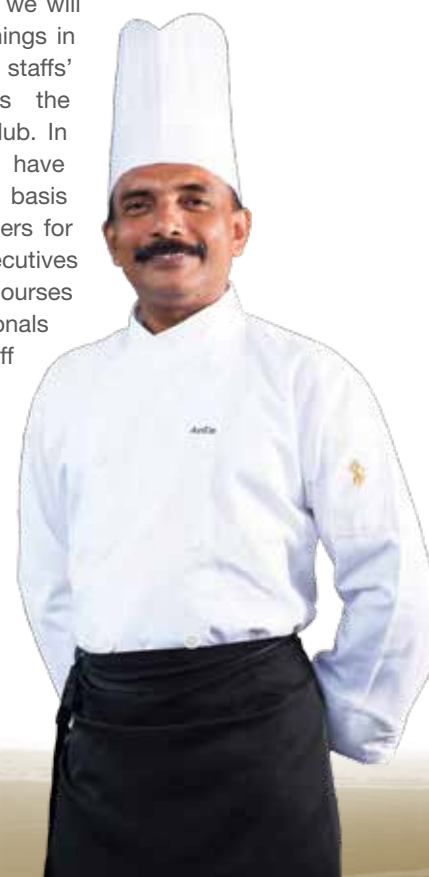

Hawker fare during the SG50 Celebrations

The Oval & Verandah continues to offer a full range of SCC signature dishes as well as a wide variety of local and western specials such as Claypot Fish Head, Tandoori Lamb Chop and Teriyaki Norwegian Salmon Fillet, thereby offering Members a significant range of choices – not only in flavours and spices but also a variety of meats, fish and fowl.

Our Friday fortnightly Hawker Fare at the Courtyard has become a firm favourite on balmy evenings for Members, their families and friends. Favourites such as Satay, Mee Goreng, Oyster Omelette, Chinese Rojak and Chendol as well as Chef Arfin's much sought-after specialty dishes of Soup Kambing, Soto Ayam, Indian Mee Goreng and Rojak as well as varieties of Roti Prata and Thosai.

TRAINING

The F&B Subcommittee works together with the SCC Management to emphasise on staff training which remains as an important area of focus and we will continue to invest in these trainings in aid of the development of our staffs' skills which ultimately uplifts the overall service quality of the Club. In pursuing this, regular trainings have been conducted on a monthly basis by the respective outlet managers for all staff while managers and executives attended professional training courses conducted by external professionals and institutions. Our F&B staff received gold and silver awards for service achievements by the Singapore Hotel Association.

SCC Chicken Rice

BANQUET

With the wonderful selection of F&B and stunning views from the Gilmour Room & Terrace, our banquet services remained abuzz throughout the year with Members' social, corporate and private events. The Victoria Room is now available as an extra optional venue for small events or gatherings.

GOOD HYGIENE PRACTICES

The F&B Department places high priority in ensuring that we diligently strive to maintain the highest standard of food hygiene and sanitation in our kitchens. Our F&B outlets have been awarded an 'A' Grade by the National Environmental Agency.

A group of selected staff also attended a food hygiene course specifically for food handlers conducted by the Institute of Technical Education. The Subcommittee will continue to supervise and monitor our food preparation and food handling procedures as well as matters relating to personal hygiene.

FINANCIALS

In line with other clubs and hospitality industry-based businesses, the SCC is not immune from rising costs of raw food materials and new policies and levies implemented by the Ministry of Manpower on foreign F&B staff and S-Pass holders.

Further to this, we had some unforeseen circumstances which added adversely to our income i.e. road closures (PM State Funeral, National Day and the Night Race), the haze and the closure of the Padang field. The Men's Bar was closed over a period of three months for renovations which affected our sales revenue greatly in spite of our prudent efforts.

The F&B Sales Revenue was S\$8,615,360 in 2015 as compared to last year's S\$9,207,022, a shortfall of S\$591,682. The F&B Cost of Sales as a percentage of Revenue increased marginally by 0.4% to 44.1% in 2015 despite market rising costs for raw materials.

CONCLUSION

In closing, I am pleased to have this opportunity to convey my sincere appreciation to the Members of the F&B Subcommittee for their time and significant contributions to the successes of this past year. I further express my sincere appreciation to all F&B Department staff led by Mr Daljeet Singh and Executive Chef Raymond Lee.

Finally, I thank Members for their support and kind words to our F&B Staff and Management. Your feedback and comments are important to us and you can be assured that we will continue to strive to offer the best food, beverages and highest service quality possible as well as 'value-for-money' for Members to enjoy.

'THE PADANG' MAGAZINE

'The Padang' magazine serves as a record of events and activities within the Club as well as keeping Members updated on current and upcoming social events, the latest Food & Beverage promotions and news from our 13 Sports Sections.

Article contributions from our own Members including Chairman, Games Control Board, Mr. Richard Stapley-Oh and SCC Members Mr. Steve Thompson, Dr. K. U. Menon, Mr. A. Purushothaman and Mr. Lim Chen Sian have significantly enriched the editorial content of the publication this past year and it would be remiss of me if I do not express my sincere gratitude to them for their invaluable support of the magazine.

2015 marked the Nation's Golden Jubilee with all six issues of the magazine featuring SG50-themed covers to reflect the milestone observance of our country's independence.

While preserving the quality of content and quality of the publication, 'The Padang' is critically reviewed on an ongoing basis for further improvement and fresh design ideas to keep Members engaged. Efforts have also been made to further 'refine' the presentation of new Food & Beverage promotions that showcase the signature dishes of our talented chefs.

The Subcommittee is pleased to report a moderate increase in the publication's advertising revenue this past year, with the aim of building upon this upward trend into 2016.

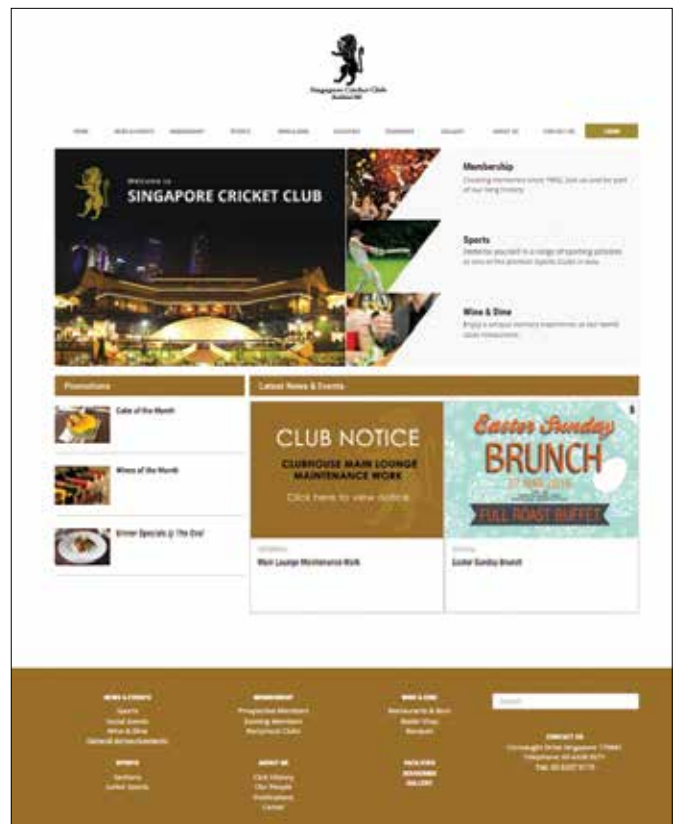

SCC E-NEWS

The SCC's E-News service that features current Club-related updates and developments is circulated three times weekly to Members on Mondays, Tuesdays and Thursdays. This is a further platform for Members to obtain updated information on matters of immediate Member interest.

SCC WEBSITE REVAMP

Following months of strategic evaluation and refinement of technical details, Members are now able to access the Club's news and happenings at the revamped SCC website (www.scc.org.sg).

Exclusive to Members, the SCC E-Services portal is also available at the website for the convenience of online bookings of Club facilities. The improved website now sports a more user-friendly interface making it easier to navigate for an additional and effective communication platform between the Club and its Members.

The SCC re-vamped website

SCC MOBILE APPLICATION

The Mobile Application project was conceived with the aim of seamlessly connecting our Members with the Club on a digital platform that could be conveniently accessed anywhere and at any time.

User testing has been conducted over the preceding months to ensure the application can be navigated with ease and we hope to roll-out the App in 2016.

COMMEMORATION OF SG50

Singapore's year-long Golden Jubilee celebrations were observed by the SCC in various ways throughout 2015.

An exclusive SCC SG50 Club logo which was a collaborative design effort with the Marcom Department used on various marketing collaterals and limited edition merchandise, such as the SCC SG50 polo t-shirts and caps, were well-received and positively commented upon by our Members.

REFURBISHMENT OF THE MAIN LOUNGE CABINETS

The standing glass cabinets located at either exits leading out onto the Oval and Deli Verandahs had been given a fresh makeover and now house materials of considerable significance.

The display cabinet nearest the Oval Verandah pays a handsome tribute to SCC's first 'Visitor' and the nation's founding father – Mr. Lee Kuan Yew.

In it lies the transcript of the speech delivered by Mr. Lee during a dinner at the Gilmour Room which would be etched in the memories of those present and would continue to resonate with Members of the Club today.

The cabinet at the opposite end honours eight of SCC's rugby players who had perished in the tragic Bali bombing on 12 October 2002. The marble slab bears the tattoo that some of the Rugby players have got on them in memory of their departed rugby mates.

Souvenir sales at the SCC Night Race Fiesta

The new Souvenir Shop

SOUVENIR SALES

The SCC boasts an extensive selection of merchandise exclusively for Members and we are pleased to report average sales of \$6,385 per month in 2015. Periodical sales were also offered for our Member’s purchasing satisfaction.

This year several new items were introduced. Wine opener sets were re-introduced and have been in steady demand since. Members are now also able to purchase new SCC polo t-shirts in classic SCC colours.

Along with many areas of the Club, the souvenir shop has been given a face-lift and it now boasts a display area showcasing all SCC merchandise available for sale through the Member Services Desk.

FORMATION OF SALES & MARKETING TEAM

The Sales & Marketing Department was formed in January 2016 resulting from the assessment of the Organization Review Task Force. The aim was to have a centralised Sales & Marketing arm of the Club.

Taking over from Ms. Adeline Tan, Financial Controller, Ms. Chovin Ong was appointed Acting Head of this new department.

CLOSING

In closing, I would like to take this opportunity to convey my personal and very sincere gratitude to Anwar Gaffoor (our volunteer proof reader), Paul Lawlass, Srikanth K.V., Tracy Jones, as well as our scribes from the Sport Sections and all contributors of articles to ‘The Padang’.

My thanks also to General Manager, Nigel Stearns, the Club Management and staff for their time, effort and dedication in the planning, organising and executing of the Club’s continued Marketing and Communication strategies.

Throughout the year, the Property Subcommittee has ensured all facilities are well-maintained and in tip-top condition through improvements, replacements and repairs. Over the course of the year, several new initiatives were undertaken to enhance and upgrade the facilities so that Members and their guests are better served. A Development Steering Committee was formed to conceptualise new designs for the facilities to be refurbished and also to oversee the extensive Clubhouse renovation project.

This year the Club embarked on an extensive programme of refurbishment. The men's changing room had a facelift along with an additional shower room to ease the demand for shower facility. Lighting and layout of the room was also improved. Renovation to the lower first storey of the Clubhouse included the gym, management offices and the Men's Bar.

