Singapore Cricket Club

Established 1852

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN THAT the Annual General Meeting of the Members of the Singapore Cricket Club will be held at the Clubhouse on Tuesday, 25 April 2017 at 6.30pm for the purpose of conducting the following business:

1. To confirm the Minutes of the Annual General Meeting held on Thursday, 28 April 2016.
2. To receive and, if approved, adopt the Committee's Report and Audited Accounts for the year ended 31 December 2016.
3. To elect a President, Deputy President, Chairman of Games Control Board, Finance Member and eight other Members of the Committee.
4. To elect Auditors and approve remuneration.
5. To transact any other business brought forward in accordance with the Rules of the Club.

The Notice of Annual General Meeting will be dispatched to the Members of the Singapore Cricket Club in accordance with the provisions of Club Rule 57(a).

By order of the Committee

A handwritten signature in black ink, appearing to read 'Alan Jones', written over a circular stamp or seal.

ALAN JONES
GENERAL MANAGER / SECRETARY
SINGAPORE CRICKET CLUB
1 April 2017

Nominations for election to the Committee must be completed on the prescribed form (in accordance with Rule 35) and must be received by the General Manager/Secretary no later than 5.00pm on Tuesday, 18 April 2017.

Registration of Members will commence at 6.00pm on Tuesday, 25 April 2017.

Minutes of the 2016 Annual General Meeting will be made available to Members upon request by post and/or be available to attending Members at the Annual General Meeting on Tuesday, 25 April 2017.

PRESIDENT'S REPORT

“ On behalf of the General Committee, it is my privilege to present to you the Singapore Cricket Club’s Annual Report and Financial Statements for the year ending 31 December 2016.

”

I would like to convey my sincere appreciation and gratitude to the Members of the General Committee (GC) who have so ably represented the best interests of the membership throughout their term of office in 2016/2017. The GC’s singular commitment to the Club’s history, culture and ethos is greatly valued. I would further commend them for their dedicated service and for their valuable and voluntary time spent on the business affairs of the SCC.

Members of the General Committee
elected for 2016/2017 were:

President

Mohan J. Bhojwani

Matthew C. Streeton

(Rules & Membership Subcommittee – Chair)

President Mohan J. Bhojwani giving a
speech at a New Members’ Election Night
at the Gilmour Room

President Mohan J. Bhojwani welcoming new members at the monthly New Members' Election Night

In accordance with established practice, portfolio responsibilities detailing specific objectives were assigned to GC Members, after which member volunteer subcommittees were formed providing a platform for dialogue with the wider membership at large. Standing Subcommittee Members were invited from multiple categories of membership and across a diverse range of professional disciplines to work closely with the GC as well as the Club Management to ensure the smooth and efficient operation of the SCC.

The Club's vision remains committed to its primary objective of sustaining its position as the "Premier Sports and Social Club in Singapore and the Region". Our strong sporting sections and deep social ambience combine to make our Club a special place for members to enjoy and cherish the environment that we all create as a Prestigious Private Members Club.

We must also maintain the traditions and values of the Club to recognise 165 years of history, at the same time we must do things differently and keep up with changes that impact us. Members feedback is a valuable tool to help stay abreast of members' needs, the GC and Management do listen and value greatly comments and suggestions in the interests of the Club and the benefit to the general membership. The GC keeps members posted through the Padang magazine, regular E-Blasts and the Club's website and has communicated on major happenings, done via GC updates to inform members.

Towards the end of 2016 a project has commenced to review the IT system for accounting, membership and a whole new approach to the F&B point of sale system; our current system is more than 10 years old and is in need of an upgrade. We are reviewing three shortlisted providers of systems specifically built for clubs and we plan to invest in an off-the-shelf system, rather than a more expensive custom built one. The new system, due for implantation by mid-2017, will provide productivity improvements and the investment cost to be justified on manpower savings and improved service to members.

An organisation realignment project has commenced to streamline management and to mould an effective team of professionals with the objective of having "a well-run" professional management organisation. A number of cost cutting initiatives have begun where a number of full time positions have been combined and/or eliminated resulting in savings of around \$200,000 for the full year of 2017. Existing policies and work flows have been revamped to improve productivity and efficiency across the Club. Most importantly, it is done to enhance members' experiences at the Club.

Even though the Club is not a profit driven entity, there is a bottom line to take care of and economic factors come into play as we run the operations. Revenue improvement measures are in place, such as the appointment of a full time Membership Sales Manager that has seen a welcome increase in new members joining the SCC family. F&B are taking new initiatives to offer members more attractive promotions and improved service levels at the outlets to enhance members' experiences. Again a highly successful SCC Night Race Fiesta was held, generating much needed revenue and delighting members who experienced this spectacular event.

Due to an unfortunate turn of events, we were without a General Manager for almost five months; on 1 August 2016 I was pleased to announce the interim appointment of Alan Jones as General Manager of the Club. Alan was a past GM of the Club for five years from 2007 to 2012; it was further felt that someone with prior involvement with the SCC be a useful consideration for this interim appointment. The incoming Committee will progress the appointment of a permanent General Manager.

President Mohan J Bhojwani at the 2016 SCC International Rugby Sevens with Ablitt Cup winners, England Academy

For a number of years now, we have a temporary storage structure on the Padang, located next to the cricket practise nets and the compressor chillers. This storage is used to house the equipment needed to maintain our iconic Padang field. Members will have noticed the government's investment and upgrade of the historic civic district over recent times. In keeping with the upgrade, The Urban Redevelopment Authority (URA) are collaborating with us to tear down the temporary tent structure and replace it with a permanent structure that is designed to be in harmony with the historic district.

A Task Force was formed, chaired by CGCB, Sher Baljit Singh to engage URA and come up with a URA approved structure that will adequately service the Club's needs as well. The project is at an advanced stage and the construction work is to be commenced and completed by mid-2017.