In addition to expanding the gym, a floor to ceiling mirror was also added. The newly refurbished Men's Bar now has a stylish and fully equipped bar. More furniture was added to provide additional seating capacity to cater for an increased patronage to the outlet. Air conditioning improvement works were also carried out. The Jackpot Room was closed and relocated to the existing Committee Room and the vacated space was refurbished as a food & beverage outlet, now known as The Victoria Room.

We encountered challenges during the refurbishment works that needed to be addressed and rectified which resulted in delay of the completion of works. Although some form of noise and dust were unavoidable, the development project was completed with minimum disruptions to ensure a comfortable and pleasant environment for all. I am very thankful for the kind patience and understanding of our Members.

After the renovation, new SMART TV sets were acquired for the Gym and Men's Bar and a Bose sound system was installed at The Victoria Room. Following feedback from its patrons, an additional air conditioning unit was installed at the newly renovated Jackpot Room which is now much cooler and offers a more pleasant environment for Members.

In preparation for the SG50 celebrations, the building was given a fresh coat of paint in grey hues which complements its heritage and highlights the features of the building. The re-painting of the front façade commenced on 15 June 2015 and was completed in time for the National Day celebration. The Clubhouse was also decked in SG50 themed decorations for the year-long celebrations.

Apart from the main works, other works were carried out as follows:

- Replacement of carpet tiles in The Oval Restaurant
- Replacement of cantilever at the carpark which was damaged by strong winds
- Installation of additional fan coil units to the new administrative office
- Replacement of projector at Stumps
- Replacement of ejector sump pumps at the carpark and for the Men's Bar
- Replacement of bifurcated exhaust fan at the Oval kitchen
- Replacement of multi-metering meter in the main switchboard and chiller plant switch board
- Replacement of corroded GI waste pipe from the store to the ceiling at the Men's Bar
- Acquisition of new water cooler for the Gym
- Fabrication of new lectern for the Padang Restaurant
- Fabrication of the "Distinguished Visitor's Board" next to the Member Services Desk

An infrared thermography scanning was commissioned to detect the water seepage problem on the plastered and tiled wall of the handicapped toilet. The source of the water seepage was from the toilet floor of the visitor's toilet and water dampness was detected on the flooring of the visitor's toilet. To facilitate rectification works, the visitor's toilet was closed for a week. Dampness was also found in the Gym and wine cellar at the Padang Lounge during the renovation works.

The Property Subcommittee strives to adopt green measures to be energy-efficient. The conventional lamps in both kitchens which consumed high energy were replaced with LED panel lights. The operating hours of air-conditioners have been staggered to save energy and some of the air-conditioners in the restaurant will be switched off during off-peak periods to save energy. Signs are displayed at the light switches to remind staff to switch-off lighting and air-conditioning when not in use.

Following feedback from Members, one of the parking lots near the loading/unloading bay was converted into a handicapped parking space. The number of closed-circuit TV cameras was increased to enhance safety and surveillance efforts.

Pest control and fumigation measures were carried out on a monthly basis to ensure that the Clubhouse is pest-free. Inspections of the external perimeters of the Clubhouse was conducted regularly with the pest control vendor to ensure the Clubhouse surroundings are clean and free from stagnant water.

Owing to the age of the building, refurbishment and upgrading of facilities have to be an ongoing exercise and the Property Subcommittee will continue to ensure the completion of the following tasks in the first quarter of year 2016:

- Re-lamping for the Multipurpose Court
- Replacement of new lamp poles for the Courtyard
- Installation of decorative lanterns at the main entrance and the side walls
- Rectification works for air-conditioning at the Main Lounge

Pruning of trees and crown trimmings were conducted every six months to maintain trees at the carpark. Two rain trees along Connaught Drive were found to suffer structural defects and were removed. The National Parks Board has graciously agreed to replace one of the trees at no cost to the Club.

Other repair and maintenance works, some of which may have passed unnoticed included the:

- Annual shut-down for maintenance and servicing of the three air-conditioning chillers
- Installation of an additional air-conditioner unit for the newly renovated Ladies' staff rest area
- Repainting and re-varnishing of the existing furniture such as tables, bar stools, doors and other areas within the Clubhouse
- Installation of concrete stoppers at the carpark near the lawn bowls green to prevent cars from damaging the hedges.

In conclusion, I would like to extend my appreciation to the Members of the Property Subcommittee for their continuous support, invaluable contributions and dedication during the year.

It has been a challenging year for the Rules & Membership (R&M) Subcommittee with a newly constituted Committee.

CLUB MEMBERSHIP

The Club welcomed 86 new Ordinary Transferable Members, 60 new Term Members and 39 new Sports Members totalling 185 new Members. As at 31 December 2015, the Active Membership stood at 5,805.

SPORTS MEMBERSHIP

The total number of Sports Membership decreased from 226 to 162 mainly due to the conversion of 43 Sports Members to Ordinary Transferable Members and the non-renewal of Sports Membership upon invitation for renewals.

DISCIPLINARY CASES

During the R&M Subcommittee’s term, a total of four disciplinary cases were attended to with suspensions and warnings meted out in several instances.

In this regard, the Committee would like to urge Members to observe the highest standard of decorum befitting the status of the Club.

MAJOR REVIEWS

Besides overseeing traditional tasks such as disciplinary matters, the R&M Subcommittee embarked on various major reviews namely the application of Rule 14 on Sports Membership, renewal of Sports Membership and the formulation of the Standard Operating Procedures for obtaining Legal Opinion by the Club.

REVIEW OF THE CRITERIA FOR ADMISSION OF NEW SPORTS MEMBERS AND RENEWALS OF EXISTING SPORTS MEMBERS

The R&M Subcommittee drafted the White Paper on the application of the criteria for admission of new Sports Members and Renewals of Sports Members as per Rule 14 in order to provide a consistent application of the criteria.

To clarify how Rule 14 (b)(i) to 14(b)(iv) should be applied in a consistent and principled manner, R&M produced a White Paper on this subject.

Essentially, the White Paper sets out instances where this Rule had been abused, for example, the view that fulfilling just one of the Rule 14(b) criteria is sufficient to be a Sports Member rather than a fulfilment of all the requirements as set out in Rule 14(b).

Members can request for a copy of the White Paper through the Membership Department. R&M hopes to limit the abuse in applying Rule 14(b), safeguarding the Club’s interests through this exercise.

R&M, in the course of its work in 2015, also discovered that some Sports Members were not representing SCC in their chosen sport. This is clearly a breach of Rule 14(b)(ii). At the time of writing, R&M is investigating one particular sport section which has a high percentage of Sports Members who were not registered to play in any of the National League/ Division, even after excluding an additional numbers of Sports Members who joined after the season and therefore did not represent the Club in the competitive leagues, violating their commitment of 75% participation under the Club’s Rules.

Other breaches include the fielding of a non-Club Member in the Premier League. R&M encourages all Members to acquaint themselves with and observe the Rules of the Club. The Rules protect the rights, privileges and funds of the general membership.

Review of Rule 15(a) on Junior Sports Membership

At the Special General Meeting held on 1 April 2014, this Rule was amended and now states that: “Any person under the age of 26 may be elected as a Junior Sports Member”. This Rule has been misinterpreted to allow any applicant, so long as they are below 26, to be admitted as a JSM, regardless of employment status and prior contribution to the Club as a junior.

Annual General Meeting, 21 April 2015

Junior Sports Member Election, 15 August 2015

This is certainly not in the spirit of extending the age limit to 26 for JSMs. The intent was to allow existing JSMs who had served the Club for a period of time to give them a headstart in their career before committing to a huge increase in membership fees. This is also in line with the Convenors' Guidelines on JSMs.

This Rule contradicts the Convenors' Guidelines (updated in July, 2015) under Clause 4b. which specifically states that: *“Junior Sports Membership is open to local youths who are still studying and are not gainfully employed. Applications can be proposed and seconded only by section officials who are Ordinary Members”*.

There is clearly a need to align Rule 15(a) and the Convenors' Guidelines Clause 4b.

Review of the Club Rules and Bye-Laws

The R&M Subcommittee is conducting a thorough review of the existing Club Rules and Bye-Laws with the objective of ensuring that Rules are clear, specific and internally consistent. The R&M Subcommittee has reviewed the proposal drafted by the Rule Change Task Force appointed by the former General Committee on the terms of office for General Committee and will be incorporating their recommendations to be put forth to the Membership for approval at a General Meeting to be scheduled later in 2016.

STANDARD OPERATING PROCEDURES (SOP) FOR OBTAINING LEGAL OPINION

As there is no SOP for obtaining Legal Opinion for the Club, the R&M Subcommittee has drafted one which was approved by the General Committee for a trial period of three months. This SOP spells out the processes for obtaining legal opinions in order to reduce costs to the Club.

ACKNOWLEDGEMENTS

On a personal note, I would like to express my sincere gratitude to fellow R&M Subcommittee Members, the Management and staff from the Membership Department for their invaluable contribution of their time and efforts towards the Subcommittee's work.

Last but not least, I wish to thank all SCC Members, the President, fellow General Committee Members and the Management for your support during our term in office.

The Social Subcommittee had, year after year, organised many exciting events for the Club and its Members and 2015 had been nothing less. The first event kicked-off in February, with the last one ending on a high note on the last day of the year.

Popular regular events such as the monthly Pub Quiz Nights and Wine & Cheese (held on 5 June, 21 August and 13 November) continue to draw active participation from Members and their guests. In addition, a Bingo Night was launched and held every second Thursday of the month.

2015 EVENTS

**2015 YEAR OF THE WOODEN GOAT
FENG SHUI & ASTROLOGY TALK**

11 February

This event is one of the “must-haves” in the SCC events calendar where Members gather many practical tips and fresh insights to what the New Year will bring. They also obtained various understandings on how to stimulate their individual wealth sectors at home and left the event with knowledge of all the auspicious dates and directions for 2015.

CHINESE NEW YEAR CELEBRATION

27 February

The evening kicked-off with an auspicious bang with the arrival of the spectacular ‘Twin Lions’, after which they then made their way around the Clubhouse showering prosperity and good fortune. The main highlight of the celebration was at the Courtyard where the lions took centre-stage with their high flying performance on tall pedestals.

Fringe activities such as palm reading and sugar painting were held around the Club. Members who prefer to relax in the comfort of the Main Lounge enjoyed the traditional ‘face changing’ performance and acrobatic acts, not forgetting our special guest band, MSG, who rocked the night away.

APRIL FOOLS’ DAY SPECIAL COMEDY NIGHT

1 April

As the first event in conjunction with SG50, local renowned comedians Kumar and Alfred George were invited to incite laughter at the Main Lounge with their stand-up performance. Members were thoroughly entertained that evening with their spontaneous humour and a scrumptious dinner.

**EASTER SUNDAY BRUNCH &
CHILDREN’S EASTER PARTY**

5 April

The Easter Sunday Brunch at Padang Restaurant was a sold-out event with Members enjoying a nice afternoon with their family. The Gilmour Room, on the other hand, was ‘semi-transformed’ into a rabbit barn where a mini Easter Party was held. In collaboration with the RHQ Rabbit Headquarters, three breeds of rabbits were brought in for the occasion – a Flemish Giant, a Holland Lop and a Dwarf Hotot. In addition to some playtime with the rabbits, the children learned many interesting facts about these gentle fluffy creatures and the proper ways to care for them.

HUNGARIAN WINE TASTING

10 April

Back by popular demand, we invited the Hungarian Trading House Singapore to conduct a wine tasting event. Members learned to appreciate not only the elegant taste of Hungarian wines but also the rich history that Hungary has to offer.