Three major international tournaments were successfully held in 2016 – Hockey Sixes, Soccer Sixes and Rugby Sevens. The Cricket Twenty20 was deferred and will take place in 2017. It is pleasing to note that the three tournaments all made a small surplus. Congratulations must go to the Organising Committees who achieved this and we feel we have template in place to ensure tournaments in future do not incur a deficit.

In closing, I again express my sincere appreciation and gratitude to my fellow volunteer GC Members, Subcommittee Members, Sports Convenors, Tournament Organising Committee Members, as well as to the SCC Management and Staff for their support, conscientiousness and industry over the past year. Lastly and most assuredly by no means least my very sincere 'thanks' also to all SCC members for your valued and continued patronage at the Club.

Mohan J. Bhojwani
President
Singapore Cricket Club

First and foremost, I would like to express my sincere thanks and heartfelt appreciation to the Games Control Board (GCB) members comprising Convenors from 13 Sports Sections and my fellow General Committee members – David A. Jones and Jonathan Leow. I am grateful for their robust efforts and continued dedication in their pursuit of making their respective sections as self-sufficient as possible with minimal reliance on SCC grants through various measures. None of the work that the GCB has done this year would have been possible without their involvement. I am also thankful to the GC that has been wholeheartedly supporting our endeavours.

I am pleased to share that this year we have streamlined the budget for 2016 and are working progressively towards a leaner budget for 2017. The GCB is looking to make substantial and productive changes in our sports as well as sports budget.

Among the major changes put in place are:

- All coaching is progressively self-funded.
- All club tour subsidies have substantially been reduced and many eliminated.
- The entertainment grant is now a fixed quantum per section to host visiting clubs/teams.
- Sports insurance is increasingly being handled by the sections.

On the income side, positive steps have been taken to increase our revenues. This came in the form of commendable efforts by sections such as Hockey and Squash who increased their subscriptions. Rugby has also taken a remarkable step in raising theirs from \$15 to \$25. A move sincerely appreciated by the GCB.

A wider range of beverage and snacks at Dempsey on cash-term basis is also being offered for better user experience. Substantially increasing rental revenue from Dempsey and Padang fields to cover the field maintenance expenses without affecting our sporting calendar is another move we are proud of.

We have also had a hugely successful and profitable Rugby Sevens, along with the Hockey Sixes and Soccer Sixes. These are tournaments that hugely lift the branding of our Club in the local and international sporting community.

Going forward we are laying more emphasis on making our academies centres of sporting excellence. We hope to groom juniors who can go on to become full members of the Club. The academies will also provide a stream of revenue for the Club. In order to further attract the best juniors in the country we have started a Junior Sports Members scholarship. These steps will hopefully provide us with a steady stream of new members and lower the average age of membership, besides attracting the best junior sporting talent.

The sections have been encouraged not only to play but to also spend more social time at the Club. I urge all members to join a section not just for your chosen sport but also to immerse yourselves in various monthly social activities which would help grow your network of friends exponentially. On the social side, there has been a significant increase in sports functions and after-match drinks. We are also starting new initiatives like Touch Rugby and summer academies for juniors to attract more members to the Club. There are more activities like Bridge Beginners Clinic, Social Croquet and Introduction to Lawn Bowls organised by the sections and are now open to all members to engage their interest.

To further build our SCC brand name, the Sports Sections have organised various events. Billiards and Snooker invited World Ranked No. 3, Rob Hall and No. 23, Gary Norman for an exhibition game, Soccer organised a coaching camp with FC Porta and Cricket invited Brian Lara for a weekend at the Club.

The long established annual intersection tournaments and matches were re-initiated by the respective sections which have promoted camaraderie and friendship among the members.

Through the efforts made by the sections, SCC scored double whammy wins in the multi-sports games against the Singapore Recreation Club at the Padang Shield Games in July and The Tanglin Club at the Annual Pot Games in October. We also hosted the Melbourne Cricket Club for a multi-sports game in April and we won overall. What a feat for 2016! Great thanks to all participating members.

The GCB would like to thank all Club members for their great support in helping the Club as we face formidable challenges in the renewal of the Padang lease and managing our finances while constantly striving to uphold our sporting traditions and heritage.

Sher Baljit Singh
Chairman
Games Control Board

SCC SPORTS SECTION ACHIEVEMENTS SUMMARY 2016

BALUT

Annual Balut Triangular Trophy (SCC-NUSS-IA)

SCC emerged champions.

Balut Invitational Pairs Competition

1st place: Robin Tessensohn and Rosemary Tessensohn

2nd place: Yasmin Gaffoor and Mohan Dadlani

3rd place: Else Stokkmo and Rolv Stokkmo

32nd Interclub Balut Tournament

SCC Team 5 (Jasmin Fisher, Ben Cunico, Else Stokkmo and Rosemary Tessensohn) emerged champions. Jasmin Fisher was also awarded 'Baluteer of the Year' trophy.

Indian Association Christmas Pairs Tournament

Yasmin Gaffoor and Fahmi Hassanbhai won the overall champion title.

3rd Invitational Inter-club Competition

SCC Team (Joyce Foster and Rosemary Tessensohn) emerged second place.

BILLIARDS & SNOOKER

RPDYC 1st Invitational Snooker Tournament

SCC emerged champions.

SCC Whiteball Handicap Volunteer Tournament

Champion: Jason Tan

Runner-up: Michael Yeomans

Royal Selangor Club Six-Red Invitational Snooker Tournament

The team consisting of Glenn Yeo, Peter Gilchrist, Matthew Lim, Gerard Ee, Victor Yeong, Jason Teo, Tan Bak Choon and Desmond Decker clinched the trophy for the first time since the inception of this tournament.

9th PSC Inter-Club Invitational Snooker Tournament

SCC emerged runners-up.