Kampong Night in celebration of Hari Raya

LOOK WHO'S COOKING

18 April & 5 September

Our very own Social Subcommittee Member Ms Sunita Kapoor and SCC's Chef De Cuisine Mark Tay brought Members and guests on a culinary adventure to India and modern Japan respectively. All present had a wonderful experience of the senses with the cooking demonstrations and food sampling thereafter.

MOVIE UNDER THE STARS

7 June

The first ever outdoor movie experience at SCC brought Members back to the 90s with the all-time favourite movie, 'Grease'. They were thoroughly entertained as they sang along to the musical hits throughout the screening.

KAMPONG NIGHT

24 July

Members were treated to an evening with a series of Malay cultural performances. From a kampong feast, traditional dance and music, Members enjoyed the night and learnt some dance steps as well as the art of draping a sarong.

Intersection Quiz Night, themed 'Superheroes'

SCC CELEBRATES SG50

9 August

With the SG50 National Day Parade was held at the historic Padang, the Clubhouse was packed with Members and guests who gathered to join in the festivities. Everyone who attended was thrilled by the spectacular aerial displays by the Republic of Singapore Air Force Black Knights and the breath-taking display of fireworks throughout the celebration drew plenty of excitement around the Club.

SCC NIGHT RACE FIESTA

18-20 September

In commemoration of Singapore's Golden Jubilee, the Club was decked in red and white for the SCC Night Race Fiesta. Members and guests had an exciting time with entertainment around the Club and viewing the race from all areas of the Clubhouse.

OKTOBERFEST

2 October

With an endless affair of beer and feasting, Die Dorf Fest Kapelle Oompah, a Bavarian-style band entertained Members and guest with a show-stopping, one-night-only performance at the Main Lounge.

SCC Night Race Fiesta

SCC Countdown Ball 2015

INTER-SECTION QUIZ NIGHT

16 October

11 teams of from the Sports Sections attended the Inter-section Quiz Night, unleashing their 'powers' to rein 'SUPERHEROES' for the night. Quiz Master, Nick Cochrane, entertained the night with ingenious questions from a range of topics. The Squash Section emerged champion for the night followed by the Cricket and Balut Sections.

REMEMBRANCE DAY

11 November

Special thanks to Professor Brian P. Farrell as well as distinguished Defence Advisers from the United Kingdom, New Zealand, Australia and the United States who were present at the ceremony.

DEEPAVALI CELEBRATION

20 November

The evening opened with SCC President Capt. Baldev Singh lighting the traditional oil lamp at the Main Lounge, after which Members and guests were treated to a spectacle of lights and music with energetic and vibrant Bollywood Dance performances, the Lightning Dholi and Bhangra Dance performances. The 'Best Dressed of the Night' was also awarded and the winner walked away with attractive prizes.

CHILDREN'S CHRISTMAS PARTY

19 December

SCC, together with Evolve Arts, presented a spectacular Christmas Pantomime – 'Despicable Freeze'. Children and parents enjoyed an indoor picnic session at the Padang Restaurant while watching the famous frosty princess destroying a box of Christmas magic while head elf Selfie engaged the kids to guard it. Of course, our 'resident' Santa was back in town to shower every child with a present. Special thanks to Mr Phil Cunningham for bringing Santa to SCC.

CHRISTMAS EVE LUCKY DRAW

24 December

A pair of Raymond Weil watches, plus cash and a 3-night accommodation for two to the Maldives were the top prizes for the year's lucky draw. With a total of 30 attractive prizes, the Main Lounge was bustling with Members and guests with Vernon Cornelius & Band entertaining everyone throughout the afternoon.

FIRE & ICE SCC COUNTDOWN BALL 2015

31 December

The Club was immersed in contrasting splashes of fiery reds and icy cool blues for the 'Fire & Ice' SCC Countdown Ball 2015. Australia's premier party band, the Jellybean Jam provided non-stop entertainment throughout the evening with chart-topping favourite hits. Wish balloons were released into the sky at the Padang Field at the stroke of midnight while the Gurkha Pipers ushered in 2016 along a spectacular fireworks backdrop from the Marina Bay area.

CONCLUSION

My sincere appreciation goes to my Social Subcommittee Members for their many wonderful creative ideas in keeping SCC abuzz. Not forgetting the SCC Management and Social Events Team that never fail to deliver and transform these ideas into quality events each time. Thanks to all who took part in the Social Survey as we gather results to plan a better 2016 events calendar.

The Section continues to be a most lively one. Our monthly in-house meetings are very popular with an average of 35 Members and guests attending each meeting.

In fact with the growing popularity, Members have requested that we meet occasionally twice a month with the second game being played on a Saturday afternoon. At the point of writing, the first Saturday session is scheduled for 9 April 2016.

This year's in-house winner was Mohan Balagopal. Totally unfair as Mohan gets plenty of practice by playing for NUSS and understandably so as Mohan is on the General Committee as well as their Games Control Board Member.

A close second was Jasmine Fisher with our very own Capt. Raj Kumar in third spot.

In the local Interclub league SCC entered five teams with Singapore Recreation Club, Eurasian Association, NUSS, Indian Association (IA) and the Tanglin Club. SCC won the league in 2014 but this year SCC came in a mere second narrowly missing out to IA by 62 points. IA scored 13,848 and SCC 13,786.

However not all was lost for the effervescent, petite and ever-smiling Kiren Kaur won the individual prize against 100 baluteers with a score of 3,730 points. John Taylor was second with 3,648 points. He also won the prize for the highest score in a single column with a 172 just edging out our own Geoffrey Mullett who had a 171.

SCC Team 3, Interclub League Runners-up

Interclub winners

The Section played its part in the Annual Pot Games by winning their element against the Tanglin Club thus helping SCC to retain the Cup. An enjoyable afternoon was also held at the Invitational Triangular –this annual tournament between NUSS, IA and SCC was won this year by IA. We will host in 2016.

It came as no surprise that the gregarious and extremely witty Geoffrey Mullett won the Section’s ‘Spirit of Sports Award’ at the 2015 Annual Sports Awards. Geoffrey is a stalwart of our Section attending all our in-house meetings when not on his travels and playing in the league. He also loves going on tour.

The Section went on three most enjoyable tours during the year. The first being to the 5th Annual Invitational run by the Kinabalu Club. Other Clubs involved were the Kinabalu Club (hosts), Kinabalu Yacht Club, Sabah Golf and Country Club, Sandakan Yacht Club and the Sarawak Club. A most enjoyable weekend was had by all 76 participants. SCC is honoured that it is the only Club invited from Singapore.

Our second tour was to the Sarawak Club on 12 September. The final tour was the highlight of the year with the 35th Annual Interport held at Sandakan Yacht Club where the hospitality given was outstanding.

Thanks must go to the GM, Nigel Stearns, the SCC Sports Department and in particular to Thipa Mogan for looking after the Section’s affairs so well. To the Balut Committee in general – thanks to Capt. Raj for picking the winning teams.

Special thanks to Lars Berg for keeping such meticulous accounts and to the ‘Spin Doctor’ Mogens Andersen for once again finding main sponsors for our Christmas Party. Very special thanks are due to Rajan Menon of Pernod Ricard for sponsoring all the Sections’ events for the year. And to all baluteers for making the years’ Balut sessions most sociable.

We all hope for better things in 2016 and continuing the SCC’s legacy as a Sports Club.

Peter Gilchrist

Billiards & Snooker Committee 2015/16

Substantial developments have taken place over the last couple of months. The top of the list being our Section Member Peter Gilchrist who brought honour to both our Nation and Club by winning two Gold and one Silver medal at the 2015 SEA games. It was also magnanimous of him to donate one of the Gold medals to the Billiards & Snooker Section – now a priceless exhibit at the Men’s Bar.

We played quite a number of inter-club tournaments with mixed results. On 14 September we entertained our “sister club” from Brisbane – Brisbane Tattersalls Club. They visited us on numerous occasions and were happy to see familiar faces. We won our game against them but that result took a backseat as camaraderie between both club members took centre stage.

25 September saw our “brothers” from Thailand – the Royal Bangkok Sports Club. They visited and also gave us a small lesson in snooker. Their visit to SCC and our reciprocal visit to them will continue on. The strong bond between both clubs was ever prevalent. Our hospitality and staff friendliness continue to be a topic of conversation with visiting teams and this augurs well for the reputation of our Club.

We hosted Tanglin Club for the Annual Pot Games. We played on a format of five Singles and two Doubles and managed to win a tough challenge put up by the competitive Tanglin team. With the fielding of our World Champion and star player, Peter Gilchrist we managed to beat them five games to two.

Having a good time during Christmas Lunch

Victor Yeong at the John Ewing Cup Tournament

As expected the competition was relentless but that did not ruin the fellowship and bonding.

The John Ewing Cup is an annual event which the two clubs take turns to host. This year it was Tanglin Club's turn. We visited them on 21 November. We were going to use our Singles fire power; unfortunately we lost two of the five games. This resulted in us relying on our Doubles tiger team to be at their best to win this year's game. We can unequivocally announce that both Peter Gilchrist and Victor Yeong rose to the occasion to secure us the honour.

We travelled to Penang to play against Penang Sports Club and Penang Club. Last year it was our turn to visit them and we managed to put together a team but unfortunately did not have some of our key players as they were unavailable. We lost to both clubs but not without putting up a tough challenge. Currently our pennant team is playing in the top division league and at the time of writing ranked amongst the top three on the table. This is a significant achievement as we have never contemplated sending a team, let alone playing in the top division league. An excellent result from playing with unyielding gusto and pride for the Club. We're developing individuals in the hope of sending a second team next year.

Besides winning competitions we have also embarked on a Section outreach programme to reach out to all our Section

Interport Game with RBSC, September 2015

Members. The present committee's direction and goal is for an active and inclusive Section. This has produced great results for the Billiards & Snooker Section in being socially active.

We must also report that the Section has also grown in numbers. Over the past few months we have seen quite a number of Members signing up to join the Billiards & Snooker Section. This is an increase of over 18 percent of Section Members. We have also seen active participation of Section Members in all our activities. We hope to work hard and continue to grow the Section.

We had a great Christmas lunch for our Members with great food, music and great bonding. The turnout was unprecedented. We had a good Lunar New Year dinner with the traditional "Lo Hei" and lion dance.

I would like to take this opportunity to thank my fellow Committee Members for their sincere efforts and selfless contributions to develop a vibrant Section. The Section looks forward to another enjoyable and competitive year.

Bowls Committee 2015/16

NATION IN CELEBRATION

2015 was a special year for Singapore during which time the nation celebrated its 50th birthday with a series of celebratory events all around the country. Amidst the fireworks, concerts and spectacle, the Bowls Section sacrificed our beloved green for most of the 2015 bowling season to the National Day Parade. However, good people are often blessed with great friends.

The Tanglin Club generously offered their green and even allowed us to hold our Club competitions over several weekends. SCC Bowls Section will remember this great gesture for a long time to come and promises to lend a helping hand (except during the Pot Games) whenever there is a need.

COMMITTEE MEMBERS IN OFFICE

A new committee took office in January 2015 led by long-time Member of the Section Tony Richardson. T. Velu was promoted to Captain having last held the appointment of Committee Member in the previous Section Committee. Derek Hodgkinson retained his role as the Treasurer and the newly appointed secretary was Edmund Lin. The last person making up the committee was Michael Daryanani who was appointed as the sole Committee Member in 2015.

SECTION MEMBERSHIP IN NUMBERS

With the green closed, we experienced a slow year in Bowls Section membership recruitment naturally. At the beginning of the year we started with 119 Members and ended the year with 121 Members, a net increase of two Members.