Interport with Penang Sports Club

SCC emerged champions.

IBSF World Billiards Championships 2016 & Other International Tournaments

Peter Gilchrist: 4-time World Champion in the long-up format and runner-up in the 150-up format. He was also champion for the Australian and New Zealand Open and World Billiards LITetask Borders Open.

BOWLS

Lawn Bowls Championships hosted by the Angeles Sports and Country Club

The SCC Bowls comprising Wong Hui Kai, Melvin Tan, Shermeen Lim and Chng Ming Li were runners-up in the Plate division.

Bowls Singapore National Singles

Ladies' Singles Champion: Virginia Longfellow
Men's Singles Runner-up: Christian Huang

Bowls Singapore National Pairs Championship

2nd Place: S R Ganesh and Edmund Lin
3rd Place: Melvin Tan and Wong Hui Kai

Bowls Singapore National Triples

Champions (Ladies' Pairs): Shermeen Lim, Chng Ming Li and Candy Lai

Bowls Singapore National Fours

The team comprised of Shermeen Lim, Chng Ming Li, Amira Goh and Candy Lai emerged champions in the National Fours.

Bowls Singapore Singles League

2nd Place (Ladies' Singles): Virginia Longfellow
3rd Place (Ladies' Singles): Shermeen Lim
3rd Place (Men's Singles): Christian Huang

Annual Triangular & Interport with KBGC

The SCC team emerged victorious in both competitions.

Lion City Cup

3rd Place: SCC B (Christian Huang, Edmund Lin, Amira Goh, Mary Lim and Candy Lai)

Asia Bowls Championship

3rd Place (Men's Event): Christian Huang

World Singles Champion of Champions

Joint Bronze medallist: Virginia Longfellow

BRIDGE**Premier Bridge League**

The Bridge Section had a successful league, ranking fifth out of eight teams. This is a huge improvement from last year's results where SCC was placed last in their inaugural participation.

CRICKET**Singapore Cricket Association Clubs League**

3rd Place (Division 3): SCC Cheetahs
Best All-Rounder: Ajun Vijayan (SCC Lions)

Interport with Royal Bangkok Sports Club

SCC emerged champions.

23rd PSC International Cricket 6s Tournament

SCC emerged as Plate winners.

SCC Masters League 2016

SCC Sphinx retained the title.

GOLF**SCC vs Changi Golf Club Annual Game**

SCC emerged champions.

HOCKEY**SCC Hockey Team Performance 2016**

Men's Division 1	Bronze
Ladies' Division 1	Bronze
Men's Division 2	6th position
Ladies' Division 2	5th position
Men's Division 3	4th position
Men's Division 5	Bronze

National Junior League 2016

Boys' Under 19	Bronze
Girls' Under 19	Gold

National Junior League 2016: Girls (Division 2) and Boys (Division 3)

The SCC Girls team won gold and SCC Boys won bronze in the National Junior League 2016. The Girls' team will be promoted to Division 1 next year.

NETBALL**SCC Ladies Netball League**

Division 1 Champions: SCC Hawks

Silkpro National League – Mixed Division

Runners-up: SCC Falcons

National League

Division 3 Champions: SCC Eagles
Division 7 Runners-up: SCC Ospreys

Mission Foods Beach Netball Festival – Women's Open

SCC emerged runners-up.

Bangkok Southerners Tournament

SCC emerged runners-up in the Plate category.

3rd SCC Netball Schools Carnival organised by the Netball Section, 19 November 2016

U15 Champion: Sport Ready
U17 Champion: Anderson Secondary School

In 2016, Gross Operating Revenue of S\$18,729,000 was lower than 2015 by S\$191,000.

The Operating Deficit for the year was S\$1,112,000 compared with a Deficit of S\$2,016,000 in 2015.

The Bottom Line Surplus was S\$465,000, compared with a Deficit of S\$352,000 in 2015.

OPERATING FINANCIAL POSITION

Operating Revenue

Operating Revenue of S\$18,729,000 for 2016 was S\$191,000 lower than last year's S\$18,920,000. The slight decrease in Operating Revenue came mainly from lower Subscription fees and Sports & Recreation revenue, partially offset by an increase in F&B revenue and Other income.

Operating Expenditure

The Operating Expenditure for 2016 was S\$19,842,000, S\$1,094,000 lower when compared with S\$20,936,000 in 2015.

Significant progress has been made in reducing operating costs in 2016. The lower expenditure was mainly due to lower Sports and Recreation Expenditure excluding manpower and depreciation of S\$236,000, lower Property, Plant and Equipment written off of S\$233,000, lower Repair and Maintenance cost of S\$108,000, lower Manpower costs of S\$167,000, lower Meeting and Election Night cost of S\$102,000, lower Social Event costs of S\$102,000, lower Professional Fees of S\$62,000, lower Miscellaneous expenses of S\$74,000, lower Night Race costs of S\$67,000 and lower Utilities costs of S\$62,000. The resulting decrease in Operating Expenditure was partially offset by the higher Property Tax expense of S\$79,000 and higher F&B Cost of Sales of S\$77,000.

Operating Deficit

The Operating Deficit of S\$1,112,000 for 2016 was S\$904,000 lower than last year's Operating Deficit of S\$2,016,000.