International Mixed Triples Tournament

SECTION TOURNAMENTS IN ACTION

Only two Section competitions were held during the 2015 season due to the loss of the green. The highly anticipated Singles tournament held in the beginning of the year marked the emergence of Zoher Motiwalla as he brushed aside all the competitors to claim the much coveted title of SCC Bowls Men's Champion and the Allan Cup. Along the way, he beat national players like Christian Huang (3rd) and also Club legends like Mr Chai H.Y. (2nd). A well-deserved winner without a doubt!

Champions, International Mixed Triples Tournament

They say form is temporary but class is permanent. Class is exactly how you can describe our ladies' champion Mary Lim. In the round robin format of the ladies' competition, she won all her opponents to emerge as the undisputed ladies' champion of Bowls Section and the recipient of the Rose Bowl. Shermeen Lim came in a close second, only losing to Mary Lim in the competition.

In the peripheral Plate competition, Wong Hui Kai fended off tough competition to be named the Singles' Plate winner, beating Retna Sabapathy in the finals.

In November, we held our second tournament at Tanglin Club. The mixed drawn pairs achieved a great response from our ever enthusiastic bowlers where 20 bowlers were drawn together to form 10 pairs. In the end, the pair of Melvin Tan and Ganesh Ramanathan fought off the resistance from the pair of Mary Lim and Michael Daryanani to clinch top spot in the competition. The combination of K. C. Chew and K.U. Menon won third, victorious from the third place play-off.

A hearty congratulation to our Section's finest for their domestic glory!

RBSC Triangular Tour

TOURING IN GROUPS

This year, the Section went on three overseas tours which is one more than the usual due to the loss of the green during the season. In March, a small group led by our Convenor Tony Richardson embarked on a trip to Australia for the Annual Tatts. Although our teams put up a good showing in various matches, they did not win enough points to win the competition.

Also during mid-year, the Section sent a group of adventurous bowlers to Kochi, India for some friendly matches over there. Although the condition of the green was difficult to adapt to, the group who went displayed resilience and competitiveness, well representing the spirit of SCC.

Last but not least, in December, there was the big event of the 14th Annual Triangular Lawn Bowls Tournament between SCC, Kowloon Bowling Green Club (KBGC) from Hong Kong and Royal Bangkok Sports Club (RBSC). This year, this highly competitive tournament was held in Bangkok and hosted by RBSC. RBSC aided by several top class international players dominated proceedings and claimed all the prizes up for grabs.

Other than being the overwhelming winners in this competition, RBSC showed superb class by hosting us to lunches, dinners and a very well-organised closing party. The Section Members who went thoroughly enjoyed themselves and the Section would like to extend our warm gratitude to RBSC for being excellent hosts, as well as KBGC for their sporting spirit.

ELITE BOWLERS IN GLORY

2015 has been a fantastic year for many of our bowlers outside the Club. In terms of representation of the Club in national tournaments, SCC Bowls Section has done us proud in many instances. Going down the list, the pair of Chng Ming Li and Shermeen Lim became the champion pair of Singapore by winning the National Pairs for ladies' after a very dominant display at our second home ground, the Tanglin Club. In the triples ladies' competition, the trio of Loh Hui Shan, Chng Ming Li and Shermeen Lim emerged as the runners-up after losing narrowly by shot difference in the round robin format competition.

SCC and KBA teams in Kochi

In the national mixed triples, the SCC trio of Wong Hui Kai, Chng Ming Li and Shermeen Lim lost in the finals but achieved a very credible runners-up position. Last but not least, SCC has a national champion in the form of Christian Huang as he thumped all his competitors to emerge Champion of Singapore in the 9-9-3 National Open Singles. A great SG50 gift for the Club.

After many years, the Section has shown its ability to be sustainable and competitive in the national arena. Well done to our elite bowlers and definitely plenty to look forward to in 2016 with our green back in use.

Other than the national competitions, our SCC teams have also been active in competitions held by other organisations as well. The team of Mary Lim, Loh Hui Shan, Chng Ming Li, Shermeen Lim, Edmund Lin and Melvin Tan stepped up to the challenge and won the overall championship in the LBAD President's Challenge Cup. Along the way, we clinched the Singles challenge trophy as well as the Pairs challenge trophy winning all but one of the trophies. In the other significant competition held at Tanglin as they celebrated their 150th anniversary, the mixed triples team of Melvin Tan, Wong Hui Kai, Chng Ming Li and Shermeen Lim faced strong opposition from teams from all over Asia Pacific and eventually stood up to the challenge by winning the championship.

Some of our bowlers represented either the Club or country overseas as well. A team of young bowlers comprising of Melvin Tan, Wong Hui Kai, Chng Ming Li and Shermeen Lim represented SCC in the inaugural Angeles Lawn Bowls Competition in Philippines and brought back the runners-up in the Plate competition missing out being champions by losing narrowly in the Plate finals.

Christian Huang and Josephine Lim also did the Club and country proud through good showings in the Asia Pacific Lawn Bowls Tournament in Christchurch. Based on their

results, Christian Huang in Men's Pairs and Men's Fours and Josephine Lim in Women's Pairs, Singapore qualified for these events for the upcoming World Bowls Championship in 2016. Well done to all the bowlers for their amazing achievements.

Also during the year, the Pot Games was rained off as SCC retained the trophy and the Giles Roche cancelled due to the lack of green.

SECTION PARTIES IN SCC

Apart from the achievements on the green, the Bowls Section does know a thing or two about partying as well. We started the year with the opening carnival on our old green in a series of friendly competitions and adjourned to the The Oval Verandah subsequently for some drinks and food. As we anticipate the restoration of the new green, let us not forget about the old green that served us so well over the many years.

Also, as the festive season neared in December, we held our annual Christmas dinner with a "bright and sunny" theme. The turnout was fantastic as more than 50 Members and their friends turned up. A raffle draw was held and everyone went home with at least a prize. The year certainly ended with a bang.

YEAR IN REVIEW

2015 has certainly been an unforgettable year where we played majority of our bowls at Tanglin. Also the various achievements by our bowlers continued to make us proud to be part of SCC and this amazing Section. As we move forward in 2016, let us cherish the memories and look forward to a vibrant future ahead filled with sustained achievements and friendships.

Bridge Committee 2015/16

The Bridge Section is pleased that its membership is growing as it enters into its fourth full year as a Sports Section under the auspices of the Games Control Board. The Duplicate Bridge sessions on Mondays are now held in the Victoria Room, which has proven to be an excellent venue. The sessions are very well attended and regularly total six to eight tables per session.

The Section holds more than 40 weekly bridge sessions annually since 2014. Mr Carl Parker, a certified Bridge Teacher by both the SCBA and the American Contract Bridge League (“ACBL”), has continued to support the Section as Bridge Director of the regular Monday evening Duplicate Bridge sessions.

Besides our weekly regular games, the Section also holds special events to celebrate the multi-ethnic festivals here in Singapore. During these ‘festive’ Bridge sessions, the competition heightens as a special prize is awarded to the best pair of the session. The two most significant events of the year are the AGM-cum-National Day and the Christmas events.

At the Christmas event, the Bridge Section presents its Annual Awards – Best Individual Player and Best Championship Pair for the year. 2015’s Best Championship

Bridge Members pulling Christmas crackers

pair was John Martens and Stephanie Hodges and the Best Individual Player was Seah Beng Tee.

The Section’s AGM was held in August 2015 and the Members chose to retain the same Committee Members in their respective posts.

The Section continues to encourage Members to take part in external competitions. We are still part of the Premier Bridge League (a conglomeration of seven Bridge Clubs in Singapore), which will begin in the second quarter of this year. As Bridge is now part of the Annual POT Games, our team valiantly faced

Tanglin Club for the second time in 2015. Unfortunately, we lost to them again but this time by a closer margin than the previous year.

The Section held a Beginners' Bridge Course starting in late January 2016. It was heartening to organise this course as we had 16 beginners unlike previous years. Mr Carl Parker was the instructor and the beginners gave very positive feedback about the course. The Section now has to encourage them to come and play consistently with all the other regulars. The regular Bridge sessions will also now be interspersed with Bridge 'lessons' by Mr Parker to improve the play of all Members. These 'lessons' will take place once every six weeks for a start.

The Royal Lake Club in Kuala Lumpur has invited the Section to take part in the Royal Lake Club Bridge Congress. This event will be held in mid-October 2016. The Section is looking forward to sending a team of at least four Members to this event.

The Club staff continue to support the Section in its usual efficient and friendly manner. Again, the Section would like to commend the F&B team for looking after us so well at the Victoria Room. The Section has also been able to use the Gilmour Room when it is available for our 'special' Bridge events.

We hope to increase awareness of Bridge among other SCC Members. An inter-sectional Whist Drive is in the pipeline. Finally, the Section would like to thank the Sports Department for making it so easy to play Bridge in the Club.

Cricket Committee 2015/16

INTRODUCTION

2015 was always going to be a challenging year given the loss of the Padang from early April. However, we are fortunate to have the Dempsey Ground and it has become integral to cricket at SCC. Before the start of the 2015 season, we decided that seven league teams was one too many to accommodate and disbanded the Pumas. Our six league teams played a total of 80 matches and we won 54% of them across Divisions 1-4. This was better than 46% in 2014, but somewhat short of 75% in 2013, our best ever season as a club. 104 players represented the Club in league cricket, plus approximately another 45 in the Saturday XI.

From a results perspective, we had a moderate year without any silverware from the league teams. The season started well, with all teams well in the hunt for trophies after the first two months of the season. It was probably more than a coincidence that results started to deteriorate after we lost the use of the net facilities at SCC and were forced to move our training sessions to CSC. While we were extremely grateful to have this alternative, attendance at training noticeably dropped off.

WHAT WERE THE POSITIVES?

Although overall results could have been better, there were many positives to reflect on from the season:

- Probably the most significant development for the Section was that for the first time ever, we were able to appoint a Head Coach. Ricky Anderson, a Level 3 coach and former Essex and Northants county cricketer, provided much needed structure and quality

to our training sessions. His passion and enthusiasm for the game shone through as did his determination to maintain consistently high standards during training. We are grateful for the Club's support to make the hiring of a coach possible. I have every confidence that the practices being implemented over the last year will see us reap more tangible benefits in 2016. This includes the financial gain of having a robust junior programme as we look to use the Club's reputation and standing to take more of a role in nurturing junior talent across the age groups.

- We continue to have a strong core of players who are committed to playing for SCC, including many of the new Members.
- Junior cricket – Despite the loss of training facilities at SCC, we were able to maintain a very healthy Cricket Youth Development (CYD) section. The highlight was a victory in the Howzat Under 15 league.
- The newly christened SCC Sphinxes (otherwise known as the Vets), won the Vets league with a 100% success rate. The enthusiasm and commitment shown by players the wrong side of 40 suggested that we need to provide more opportunities to play competitive cricket as a team.
- The Club XI was introduced for the first time. The idea was that this would provide additional opportunities for league players and juniors. We need to continue to develop this concept next season and beyond.

- Communications – The re-introduction of Bails provided regular updates to the section and Nick Dorney should be acknowledged for his efforts to make this happen.
- Involvement with Singapore Cricket Association (SCA) – After several years of limited involvement, SCC is now much better represented. Suresh Kalpathy is Deputy President, Harish Dongre is Secretary, Dene Border is on the Tournament Committee, Pete Muruthi and Andy Williams on the Development Committee, David Jones, Bala Narayanan and Zubin Shroff on the Selection Committee. As the premier cricket club in Singapore, we should be contributing significantly to the future direction of Singapore cricket.
- Interports – After only one interport in 2014, we visited Kowloon Cricket Club, Royal Bangkok Sports Club and Royal Selangor Club in 2015.

INFRASTRUCTURE AND GROUNDS

Apart from three Lions matches, all our home games were played at Dempsey. Prior to the start of the season, the artificial wicket was replaced and re-laid in the centre of the ground. In addition, drainage which has been a major issue over the past few seasons has been improved significantly. Both of these changes were major improvements and we are grateful for the Club’s support to make them happen.

The improvements have also meant that we will now be able to offer the ground out for more external teams and, in keeping with practices around the island, demand an affiliation fee for the right to call it their home. This comes on top of the usual ground hire and so helps recoup the costs of maintaining the ground.

JUNIOR CRICKET

The development of a strong junior contingent and development programme has huge potential for the Club, not just in home grown talent performing on the cricket field but for providing a steady revenue stream for us to spend on the Section. This process is already well under way under the vision of Ricky and Riaz Hussien with the help of some other coaches, notably Arun Vijayan.

There is just so much promise in this area and it really is in all our interests to pursue it as hard as possible. Growing the junior programmes in conjunction with the SCA’s planned push back into local schools could be a very big contributor to the Club renewing the lease at Dempsey, and even the Padang in the future.

The second aspect of junior cricket that we have sought to work on is selection for the senior teams as regular players and not just to fill out an XI. We had 26 JSMs play league cricket this season and only one did not get at least two matches (and this was a player who played one game during holidays while studying abroad).

Fifteen of those 26 played more than five games and this compares favourably to 2014 when we had an extra team in Pumas and the Muruthis and Chris Janik were still JSMs. A massive part of this has been the willingness of the Captains to adopt the youngsters into their squads and give them every chance to succeed. They should be congratulated for this approach and with that help we have been able to uncover some very promising young players.

IN CONCLUSION

We coped well in a difficult season away from the Padang, with a great team spirit throughout the Section. As always, there are many thank yous to make:

- Firstly to my Committee who were all fully committed to their roles and made my life that much easier. Dene Border, in his first year as Captain of Cricket, put in far more than anyone could reasonably expect in a full-time, let alone volunteer role.
- I would like to record my thanks to Ben Gliddon, who is stepping down after two years as Tours & Fixtures Secretary, a thankless task, particularly this year without the Padang and Kallang for most of the season.

- All six league Captains were new this season and embraced their roles wholeheartedly. They deal with regular changes to their starting XIs every week, which can be extremely frustrating and takes a high degree of flexibility in strategies and tactics.
- The role of the scorer often taken for granted – the fact we have four accomplished scorers that turn up for us regularly is extremely fortunate. Lorraine Meyer, Tracy Jones, Sarah Seabright and Sadiq Tanoli are our unsung heroes. A special thank you to Tracy, for also being the manager of the Lions team and as always being there to help with just about anything happening within the Section.
- Nick Dorney who reinvigorated Bails after the publication had been dormant since the departure of Push Sharma. This resource is invaluable in connecting the Section and the effort you poured into it was tremendous. A great mix of information and humour, and I look forward to seeing it continue in 2016.
- Rashed, Minuddin and the rest of the SCC ground staff for their early season work at the Padang, preparing good wickets for multiple trial games in the same weekend as well as two Lions fixtures. Subsequently, they did excellent work at the redeveloped Dempsey ground which has hosted a huge volume of cricket this year, including first division.
- The Sports Department under the leadership of Janet Ng. In particular, Wendy Foo and Thipa Mogan whose work behind the scenes is immense. The amount of organisational work these ladies do with their team is scary and it is a wonder other clubs manage to function without that kind of support. Never a complaint despite the many and varied tasks we set them.
- Thanks as always go to the Club Management, under the leadership of Nigel Stearns.

At the Darts AGM held on 7 May 2015, the Darts Section Committee (DSC) Members were elected to their respective post to plan and execute a programme of activities designed to maintain and promote interest within the Section.

Thank you SCC President, Capt. Baldev Singh for gracing the AGM, Chairman GCB Mr Richard Stapley-Oh, GC Members Ms Joyce Foster, Mr George Abraham and Mr Anwar Gaffoor and former Chairman GCB Mr. T. Ravi Chandran for attending.

DARTS NIGHT

The Darts Night is held on the first Thursday of the month and attendance has improved tremendously from previous years, partly due to the significant increase in Section membership – the highest for the past 10 years.

DARTS TRIANGULAR

The year started with a bang as SCC hosted the Darts Triangular on 31 January against NUSS and SGCC. Each team played approximately 15 games in each category – Men's Singles/Doubles, Ladies' Singles and Mixed Doubles. NUSS won this year with SGCC in second and SCC, third.

LO HEI

The Section welcomed the Year of the Goat with a strong turnout of 40 attendees for some friendly games and 'Lo Hei' at The Oval.

FRIENDLY GAME WITH BRITISH HIGH COMMISSION

15 Darts Members went to the British High Commission (BHC) on 20 March for a return match of Men's Singles/Doubles, Ladies' Singles/Doubles and Mixed Triples. Although SCC did very well, the final score was 14-11 to BHC. Thank you, John Lally (BHC) for organising and making it a memorable game for both teams to foster great camaraderie.

Annual Ladies' Darts Night

ANNUAL LADIES' DARTS NIGHT

Held on 4 June, this is a night to be remembered by most ladies at SCC! With an overwhelming response of 10 teams participating, Cricket, Squash and Tennis fielded two teams each, while Balut, Bridge, Netball and the SCC staff fielded a team each.

Our male players, Raymond Ambrose, John Spackman, Philip Ng, Mohan Balagopal and a special guest from Australia, Robert Bulluss greatly supported the event with scoring.

The event was filled with many competitive moments as teams put up a good fight. Lynn Wilson representing Netball received the highest score of 132 and won a bottle of wine.

Congratulations to the Squash Crushers, winners of the evening, followed by Cricket, Netball and Squash Tarts in second, third and fourth place.

Many thanks to our generous sponsors from Life Spa, Epi Treatz, Atos Wellness and Real Yoga for their exclusive treats for our ladies and Avatar Wellness Complete, Genevieve Chase, Smith's Fish & Chips and the Section Committee for sponsoring the prizes. Thank you, Rajan Menon (Pernod Ricard) for the bubbly.

ANNUAL DARTS INTERSECTION BULL'S EYE TOURNAMENT

With skills and flair of international darters, SCC President Capt. Baldev Singh and GC Members Ms Joyce Foster, Mr Parasuram Krishnan and Mr George Abraham flight their darts perfectly at the balloons to commence the tournament.

This tournament had been very well supported by the Sports Sections and in 2015, 11 teams participated with keen competitive spirit. Balut, Cricket and Tennis fielded two teams each, while Billiards & Snooker, Bowls, Bridge, Netball, Soccer and Squash were each represented by a team. We also had a team from the GC, comprised of Joyce, Para and George.

The teams competed convivially with the Darts Section there to assist and support them. Everyone had a great time especially with the generous flow of beverages and good food. Needless to say, the imbibing was encouraged to ensure the flight of the darts towards the bull's eye was smooth and effortless.

The Soccer Section emerged champions again with Squash as runners-up and Balut, third.

Muchisimas gracias to the SCC President and GC Members who graced the event and all Sports Sections for participating so enthusiastically and making this tournament another huge success.

8TH SCC ANNUAL SPORTS AWARD

Philip Ng was awarded 'Spirit of Sport' for the Section and a truly deserving one as he took ownership and pride in his responsibilities and delivered them well. The Section Committee appreciates his great captainship and how he successfully planned and executed the various tournaments.

The Section was awarded 'Sports Initiative of the Year' for its efforts in organising various intersection events such as the Annual Darts Intersection Bull's Eye Tournament and the Ladies' Darts Night. This is the most prestigious award the Section has ever won in SCC, and it would not have been possible without the effort and commitment by the Section Committee.

ANNUAL POT GAMES 2015

After a week of some serious training at the Men's Bar (thanks to Section Captain Anthony for the motivation and barman, Chris for putting up with our frequent demands for sustenance) the stage was set for the Annual Pot Games.

Men's Singles: John Spackman, Sebastian Williams and Paul Foster won their respective games 2-0. Highlights included a 'bull' checkout for Sebastian and '180' for Paul.

SCC darters at the Annual Pot Games

Ladies Singles: Shelia played some terrific darts winning 2-0. Fathima however, went down 2-1 but with a fantastic effort of a '76' finish.

Men's Doubles: Sebastian Williams and Paul Foster won 2-1 while John Spackman and Graham Wilson narrowly lost 1-2 with plenty of friendly banter.

Finally, our Welsh duo, comprised of Anthony Houlahan and Lynn Wilson, and Graham Wilson and Genevieve Chase represented the Club in Mixed Doubles. The team from 'the Valleys' won 2-1, while Graham and Genevieve lost 1-2.

The final results placed SCC as overall winners with a 15-8 score. Credit goes to everyone who came to compete against The Tanglin Club and thank you to our supporters from the Section for their presence. The team worked really hard for this win, practicing almost every other day at the Men's Bar. With our determination, we came back strong and contributed to SCC's overall win at the Pot Games.

TOUR TO THAILAND (By Genevieve Chase)

2015 ended well with 10 Members travelling to Bangkok for a tournament against the Thailand Darts Association (TDA).

TDA hosted a day of friendly and strong competition with Singles and Doubles. Despite putting some practice sessions pre-event, and throwing some superb darts on the day, we found ourselves up against a well-drilled Thai team that included national players with what might have been Olympic representation. Nevertheless, Shelia caused the biggest upset of the afternoon in beating one of their strongest players 2-1 in a game of 501.

After the competition, the Thais provided us with tips to help us improve on our techniques and the afternoon continued with more social games and challenges.

YEAR END PARTY

A time for the entire Section to get-together, the Year End Party, themed 'Rockstar' was held at the Gilmour Room with close to 50 attendees, including past presidents Col. Guru and Mr Manu Bhojwani.

Games were organised by Mohan Balagopal with the best Dressed Snowman as the highlight. Philip Ng, with the longest red nose, won. The evening was filled with happiness as everyone participated in the game.

Bangkok tour

The 'Rockstars' at the Year End Party

A special token was presented to Bianca (MSD), Ahmad (The Oval) and Chris (Men's Bar) for rendering their services to the Section.

A lucky draw was held with winners walking away with fantastic travel vouchers.

Amy Bondi, Singapore's 'Tina Turner' rocked the dance floor and entertained us with her great voice and music.

Sincere thanks to our Chairman GCB and GC Member Ms Joyce Foster for attending our event and showing their support to the Section; Raymond Ambrose, Soma Devi, Shelia Nagiah, Mohan Balagopal for donating prizes for the lucky draw; Sally Brenchley, Mohan Balagopal, Philip Ng and Soma Devi for organising and ensuring the party was a success; and our sponsors Mr Rajan Menon (Pernod Ricard) for the booze and Atos Wellness for their spa vouchers.

CONCLUSION

Darts Section is blessed with a fantastic Committee continuously working hard for the Section and ensuring all planned events goes smoothly. We have achieved our goals for 2015 winning an award at the Sports Awards and Pot Games. We had a great opportunity to play with international darters in Thailand and bring back the spirit of Darts to SCC.

The Section Committee would like to place on record its gratitude to all Section Members who have in one way or other contributed to the continued success of the Section.