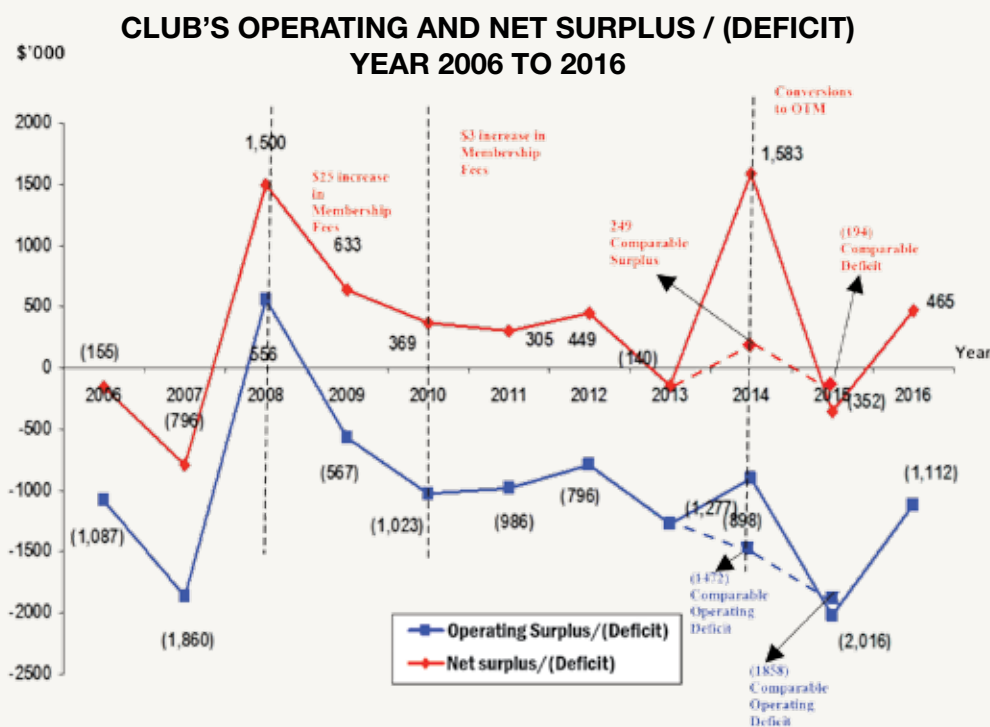

NET SURPLUS / (DEFICIT)

After taking into account membership transfer fees of S\$843,000, conversion fees of S\$529,000, interest income of S\$225,000 and income tax expense of S\$20,000, there was a net surplus of S\$465,000 for 2016, compared with a net deficit of S\$352,000 in 2015.

After excluding non-recurring items from plant and equipment write-off resulting from the 2015 Clubhouse Redevelopment and the property tax recovery in 2015, the comparable bottom line results for 2016 and 2015 are as follows:

	2016 (S\$)	2015 (S\$)
Net Bottom line Surplus/(Deficit) for the year	465,000	(352,000)
Less Non-Recurring items :		
Prior Year Adjustments	-	235,000
Property Tax Recovery	-	(77,000)
Comparable Net Bottom line Surplus/(Deficit) for the year	465,000	(194,000)

There is an increase of S\$659,000 in the comparable net bottom line mainly due to lower comparative operating expenses of S\$936,000, partially set-off by lower comparative operating revenue of S\$191,000 and lower non-operating income of S\$69,000 and higher income tax of S\$18,000.

HIGHLIGHTS OF THE FINANCIAL YEAR

Subscription and Fees

Subscription and fees, one of the Club's main sources of income, decreased by 2% to S\$5,722,000 in 2016, mainly due to a decrease in Subscription fees of S\$93,000 as the active membership base reduces resulting from members going onto the absent members' list.

Food and Beverage (F&B)

A significant improvement in F&B's results was achieved in 2016. At net operating result level, F&B incurred a reduced deficit of S\$394,000 compared with a deficit of S\$840,000 in 2015.

F&B Revenue increased by 4% to S\$8,967,000 in 2016 mainly due to the closure of the Padang field for seven months in 2015. The F&B Cost of Sales to Sales Ratio decreased by 0.9% to 43.2% in 2016 mainly due to sales mix change with a slightly higher proportion of food sales, higher supplier rebates and tighter cost controls. The resulting Gross Profit increased to S\$5,089,000 in 2016, compared with S\$4,815,000 in 2015.

Sports and Recreation

Revenue from Sports and Recreation decreased by 12% or S\$317,000 to S\$2,252,000 in 2016, mainly due to lower Tournament Income of S\$167,000 and lower Field Rental Income of S\$219,000. The resulting lower revenues were partially offset by higher Sports Section Income of S\$46,000 and higher Sports Membership Fees of S\$19,000. The lower Tournament Income is mainly attributable to lower Sponsorship Income for the Rugby 7s. The lower Field Rental Income is mainly attributable to a one-off rental of S\$415,000 for the Padang Field by the National Gallery Singapore in 2015.

Sports and Recreation Expenditure excluding manpower and depreciation has decreased by S\$236,000 mainly due to lower Tournament Expenditure by S\$318,000 due to lower Rugby 7s Tournament Expenditure and lower Ground Maintenance costs of S\$21,000, partially offset by higher Sports Section Expenditure of S\$100,000.

The Club's main sports tournaments in 2016, Rugby, Soccer and Hockey, all made small surpluses.

Overall, Sports and Recreation had net expenditure of S\$1,036,000 in 2016, compared with S\$1,041,000 in 2015. Initiatives have been put in place that will further reduce costs in the coming year.

Manpower Costs

Manpower costs decreased by S\$167,000 from last year's S\$8,468,000 to S\$8,301,000 mainly due to lower salaries and wages and higher wage credits of S\$66,000. The lower Salaries and Wages are mainly due to some key positions being vacant for some of the months.

Sinking Fund

At the Annual General Meeting of the members of the Club held on 28 April 2016, it was resolved that a Sinking Fund be established to set aside funds for the lease renewal for the Club and for capital expenditure as specifically authorised by the general body of members.

It was further resolved that S\$10,800,000 be immediately transferred into the Sinking Fund, and that all payments received as membership transfer and conversion fees be paid into the Sinking Fund.