Mention must also be made to the Club staff from F&B – Mr Daljeet Singh, Ahmad and Daniel and from MSD – Bianca, Gail, Zaini. Special gratitude to Chovin and Becky, General Manager Mr Nigel Stearns and the Sports Department, especially Janet and Thipa, for their contribution to the success of the Section. The Section is indeed very grateful to our past Presidents Col. Guru and Mr Manu Bhojwani who has supported every Darts Section event – Thank you!

SINGAPORE HOCKEY FEDERATION TOURNAMENT 2015

Hockey history was created at SCC in 2015 as both the men's and ladies' teams earned the Gold medal at the Singapore Hockey Federation (SHF) Division One National League. This has also been the most successful year for Hockey as the other SCC teams emerged in the following positions in their respective SHF League Competition:

- Men's 2nd Division emerged as Runner-Up
- Ladies' 2nd Division (4th Position)
- Men's 3rd Division (5th Position)
- Men's 4th Division (4th Position)

In the National Junior Division One League Competition, both SCC U19 boys and girls found themselves in a tough trial and were unplaced in the medal tally. However they have re-grouped themselves to perform better in the 2016 tournament by undergoing vigorous regular training at MOE Evans ground under the Club's Chief Coach Kanan. Both the boys and girls are poised for honours in the 2016 season.

HOCKEY LA-LIGA 2015

SCC XI retained their championship status once again at the Ladies' Hockey La-Liga 2015 Competition.

21ST SCC INTERNATIONAL HOCKEY 6S 2015

At the 21st SCC International Hockey 6s 2015, both the men's and ladies' teams managed to get a berth into the Cup competition semi-finals. However both teams lost to the eventual Cup winners in their respective semi-finals game. In the same tournament, SCC ladies' XI team Captain Catherine Wheeler was named the Ladies' Player of the Tournament. To sum up, a creditable performance by both the SCC men's and ladies' teams in the keenly contested Hockey 6s competition.

TRAINING

Trainings are conducted on Tuesdays and Thursdays at Delta and MOE Evans respectively from 8pm till 10pm under the supervision of Head Coach Kanan Packrisamy from True Blue Consultants Pte Ltd.

TOURS

The following tours were undertaken by the Section in 2015.

- Bangkok – RBSC Tournament in December
- Jakarta – ISCI Tournament in May

Singapore Hockey Federation Division One Champion 2015 - SCC Mens XI

FRIENDLY MATCHES WITH TOURING TEAMS

Between January to December 2015, the Club had friendly matches with the following touring teams.

- Mazenod College on 4 April
- Royal Air Force Hockey Association (UK) on 9 May
- Bradfield College on 3 July
- Kingswood School (UK) on 18 August

ANNUAL HOCKEY AWARDS NIGHT

The Section's Annual Awards Night was held together with the Section's Annual Dinner Night on 7 November 2015 at the Padang Restaurant. Awards were given away during dinner to deserving individuals in the Section.

YOUTH DEVELOPMENT

The Club has set up a Hockey Academy to groom young players for future development of hockey at the Club with Chief Coach Kanan overseeing the project. Currently about 38 kids between the ages of 6 to 16 are undergoing training regularly.

Netball Committee 2015/16

2015 has been by far the most challenging year for the Netball Section since our resurgence brought about by a myriad of factors – some good and some otherwise.

The year started very strong with an expansion of the Section, entering three ladies' teams into the SCC league but that soon changed. We saw the departure of half of our First Team players some with very exciting news of pregnancies and others having relocated to other countries.

We also lost our courts at SCC for most of the year which was a significant setback to the Section to keep trainings going at inconvenient locations and even dipping morale with socials becoming increasingly hard to organise. Coupling the loss of our courts with increased sports membership fees, we saw another wave of departures with players not being able to justify costs with the lack of facilities.

2015 was definitely a year of change as the old guard stepped down mid 2015 during the Netball AGM with fresh faces stepping up to steer the Section through troubled waters. Needless to say, the Committee was facing an uphill task to keep the Section together and keep enough players to field two teams in competitions. All was not lost last year and we saw plenty of good netballing action on and off the courts and great initiatives by the Section kept alive.

We managed to keep our JSM Carnival going despite having to conduct this off-site at Sengkang Community Centre while

our courts remained out of action. A highly successful event annually, it was no different this year with over 10 teams across the under 15s and 17s participating in the friendly competition.

The day saw some brilliant performances from the teams and most importantly great sportsmanship from everyone. This initiative started as a way to encourage youth netball in the Singapore scene and has also seen an increased interest, from Junior Sports Members in our Netball Section.

Our very own SCC League also expanded in 2015 to three divisions. This is another SCC-led initiative which kicked-off four years ago to provide more tournament playing time as the main league organised by Netball Singapore only lasts between six to eight weeks. The tournament has now seen significant growth and increased popularity with a format that stretches the season for three months allowing teams to hone their team play and strategies.

Our tours also carried on in 2015 with Bangkok in May and Bali in October. The Bangkok tour in 2015 had been the most successful yet, performance-wise. The SCC touring team walked away as runner-up in the yearly Club tournament organised by the Bangkok Southerners team. It was a great effort all round by the team from the senior players to our JSMs. The Bali tour was our first JSM tour – subscribed by nine of our very enthusiastic JSMs. This presented an opportunity for our juniors to hone their skills playing against some good overseas clubs.

TEAM REPORTS

HAWKS

The Hawks came into 2015 with a number of new players with very strong team skills. The SCC League leveraged as a warm-up leading into our main National League providing a good training ground for the team to gel. While always finishing on the podium, the Hawks failed to clinch a title here.

The start of the National League in 2015 was postponed till July instead of the usual date in late May due to the SEA Games. In that space of time, the Hawks started losing players from pregnancies to relocations.

We entered the League with many changes in the team again and this proved challenging for a team that was gelling well in the lead up to the National League. The Hawks ended the season mid-table but with much drive to come back stronger in 2016.

EAGLES

The Eagles had a great year in 2015 clinching medal position in the SCC League. Made up of a mix of very young and some very senior players, the team balanced themselves well and breezed through the season to the second spot.

The changes in the Hawks for the National League inevitably affected the Eagles who had to feed players to the Hawks. They too started the season with a new team that needed to gel very quickly. Picking up some great wins during the tournament, the team ended up wrought with injured players and also ended up mid-table at the end of the season.

FALCONS

The SCC Falcons, our mixed team, only had one season in 2015, the Mixed Social League. Playing in Division 1 of the league, the team was off to a great start with a squad of players sometimes being over-subscribed. As the league progressed, we struggled for male players and had to forfeit some games. But the team put up a great performance with some strong female players in the mix and great play from the men as well.

Bangkok Tour

We also witnessed less tournaments organised as Netball Singapore focused its time and resources on the national team with the SEA Games and Netball World Cup held in 2015. It was a year of consolidation all round for the Netball Section. However, with the commitment of our coaches, we saw improvements in the teams' game play raising the bar as we moved into 2016.

At the same time, we'd like to recognise the efforts of and thank the SCC Sports Department, specifically Thipa Mogan and Janet Ng as they continued assisting the Section and doing a fantastic job of the increased logistics coordination throughout 2015 when we lost our courts at the SCC. Special thanks also go to our Chairman, Games Control Board, Richard Stapley-Oh, and Members of the General Committee who have supported the Netball Section.

With our courts back at SCC and a renewed vigour within the Section, the Committee is focused on growing the Netball Section in 2016 from creating a winning team to enhancing integration of the Section within the Club. We look forward to a better year in 2016 and welcome the support of the Club in pursuing our objectives for the year.

Rugby Committee 2015/16

In 2015 Rugby Section has continued the development of its leadership and coaching teams with a focus on developing junior rugby (ages 16 to 23), especially bringing young Singaporean players into the Section. The Section has benefited from this by being able to field teams with a great mix of combined experiences, ages and backgrounds. The sporting results have been outstanding.

The beginning of 2015 saw the SCC dominate the Singapore Men's League, with an unprecedented all Black and Gold final on 7 February, with four SCC teams in the Conference, Championship and Premiership finals. The Societe Generale SCC Lions and Tankards came out victorious, with the Societe Generale SCC Prems missing out narrowly 8-14 to Wanderers.

The post-season was the time of touring. A strong 10s side flew to Hong Kong in March with some great results for the squad, although the Chinese Army 7s squad put an end to their ambitions.

June saw the Societe Generale SCC Nomads travel to Vietnam for the Club's debut tour, to play the Saigon Geckos. The Geckos put up a good effort but couldn't hold out against the Nomads finest XV.

In July, Singapore rugby saw the birth of a brand new force – the Societe Generale SCC Colts. The brand new Under 23 side, put together by long-time SCC Members Suhaimi Amran and Bryan Lim, stormed into the rugby scene winning the SRU Youth Club Sevens tournament. The Colts are one of the most important developments in this Club's rugby history as they draw on a previously under-tapped pool of young Singaporean players from all walks of life. They also provide an important bridge from the SCC Academy into the senior teams, making the Club a rugby club for all ages.

September saw the annual Hong Kong tour to play Valley (and Hong Kong Football Club's tour to Singapore) which turned into a particularly bruising encounter, with only our Growlers side really looking like they could clinch a win. It was clear that the standard of club rugby in Hong Kong keeps getting better, and it's a lesson for all clubs in Singapore, especially ours, that we really need to up our game to stay competitive in the higher levels of Asian rugby.

SCC emerged Plate runner-up at the 68th edition of the Societe Generale SCC 7s

By October, the Singapore men's season started, under a new format. With five teams in the competition, the SCC along with the other big clubs were really stretched. This took a toll on reigning Conference Champions, the Lions who, with the Club's younger players playing Colts, and a number of their players being required to fill in in the higher grades, had a rough time of it.

The Premiers had an interesting start to the season; despite losing one pool game to last year's champions Wanderers, the Premiers pulled out a cracking win in the Cup final to beat the same Wanderers team on 4 December, 18-0.

In the Conference League, the Societe Generale SCC Growlers have really come together as a squad this year, and narrowly missed winning the Conference title in a close final against Wanderers.

The Societe Generale SCC Tankards beat Oldham and won the Championship, league and shield for the third year in a row.

Last but not least, the Societe Generale SCC International Rugby 7s, in its 68th Edition, had been another great event of high quality rugby, with awesome development teams joining the show such as England, France and South Africa.

The Societe Generale SCC 7s team achieved great result by reaching the Plate final for the first time in many years, unfortunately losing to the national Papua New Guinea side. It was a great achievement by the players and the coaching team of Matt Singer, Casey Mee and Simon Etheridge.

The Rugby Section wishes to thank the Club, its staff, the General Committee and the Games Control Board Chairman who have been very supportive in this very busy and successful year.

Soccer Committee 2014/15

The Section had an outstanding year in 2014/15 with all of the teams being strong and competitive.

The First Team continues to go from strength to strength and has been playing friendly matches against S-League opposition and more than holding their own. They retained the Cosmo League and League Cup and remain the team to beat in both competitions.

The Tigers, managed by Luke Diaz, in the ESPZEN Division 1, will now function as a development squad team for developing young players for the First Team.

The Saturday SCC Strollers who play in the Equatorial Football League Division 1 under the leadership of Michael Drake, Ronnie Smollet, Bruce Loggie and Piers Bourke has also done well.

The Pads also had a strong year, culminating in the annual Henrik Lorenz Memorial game in Phuket. I would like to thank everyone involved with what was considered the biggest and certainly most “emotional-fun” tour to Phuket by all accounts. Each and every one of them conducted themselves with huge credit to the club in relation to the Youth Football Home (YFH) orphanage and their amazing kids.