Pursuant to the above resolutions, a Sinking Fund was established in the Club's accounting records. We have made an initial transfer of S\$10,800,000 from the Accumulated Funds to the Sinking Fund, followed by S\$1,372,000 of Transfer Fees and Conversion Fees and S\$170,000 of interest received on fixed deposits attributed to the Sinking Fund in 2016.

Prior Year Adjustments

Management has reviewed the expenditures capitalised following the Clubhouse renovation work carried out in 2015, and identified certain replaced items to be written off. Certain items have also been reclassified to more appropriate categories which have different estimated useful lives.

The replaced items written off as prior year adjustments in 2015 and adjustments for depreciation costs, resulted in a restated loss of S\$352,000 from the previously reported loss of S\$117,000.

Cash Position

As at the end of 2016, the Club had cash resources of S\$20,114,000 as compared to S\$17,287,000 in 2015, reflecting a positive cash in-flow of S\$2,828,000. This positive cash flow is after accounting for Depreciation expense of S\$2,037,000, being a non-cash item.

The increase in cash flows is partly attributed to the receipt of reimbursements from the Government of expenditure incurred in 2015 in the reinstatement of the Padang field of S\$1,356,000.

The Club's cash reserves need to be enhanced each year so that sufficient funds are available for the renewal of the Padang lease and for capital projects.

THE YEAR AHEAD

Going forward, the Club continues to face pressures in cost increases especially in manpower, food and beverage and other operating expenses. As such, there will need to be continued efforts to focus on improvement in productivity and cost controls, and the Club will need to continue to achieve further cost reductions and identify additional sources of revenue to reduce the Operating Deficit as far as possible.

The last increase in Members' subscriptions was in 2010 and whilst 2016 has been a better year for the Club from a financial standpoint, continued upward pressure on costs will at some point mean that the Club must again look at the level of Members' subscriptions to more closely match Operating Revenue and Expenditure.

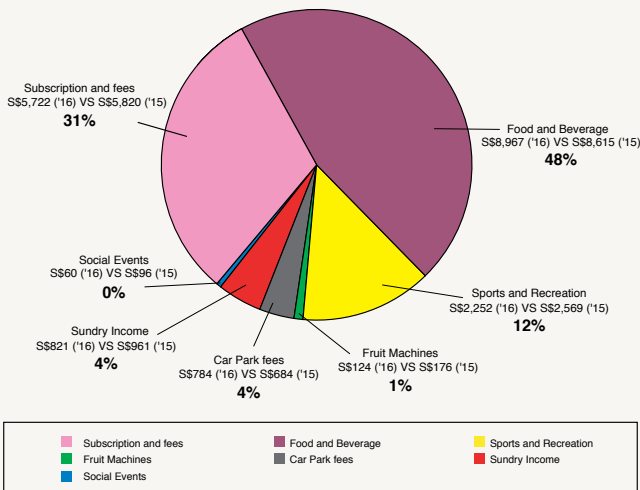

ACKNOWLEDGEMENT

I would like to take this opportunity to thank all fellow members of the Finance Subcommittee who selflessly contributed their valuable time and expertise during the year.

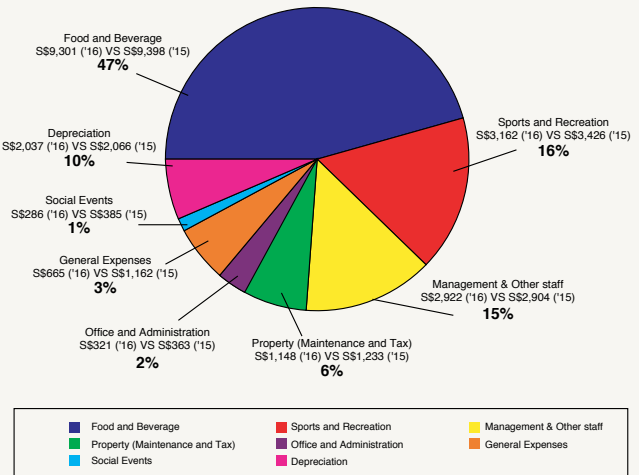

I will also like to thank the Financial Controller and her team for their commitment and continued efforts.

Hamish A. Christie

I felt honoured to be elected as a General Committee Member in April 2016 and was equally excited with the appointment as the Chairman of the Establishment Subcommittee (ESC).

Over the one year term, I have worked closely with Management particularly on human resources related matters. This has helped me to gain better insights of the SCC members of staff who have contributed much to the growth of the Singapore Cricket Club and who have whole-heartedly served the SCC members all these years, working relentlessly to achieve the vision of the SCC to be the premier sports and social club in the region.

2016 was indeed a challenging year for the Club, having to cope with the changing demands of manpower and rising staff costs. In order to augment the manpower situation, the Club has embarked on various manpower strategies such as obtaining new sources of manpower, multi-skilling and multi-tasking.

I am delighted to present some key information and highlights for 2016 that serve as testimony to the strong policies and the high standards of human resource management practices at the Club.

2016 Long Service Award recipients

HEADCOUNT

The year 2015 saw the Club's total manpower reduced by four headcounts over the previous year (2014) but there was an overall increase of two headcounts in the year of 2016 over that of the year 2015.

DEPARTMENT	2015	2016
General Manager's Office	2	2
Membership Admin	2	2
Membership Sales	0	1
Member Services	5	6
Marketing & Communications	2	3
Admin/IT/Purchasing	7	7
Finance	8	10
Fruit Machine	2	2
Human Resources	3	3
Food & Beverage	92	89
Housekeeping	12	13
Maintenance	8	8
Sports & Recreation	16	15
Total Headcount (Permanent Full-time)	159	161

Arising from the review of the Club's operations, a Membership Sales Manager was identified internally and appointed in September. Within a short period of three months, the membership sales revenue improved significantly. It has thus proven that dedicated sales attention is the key to success.