Sadly the Pads lost the match 2-3 in what was an amazing game of football. We took our 26 squad members (fit and injured) to Phuket and 23 played and contributed 110%. The Pads came back from 0-3 to almost do the impossible and steal a draw against what was probably the strongest HKFC team that has been sent to Phuket.

A special mention to Glyn for managing the team throughout the year and I hope we can retain the trophy in the coming weeks.

The spirited Lions team is run by Terk Lee and assisted by Tony Moore to ensure that Thursday night football is competitive and enjoyable.

SCC International Soccer 6s 2015

SCC U16 vs Hougang Prime League

Aman Bajaj and Vincent Lawrence enjoyed a successful year as can be seen by their regular after-match celebrations on Wednesday nights.

The NFL Team under the astute leadership of Chris Pereira managed to finish their season undefeated and in turn were promoted from the NFL Division 2 league. A great achievement but all involved. We will be looking to strengthen the squad next year in Division 1.

The Youth Academy run by Owen Monaghan continues to run well in the hope that the SCC is already training our future stars of the Padang! I would like personally to thank Owen for running the First Team as well as for all the boundless energy and enthusiasm he puts into the job week after week, alongside his management team of Luke Diaz and Andrew Hutcheon. I am sure everyone would agree that Owen and the team have done a fantastic job in recruitment numerous high quality players for the SCC.

TOURS

We sent two teams to this year's Soccer Sevens in Hong Kong to participate in the Hong Kong Football Club (HKFC) tournament. Our Open Team performed well against very strong opposition, including Manchester City. The team eventually lost out to HKFC in the quarter final of the plate competition on penalties.

The Masters Team did very well under the management of PJ Roberts; only losing out to Wallsend Boys Club 1-0 in the semi-finals. We enjoy this tournament immensely and look forward to participating again in 2016.

SCC SOCCER SIXES

This tournament has evolved over the previous years and is now regarded as one of the marquee sporting events of the Singapore Cricket Club as it continues in its aim to raise the profile and standards of Asian football, aided by the introduction of professional teams from around the globe. The aim of this competition is to highlight the many talents of Asian football, and its promising young players; all within the format of six-a-side football.

This year saw the SCC enter three teams in the Open tournament; Firsts, NFL and the newly formed U18 team. They were joined by local Singaporean teams as well as teams from Hong Kong, Thailand and Malaysia.

The Masters Tournament had two SCC select teams that were joined by 14 other teams which included many former international players including Lee Sharpe and Aleksandar Duric.

The Youth Tournament was inspired by the late Henrik Lorenz, a dear friend of the SCC. Henrik founded the Youth Football Home in Phuket which became the first team to take part in the Soccer 6s Youth Tournament.

They were joined by Phnom Penh Crown Club, winners of the last two editions of the Soccer 6s with a chance at an historic "three-peat", and last year's finalists Youth Football Home (Phuket). The YFH Phuket also created history by including three girls in their 2015 squad.

SCC Firsts, Cup Winners at the SCC International Soccer 6s 2015

The other teams who participated were the Bali Sports Foundation, Rumah Faith Malaysia and the Muhammadiyah Welfare Home from Singapore. Most of these children come from underprivileged backgrounds and many have never travelled beyond their own villages, let alone abroad, so to them, this was an experience of a lifetime.

The Youth Tournament was eventually won by the YFH Phuket against Muhammadiyah Welfare Home 4-0.

The Masters Tournament was eventually won by CLA All Stars against Club ITE 4-2.

The Open Tournament was eventually won by SCC Firsts against Kwarta FC for the club's inaugural win in their own tournament.

Finally, I give my sincere thanks, on behalf of the section, to all parties who had made the tournament possible. The very kind sponsors C. Melchers GMBH & Co. for Raymond Weil, Creative Lighting Asia and Asia Pacific Breweries for their belief and support, the Tournament Organising Committee for all the hard work and time they sacrificed over nine months, the General Committee, the committed staff of the Singapore Cricket Club to support the Committee along every turn, the volunteers throughout the Tournament and lastly to the participants and team representatives. It was a truly great tournament and we now look forward to our 2016 event later in the year.

Thanks to everyone involved in running the football teams at the SCC and special thanks to the Sports Department who do a superb job in organising our facilities every week.

SCC Tigers - Colin Gunn (16 years old)

Just wanted to thank the Section Committee for their support the last year and to all the staff at the SCC who do all the work to allow us to play. A special thanks indeed to Owen, Matt, Ronnie, Dom, Rodd and Ravi who did so much work behind the scenes to help me. A real team dedicated to the SCC.

Finally, as this is my last update to the Section, I wanted to reiterate our key goals, that is:

- To have strong, competitive teams in the weekend NFL/ Cosmo/ESPZEN/Equatorial Leagues and to maintain the social fabric of the Section through midweek SCC Lions, Pads and Thirds Teams;
- To fulfil Interport fixtures and tours;
- To run a Sixes Tournament that has economic viability;
- To have a successful Soccer Academy with the develop youth for progression into all of our squads

Squash Committee 2015/16

Squash's year starts in January with the usual dash to get teams submitted to Singapore Squash for the start of the National Squash Leagues. With 13 teams and around 100 players it is quite a feat to bring it all together.

We had teams in nine out of the 10 grades – three teams in Men's A, two in Men's C and two in Ladies' Division 1.

Results – The Men's A Grade emerged champions, which was a noteworthy achievement considering we spread our A graders out over three teams. The Men's B Grade also emerged champions. This was an especially sweet result since the team was mostly made up of juniors who only the year before had been C graders. We also got third place in the Men's C grade with another team of juniors who showed a lot of commitment to SCC, especially when they had exams during the latter half of the league. We thank all players and captains for their support.

Over 70 people attended our End of League Dinner in August at The Padang Restaurant. Our 2015 Club Champion is Vivian Rhamanan and runner-up, Anders Yeo. Division 1 winner was Sandip Talukdar and runner-up was Wilfred Walsh. Thanks to Robbie Lyons for organising this event.

Socially we hosted the Hollandse Club in August winning back The Orange Bowl. We were away to The British Club in September and The American Club. The result was a win against The British Club and a loss to The American Club.

The Cosmo League ran from August through to November and this year we came third.

In April we hosted a schoolboy team from Kearnsey College from South Africa who were on an Asian Tour.

World Squash Day was in October and we did our usual fun games over the afternoon.

The Annual Pot Games against Tanglin Club was in October, which we won.

Squash participated in the inter-section events – Ladies' Darts which we won, came in second at the Inter-section Darts Competition and won the Annual Inter-section Quiz Night. We also played the annual Squash versus Cricket Sat X1 cricket match at Dempsey.

In March we welcomed teams from Calcutta Rackets Club (CRC) and Madras Cricket Club (MCC) for the 21st Triangular Cup Tournament. It was a very busy weekend and we managed to win the Cup beating CRC 4-3 and MCC 5-2.

In May we sent five teams to the HKFC 3s Teams Tournament, and then in September we embarked on our first ever tour to China choosing Shanghai as our destination. We had 15 players and four supporters and played two matches against local clubs who had very enthusiastic players.

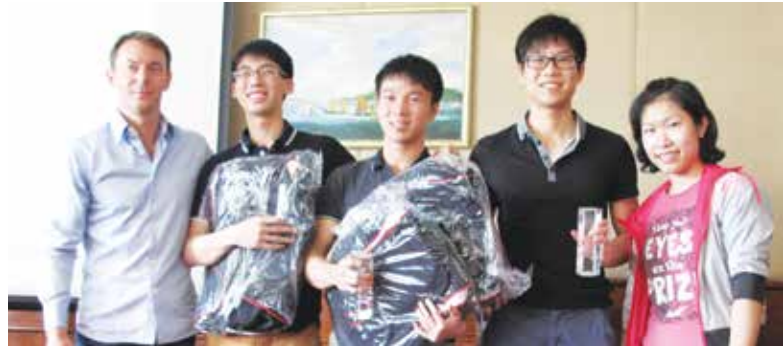

Mao Shi Yuan & Bryan Koh at the SEA Games

In November after about three years we managed to get Royal Selangor Club down for our interport match playing for the Chiam Tow San Trophy. They brought a team of familiar faces and some juniors. We won the matches 5-2.

The highlight for sports in Singapore last year had to be the 28th SEA Games in June. SCC was represented in squash by Joannah Yue, Vivian Rhamanan, Mao Shi Yuan and Bryan Koh. Vivian was one half of the Gold medal winning Jumbo Doubles team, while the men's team won Silver and Bryan an individual Bronze. The ladies won a team Bronze and Shi Yuan an individual bronze medal. Not long after the SEA Games finished, Vivian announced his decision to turn professional. This makes him the only full time squash player in Singapore.

Squash was very lucky this past year compared to almost every other sport played at SCC – we still had our courts and were able to complete our full agenda of events and Section activities.

Tennis Committee 2015/16

2015 was not an easy year for the Club especially for the Tennis Section as the National Day celebrations took centre court, in fact all our courts. We did try and carry on as best as we could at our temporary venue at Savitar Tennis Centre (Fairmont Hotel) made available for us but it just was not home and we did see the numbers for our Friday night social dip slightly. However, we thank everyone for their patience.

Early in the year we bid farewell to the grass courts where the members had their last hit on the surface as when we get the courts back, our new artificial surface would be laid. There was some sadness among the Members as the grass would be replaced due to increasing difficulty to maintain. With the courts being closed for maintenance for approximately 12 weeks a year, we desperately needed a new surface.

We also had to cancel our tour to Bangkok this year due to the turmoil in Thailand earlier this year. Also in December, an SGM for the Tennis Section was held as Fiona Pilling (Tennis Convenor elected on 25 August 2015) was leaving the Club and had to step down. After doing such a great job while in the position it was not easy to replace her and we wish her well in the future.

While the Tennis action may have been limited on the courts this year we did manage to meet-up for a couple of evenings to watch the Australian Open and Wimbledon at Stumps. Many thanks to the Committee Members on hand for organising.

The WTA final was also held in Singapore for the second year and this event certainly creates a buzz and can only be good for the sport in Singapore. As we continue with our junior programmes one would hope that one day we will have a representative not only from Asia, but Singapore.

However despite the lack of courts the club managed some successes.

Momentary farewell to our tennis courts to make way for the 50th National Day celebrations!

Melissa Pine whipping the juniors into shape!

HIGHLIGHTS FROM THIS YEAR'S TENNIS SEASON

- We welcomed some new lady juniors to the Singapore Cricket Club tennis team and in their debut tournament in the inter-club Singles league, we are glad to mention that the junior-adult combination led to the runner-up position in the Ladies' B Singles league.
- The Ladies' A team overcame the haze and multiple delays to emerge runner-up in inter-club Doubles
- We won the Annual Pot Games against Tanglin Club.
- The Men's A emerged as runner-up in the inter-club Singles.
- Wee Khee Yen, our junior also represented Singapore in the SEA Games in June last year.
- The Tennis Section also attained some honourable mentions at the SCC Annual Sports Awards, with Wee Khee Yen named Sports Girl of the Year and Nilma Missir-Boissac Sports Woman of the Year.

The new surface is already up and running at the point of writing and hopefully new lights on the multipurpose courts will mean we can fully get back into the swing of things in 2016. We have started looking at a full calendar for 2016 with tours, friendlies and the reintroduction of the Club championships. Please keep an eye on the bulletin board for updates.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SINGAPORE CRICKET CLUB

Report on the Financial Statements

We have audited the accompanying financial statements of Singapore Cricket Club (the "Club") which comprise the statement of financial position as at December 31, 2015, and the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, as set out on pages FS4 to FS32.

General Committee's Responsibility for the Financial Statements

The General Committee is responsible for the preparation and fair presentation of these financial statements in accordance with the Singapore Financial Reporting Standards and the Societies Act, and for such internal control as the General Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the General Committee, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SINGAPORE CRICKET CLUB

Opinion

In our opinion, the financial statements are properly drawn up in accordance with the Singapore Financial Reporting Standards so as to present fairly, in all material respects, the financial position of the Club as at December 31, 2015 and the financial performance, changes in funds and cash flows of the Club for the year ended on that date.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the regulations enacted under the Societies Act to be kept by the Club have been properly kept in accordance with those regulations.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

1 GENERAL

Singapore Cricket Club (the “Club”) is registered under the Societies Act with its principal place of business and registered office at Connaught Drive, Singapore 179681. The financial statements are expressed in Singapore dollars.

The principal activities of the Club are to promote and carry on a sports and social club for its members.

The financial statements of the Club for the year ended December 31, 2015 were authorised for issue by the General Committee on March 11, 2016.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The financial statements have been prepared in accordance with the historical cost basis except as disclosed in the accounting policies below, and are drawn up in accordance with the Singapore Financial Reporting Standards (“FRS”) and the Societies Act.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Club takes into account the characteristics of the asset or liability which market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except for leasing transactions that are within the scope of FRS 17 *Leases*, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in FRS 2 *Inventories*, or value in use in FRS 36 *Impairment of Assets*.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

ADOPTION OF NEW AND REVISED STANDARDS - On January 1, 2015, the Club has adopted all the new and revised FRSs and Interpretations of FRS ("INT FRS") that are effective from that date and are relevant to its operations. The adoption of these new/revised FRSs and INT FRSs does not result in changes to the Club's accounting policies and has no material effect on the amounts reported for the current or prior years.

At the date of authorisation of these financial statements, the following FRSs are relevant to the Club were issued but not effective:

- FRS 109 *Financial Instruments* ¹
- FRS 115 *Revenue from Contracts with Customers* ¹

¹ Applies to annual periods beginning on or after January 1, 2018, with early application permitted.

Consequential amendments were also made to various standards as a result of these new/revised standards.

The Club anticipates that the adoption of the above FRSs in future periods will not have a material impact on the financial statements of the Club in the period of their initial adoption.

FINANCIAL INSTRUMENTS - Financial assets and financial liabilities are recognised on the Club's statement of financial position when the Club becomes a party to the contractual provisions of the instrument.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period. Income and expense is recognised on an effective interest rate basis for debt instruments other than those financial instruments "at fair value through profit or loss".

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Financial assets

All financial assets are recognised and de-recognised on a trade date where the purchase or sale of an investment is under a contract whose terms require delivery of the investment within the timeframe established by the market concerned, and are initially measured at fair value, plus transaction costs except for those financial assets classified at fair value through profit or loss which are initially measured at fair value.

Loans and receivables

Members' account and other receivables which have fixed or determinable payments that are not quoted in an active market are classified as "loans and receivables". Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest method, except for short-term receivables when the recognition of interest would be immaterial.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at the end of each reporting period. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been impacted.

For all financial assets, objective evidence of impairment could include:

- significant financial difficulty of the issuer or counterparty; or
- default or delinquency in interest or principal payments; or
- it becoming probable that the borrower will enter bankruptcy or financial re-organisation

For certain categories of financial assets, such as members' account receivables and other receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Club's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 30 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of members' account and other receivables where the carrying amount is reduced through the use of an allowance account. When a member's account or other receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and at bank and deposits with financial institutions that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

Derecognition of financial assets

The Club derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Club neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Club recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Club retains substantially all the risks and rewards of ownership of a transferred financial asset, the Club continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities

Financial liabilities are recognised when the Club becomes a party to the contractual agreements of the instrument.

The Club's financial liabilities include members' deposits and trade and other payables.

Trade and other payables, which represent the fair value of consideration for goods and services to be paid in the future, whether or not billed to the Club, are recognised initially at their fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest method, except for short-term payables, where the recognition of interest would be immaterial.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Derecognition of financial liabilities

The Club derecognises financial liabilities when, and only when, the Club's obligations are discharged, cancelled or they expire.

INVENTORIES - Inventories are stated at the lower of cost and net realisable value. Cost is calculated using the weighted average cost basis. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

LEASES - Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Club as lessee

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The Club as lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised as an expense over the lease term on same basis as the lease income.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

PROPERTY, PLANT AND EQUIPMENT - Property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation is computed utilising the straight-line method to write-off the cost of these assets over their estimated useful lives as follows:

Leasehold land - Clubhouse	30 years
Leasehold office properties	27 to 36 years
Clubhouse	Over the period of the lease
Kitchen, restaurant and bar equipment	1 to 5 years
Clubhouse renovations	5 years
Air-conditioning systems	5 years
Sports and ground equipment	5 years
Furniture and fittings	5 years
Fruit machines and accessories	4 years
Computer equipment	3 years
Other office equipment	5 years
Motor vehicle	10 years

The cost of leasehold office properties include a land component which has a useful life of 999 years and is treated as a freehold land and not depreciated.

The estimated useful lives, residual values and depreciation method are reviewed at each year end to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from fixed assets. The effect of any changes in estimate is accounted for on a prospective basis.

Construction-in-progress is stated at cost. The accumulated costs will be reclassified to the appropriate property, plant and equipment account when the construction is substantially completed. Depreciation of the asset commences when the asset is ready for its intended use.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

For acquisitions and disposals during the financial year, depreciation is provided from the month of acquisition to the month before disposal respectively. Fully depreciated assets still in use are retained in the financial statements. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognised in profit or loss.

IMPAIRMENT OF TANGIBLE ASSETS - At the end of each reporting period, the Club reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Club estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the recoverable amount of an asset (cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

PROVISIONS - Provisions are recognised when the Club has a present obligation (legal or constructive) as a result of a past event, it is probable that the Club will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

REVENUE RECOGNITION - Revenue includes subscription fees, food and beverage revenue, sports and recreation, revenue from fruit machines and other revenue.

Revenue is recognised when the significant risks and rewards of ownership have been transferred to the members and the amount of revenue and the costs of the transaction can be measured reliably. Revenue excludes goods and services taxes and is arrived at after deduction of trade discounts. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible returns of subscription fees.

The basis of recognition of revenue is as follows:

(i) Subscription fees

Subscription fees are billed one month in advance and recognised as revenue in the following month.

(ii) Food and beverage

Food and beverage are recognised as revenue when the food and beverage are consumed or services performed.

SINGAPORE CRICKET CLUB

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(iii) Sports and recreation

Sports and recreation are recognised as revenue when events are organised or services are rendered.

(iv) Member transfer fees

Member transfer fees are recognised as revenue in the year in which the transfer of membership is affected upon approval of the member by the General Committee.

(v) Revenue from fruit machines

Revenue from fruit machines is recognised based on gross receipts less the relevant government taxes, payment of winnings, hopper refills and expenses.

(vi) Entrance fees and conversion fees

Entrance fees and conversion fees are recognised as revenue when the new membership is effective upon approval of the member by the General Committee.

(vii) Interest income from fixed deposits is accounted for on a time-apportioned basis.

(viii) All other items of income are recognised as revenue when the services are performed.

RETIREMENT BENEFIT COSTS - Payments to defined contribution retirement benefit plans are charged as an expense as they fall due. Payments made to state-managed retirement benefit schemes, such as the Singapore Central Provident Fund, are dealt with as payments to defined contribution plans where the Club's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan.

EMPLOYEE LEAVE ENTITLEMENT - Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2015

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

INCOME TAX - Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from surplus as reported in the statement of profit or loss and other comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Club's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited to profit or loss.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Club intends to settle its current tax assets and liabilities on a net basis.

Current and deferred taxes are recognised as an expense or income in profit or loss.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Club's accounting policies, which are described in Note 2, the General Committee is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (cont'd)

(a) Critical judgements in applying the Club's accounting policies

The following are the critical judgements, apart from those involving estimations (see below), that the General Committee have made in the process of applying the Club's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Government Receivables

The Club has recognised a reimbursement amount of \$1.36 million from the Government of Singapore as other receivables (Note 7). This is for the reinstatement of the Padang Field to its original state before the SG50 National Day Parade. The reimbursement amount approximates the cost and does not extend the useful life of the field. Accordingly, there is no impact to the property plant and equipment and profit and loss during the year.

(b) Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Useful lives of property, plant and equipment

Property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives. The General Committee estimates the useful lives of these property, plant and equipment to be within 1 to 36 years. The carrying amount of the Club's property, plant and equipment at December 31, 2015 was \$24,197,402 (2014 : \$24,312,616). Changes in the expected level of usage could impact the economic useful lives and the residual values of these assets and therefore future depreciation charges could be revised.

Allowance for doubtful debts

Allowance for doubtful debts are made in the financial statements based on management's best estimate of the carrying amount of receivables that are doubtful of collection after evaluation of collectability. The General Committee's judgement is required in assessing the ultimate realisation of these receivables including the current creditworthiness and the past collection history of each member. Where the expectation is different from the original estimate, such difference will impact the carrying value of the members' account and other receivables and doubtful debts expense in the period in which such estimate has been changed. The carrying amounts of the members' account and other receivables at December 31, 2015 were \$1,921,067 and \$2,312,184 (2014 : \$1,755,640 and \$466,038) respectively.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (cont'd)

(b) *Key sources of estimation uncertainty (cont'd)*

Income taxes

The Club recognises expected liabilities for tax based on an estimation of the likely tax due, which requires significant judgement as to the ultimate tax determination of certain items. Where actual liabilities arising from these issues differ from these estimates, such differences will have an impact on income tax and deferred tax provision in the period when such determination is made. Details of deferred taxes and income taxes are provided in Notes 12 and 24 respectively to the financial statements.

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT (cont'd)

(b) *Financial risk management policies and objectives*

The Club's overall financial risk management programme seeks to minimise potential adverse effects of the financial performance of the Club.

There has been no significant change to the manner in which it manages and measures the risk.

(i) Interest rate risk management

The Club's exposure to changes in interest risk relates primarily to the short-term fixed deposits with financial institutions. The interest rates for fixed deposits are disclosed in Note 5 to the financial statements.

No sensitivity analysis is prepared as the Club does not expect any material effect on the Club's profit or loss arising from the effects of reasonably possible changes to interest rates on fixed deposits with financial institutions at the end of the reporting period.

(ii) Credit risk management

The Club's principal financial assets are cash and bank balances, members' accounts and other receivables.

The carrying amount of financial assets recorded in the financial statements represents the Club's maximum exposure to credit risk.

Further details of credit risks on members' accounts are disclosed in Note 6.

Cash and fixed deposits are placed with creditworthy banks and financial institutions which are regulated.

(iii) Liquidity risk management

The Club maintains sufficient cash and cash equivalents and internally generated cash flows to finance its activities.

The Club ensures that there are adequate funds to meet all its obligations in a timely and cost-effective manner.

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT (cont'd)

(b) *Financial risk management policies and objectives (cont'd)*

(iv) Fair value of financial assets and financial liabilities

The carrying amounts of cash and cash equivalents, amount due from members and other current receivables and payables, provisions and other liabilities approximate their respective fair values due to the relatively short-term maturity of these financial instruments. The fair values of other classes of financial assets and liabilities are disclosed in the respective notes to the financial statements.

(c) *Capital risk management policies and objectives*

The Club reviews its capital structure at least annually to ensure that the Club will be able to continue as a going concern. The capital structure of the Club comprises only of accumulated fund. The Club's overall strategy remains unchanged from 2014.