The Member Services as well as the Marketing & Communications (Marcom) Departments saw an increase of one headcount each in 2016 against that of 2015 due to the replacement of a Member Services Assistant and a Marcom Manager respectively.

The Finance and Administration Department comprising Finance & Admin, IT, Purchasing and Fruit Machine, also has two more headcounts in 2016 due to the replacement of the Accounts Executive that were vacant at the close of the year 2015.

The Food & Beverage (F&B) Department closed at three fewer headcounts in 2016 compared to 2015 due to the pending replacement of two kitchen staff and the vacant post for the Head of Food & Beverage.

2016 Staff Party Organising Committee

2016 Excellent Service Award recipients

With an aim to groom staff with potentials and embrace multi-skilling, the Head of Sales & Marketing was re-designated as the Head of Operations to oversee the F&B Services in addition to Banquet & Events and Member Services whilst the Executive Chef oversees the F&B Kitchen – both of them handle the F&B Department under the charge of the General Manager.

The Property & Housekeeping (Housekeeping and Maintenance) Department saw an increase of one headcount in 2016 due to the recruitment of one Housekeeping Assistant whereas the Sports & Recreation Departments has one fewer headcount due to the transfer of one staff to the Marcom Department in 2016.

MANPOWER TURNOVER

The Club's average monthly Staff Turnover Rate for the year of 2016 has been maintained at a healthy range of below 2% and that clearly proves that the Club's Employee Retention Policy has made a most positive impact on staff retention.

INDUSTRIAL RELATIONS

Following a lengthy and tedious negotiation process, I am extremely proud to announce the successful renewal of the Collective Agreement between the Singapore Catering Services, Staffs & Workers Trade Union and the Singapore Cricket Club for a further three-year term. This has also strengthened the harmonious industrial relationship between the two parties as they work together to create a conducive work environment for all the employees.

COMPENSATION AND BENEFITS

The Club constantly endeavours to maintain its competitiveness in terms of compensation and benefits that includes both monetary and non-monetary rewards and recognitions in order to retain good employees.

On behalf of the SCC members of staff, I take this opportunity to thank all SCC members who have contributed to the Staff Ang Pow Fund which was distributed to all SCC members of staff as an appreciation of their hard work and dedication of services to the Club and its members.

The Medical Leave Policy was enhanced to recognise medical certificates issued by doctors in Malaysia effective June 2016. The Club also accepts reimbursement of dental expenses incurred in Malaysia.

The allowable claim for reimbursement of shoes purchased by uniformed staff for work purposes has also been increased as an enhancement to staff benefits.

In order to act in a fiscally more prudent manner, with effect from the year 2016, the Annual Leave Policy has been amended to limit the number of annual leave balance that an employee can carry forward for clearance in the following year. This change has presented remarkable results with a reduction of 27% and 29% in the annual leave balance and leave provisions required respectively for the year 2016 vis-à-vis 2015.

To encourage a healthy lifestyle, the Club awards a tiered Stay Fit Incentive to employees who have taken an aggregate of no more than seven days of sick leave or no pay leave in a calendar year, ranging from S\$100 to S\$500 for employees with zero such leaves taken.

STAFF WELFARE

Monthly Staff Events are held at the Club to celebrate the birthdays of employees that fall in the same month and awards such as the Honesty Award and Long Service Award are presented to deserving employees at the same occasion.

Monthly staff birthday celebration

Following four memorable Staff Parties held outside the Club premises since 2012, the Club has organised yet another magnificent Staff Party at the Grand Copthorne Waterfront Hotel in April 2016 with the theme of 'Splash of Colours'. The staff not only get to immerse themselves in the ambience and hospitality of the hotel, they also enjoyed the scrumptious spread of buffet dinner as well as the fun, games and lucky draw prizes specially arranged for them in appreciation of their hard work and dedication to the Club.

STAFF SURVEY

A Staff Survey was conducted in September to gauge the 'health' of staff satisfaction club-wide. 82% of the staff participated with an overall satisfaction result of 95%. It was a heartening and positive feedback. Comments and suggestions made by staff on the survey form are progressively being attended to.

'DO IT BETTER!' PROGRAMME

Staff have been encouraged to review current processes, offerings, etc. and to make suggestions on how to improve working conditions for staff and/or enhance member experience at the SCC. Staff have generally been pro-active and several initiatives received have been implemented. In return, participants of the programme have received a small reward for their effort.

'BRUNCH WITH GM'

The monthly 'Brunch with GM' session provides a platform for staff to express their thoughts and offer feedback on various aspects of Club organisation which impacts on them. Head of Departments have been requested to review and follow-up on the feedback received.

STAFF COHESION FUND

A new programme to enhance staff bonding and build team rapport and cohesiveness amongst the staff within each department as well as inter-department was implemented. Each Head of Department is allocated with S\$50.00 per full-time staff per calendar year to organise social and recreational activities for his/her department, outside normal working hours.

EXCELLENT SERVICE AWARD

This is the third year that the Club has nominated its well-deserving employees for the Excellent Service Award – a National award that recognises individuals who have delivered outstanding service and for the first time, the Club has five Star Award recipients and also the most number of award recipients – 24 in total including seven Gold and 12 Silver Awards and an 'Outstanding Star' award nominee.

STAFF TRAINING AND DEVELOPMENT

As part of employee development, the Club has organised service and leadership trainings for its employees, in addition to the usual on-the-job trainings.

The Club has also participated in the 'P-Max Place and Train Programme' and is eligible for a one-off assistance grant of S\$5,000 from the government that is claimable in May 2017.

Health talk for staff

CONCLUSION

I wish to thank the General Committee, Members of the Establishment Subcommittee as well as the Management for their excellent support, commitment and relentless effort and to all SCC members of staff for their continued hard work and dedication to the Club.

I am encouraged and confident that the Club led by the General Manager, Mr Alan Jones and together with his wonderful team will make continuous improvement and elevate the Club's premier status as a sports and social club. I would like to congratulate them all for a job well done.

Thank you and kudos to all!

The SCC's Food & Beverage (F&B) Department has completed a positive and thriving year despite being a tough one. The Committee has been focusing on new initiatives to ensure continuous enhancement of the F&B department to match the market.

The F&B Subcommittee and SCC Management aim to create new direction and new dining concepts to enhance member's dining experience at the Club. The main focus is generally to improve food quality and ensure it is value for money whilst ensuring cost efficiency throughout the department.

NEW FOOD INITIATIVES

A wide variety of F&B promotions were introduced in 2016 and some had garnered very good responses from our Members and their guests. These initiatives include new Padang Menu with 'Brasserie Old Classics', 'Tapas Thursday', the ever popular 'Wagyu Beef Promotion' and 'Dover Fish' dish, just to name a few.

BARS

The F&B Subcommittee aims to introduce high quality wines and liquors at the most affordable 'Can't Get in Town' prices. Promotions such as 'Bucket of Beers', 'Wine Down Thursday' and 'Festive Promotions' were generously introduced to Members. The Club introduced a wide selection of fine wines from all over the world to suit the preference of our Members – all offered by the glass.

RESTAURANTS

With the appointment of our new Chef De Cuisine Vik, The Padang Restaurant continues to receive good support from the regular and new patrons. Chef Vik has introduced new menu concepts to the Club, constantly surprising Members and guests with delicious wholesome food.

Wine dinners offered during the year continue to be a sold-out event and our chefs do an excellent job of pairing the wines with the food menu.

The Oval & Verandah continues to offer a full range of SCC signature dishes as well as a wide variety of local and western specials. Popular monthly specials are introduced into our menu which continues to be well-received.

Our Friday fortnightly 'Hawker Fare' at the Courtyard has become a firm favourite for dining on balmy evenings for Members, their families and friends. Favourites such as 'Satay', 'Mee Goreng', 'Oyster Omelette', 'Chinese Rojak' and 'Chendol' as well as Chef Arfin's much sought after specialty dishes of 'Soup Kambing', 'Soto Ayam', 'Indian Mee Goreng', 'Rojak', 'Roti Prata' and 'Thosai'.

Indian Mee Goreng

TRAINING

Staff training remains an important area of focus for continuous improvement in service standards and product knowledge. We will continue to invest in these trainings in aid of the development of our staff's skills which ultimately uplifts the overall service quality of the Club. In 2016, several of our staff received Excellent Service Awards in recognition of their outstanding service. This is very encouraging and the Management will continue to give acknowledgement to staff with good performance in their area of work.

EVENTS

The SCC Night Race Fiesta welcomes a diversity of Members and their guests from all around the world. The general feedback on our F&B was most inspiring. Our club-wide events such as the festive celebrations and the New Year's Eve ball continued to generate and improve F&B revenues and definitely keep the Club 'alive'!

BANQUET

With the wonderful selection of F&B and stunning views from the Padang restaurant, Gilmour Room & Terrace, our banquet services remained abuzz throughout the year with Members' social and corporate private events. The new addition of the 'Victoria Room' gives our Members another alternative to hold more intimate and smaller functions at a more affordable minimum spending.

GOOD HYGIENE PRACTICES

The F&B department emphasises on the highest standard of food and hygiene. Regular sanitation in our kitchen is essential and all of our F&B outlets are awarded an 'A' Grade by the National Environment Agency. Ensuring good hygiene practice will continue to be the F&B Subcommittee's and Management's utmost priority.

Chef Vik

The Victoria Room

FINANCIALS

In line with other clubs and hospitality industry based businesses, the SCC is not immune from rising costs of raw food materials and new policies and levies implemented by the Ministry of Manpower on foreign F&B staff and S-Pass holders.

The F&B Sales Revenue was \$8,967,000 in 2016 with an Operating Deficit of \$394,079.

The F&B Cost of Sales as a percentage of revenue remained almost the same as 2015 at 43% despite rising costs due to prudent cost control measures.

The Operating Deficit for 2016 was S\$394,079 which is lower by S\$446,000 compared to last years' S\$840,000. This is mainly due to higher F&B revenue and lower manpower costs.

CONCLUSION

Last but not least, I would like to thank the members of the F&B Subcommittee for their time and significant contributions to the success of 2016. I further express my sincere appreciation to all F&B Department staff. Ms Chovin Blix Ong who is currently Head of Operations will continue to work hand in hand with Chef Raymond and the F&B team to achieve 'Service Beyond Expectations'.

Finally, I thank members for their support and kind words to our F&B Staff and Management. Your feedback and comments are important to us and you can be assured that we will continue to strive to offer the best food, the best beverages and the best service quality possible as well as 'value-for-money' for members to enjoy.

The past year has been a largely fruitful and positive one for the Marketing & Communications Subcommittee (MSC). In essence, the work of the MSC involves effective marketing of the Club and timely communications to members through the bi-monthly magazine, annual report, weekly e-mail blasts covering sports, social events and F&B, sports updates and Club announcements. Among other things, it also includes the frequent updating of the Club's website to reflect ongoing changes and promotions. We also handle a wide variety of souvenirs which are exclusive to SCC.

Behind the scene of the SCC Video production

The Subcommittee is pleased to note that marketing driven initiatives and strategies have met with encouraging success and overall positive response from the membership.

Our readership base of 'The Padang' magazine has been expanding. This has, in turn, resulted in a steady influx of advertising revenue with the highest reported advertising revenue amounting to \$9,066. Our aim is to eventually make the magazine self-funding through advertising revenues and sales of souvenirs.

We have actively strived to enhance members' reading pleasure of the magazine by refreshing the layout of the pages with a focused effort in the F&B and Social Events sections. Notably, food styling and photography of dishes prepared by our skilled chefs have been one of the main areas that have undergone a much needed makeover. Design elements including font, colour scheme and visuals are also carefully selected for maximum effect. The covers of the magazines have also been spruced up to make them eye-catching and appealing.

In line with the Club's aim at adopting effective cost-saving measures, a one-year printing contract with our current vendor Grenadier Press has been secured and the Club can expect cost savings of \$9,613 for the printing of the 2017 issues of 'The Padang' as well as the publication of this Annual Report.

On the souvenirs front, we are pleased to report that revenue from monthly souvenir sales in the past year was averaging just above \$6,000 with the best sales recorded in the month of December – capping the year off at \$9,958. The introduction of new cotton polo shirts in navy and green have been well-received by members with calls for other colours to be added to the range. For the first time, we have these shirts in children's sizes to cater for the young ones. Also new at the SCC Souvenir 'Store' are teddy bears wearing a smart jacket with the SCC logo. Back by popular demand are the corkboard coasters and placemats with historical images of the Club printed on them. All these make for ideal gifts to loved ones, guests and visiting members of reciprocal clubs.

Souvenir sale at the SCC Night Race Fiesta

New SCC teddy bears

Recently, we commissioned a video production of the Club with the objective of employing it as a useful marketing tool. Its focal points include showcasing our facilities, sporting activities and interviews with long-serving and established members with an aim of encouraging potential members to join this historic and prestigious Club.

In the cards for the future is an interactive touch screen display that would allow members to gather information and activities of the Club at terminals installed in strategic places within the Clubhouse.

This is meant to complement our existing website and would be useful for members present in the Club without access to a computer. This display also aims to function as a tool to record, preserve and archive historical material.

I would like to thank my fellow MSC members, K. U. Menon, Stafford Bagot, Daniel Fitzpatrick and Jonathan Leow who have lent their expertise and invaluable guidance to the team. We are fortunate to have a talented Marcom team formerly headed by Chovin Blix Ong. Recently appointed Financial Controller, Gow Hui Yian, now heads the team of three ladies – Yani Saaban, Hazel Mok and Sharon Francis.

We thank you for your continued support as we persevere to bring you enhanced marketing and communications strategies and plans.

The task of maintaining the heritage Clubhouse is vested on the Property Subcommittee which undertakes maintenance and upgrading of facilities throughout the year to ensure that our facilities meet and exceed members' expectations. In addition to ensuring a high standard of maintenance of the Club's premises and facilities, the Property Subcommittee oversees the management of redevelopment and upgrading projects of the Club. Over the course of the year, several new initiatives were undertaken to enhance and upgrade the ageing facilities.

Rectification work for improvement to the air-conditioning system serving the Main Lounge, including installation of a new variable refrigerant volume system was carried out to optimize and maintain ambient room temperature to ensure comfort whilst delivering significant energy efficiencies. With the completion of this rectification work, we have received positive feedback from members as the Main Lounge is now much cooler and offers a more pleasant environment for members.

Stumps Terrace overlooking National Gallery Singapore

Gymnasium

To address concerns for player safety in a dimly-lit Multipurpose Court (MPC) with poor visibility, the Property Subcommittee undertook to introduce additional lighting fixtures and increased the height of the lamp poles from 6m to 10m to enhance the lighting conditions and provide sufficient lighting. As part of an energy saving initiative, the high-energy consumption conventional floodlights, with non-uniform illumination were replaced with more energy-efficient LED lighting. The Cricket Nets area also has non-uniform lighting with dark patches down the middle of the nets and following the replacement of lighting at the MPC, one of the old flood lights for the MPC near the Cricket Nets was rewired and turnover to shine on the Cricket Nets to improve brightness at the centre of the Nets.

The deteriorated timber decking at the Stumps Terrace, which is a very popular 'hang-out' venue was replaced with Chengal timber that has high durability and natural appeal.

To enhance the Club's aesthetics, the worn carpet at the Members' Services Desk and staircases leading to the Padang Restaurant was replaced. At the time of writing this report, I am happy to report that the Property Subcommittee is working on replacing the dining chairs and carpeting at the Padang Restaurant to ensure that the facilities are in keeping with the standards of a Club of our stature. Another enhancement project carried out was the installation of flora and fauna for improved landscaping of the walkway from the gate near the Lawn Bowls Green to the gate at the MPC to create a better ambience for outdoor dining. Other enhancement works included the installation of carpet tiles and sports plaques on the dull and drab walls at the basement corridor outside the Men's Bar, which helped to create a stylish and contemporary look to the area.

Some of the enhancement works completed in 2016 include:

- Replacement of garden lamp poles for the Courtyard.
- Replacement of lightning protection system.
- Replacement of damaged metal fencing along Connaught Drive and the chiller plant.
- Replacement of wicker chairs for the Courtyard and Stumps Terrace.
- Installation of decorative lanterns at the main entrance and the walls outside the auto doors.

We are committed to create and maintain a safe and secure environment for our members and staff. Over the last year, we increased the number of CCTV cameras to provide better security and surveillance efforts. Following feedback from members on unauthorized usage of the Club facilities, further enhancement to upgrade CCTV coverage and security Club-wide is in the pipeline and a company with security expertise was engaged to audit the Club and recommend corrective action for CCTV coverage and security access locks on rear/side gates.

Over the year, we installed an automated external defibrillator at the Deli Verandah to be closer to the sports facilities in preparation of medical emergencies. Staff were trained to use the AED effectively. To enhance safety for our senior members and guests, we have installed stainless steel grab bars in one of the shower and toilet cubicles for the men's and ladies' changing rooms. We installed six oscillating fans at the smoking area and Oval Verandah to improve air circulation and provide more comfort and relief from the heat.

Post renovation, dampness in the concrete floor of the Gymnasium was noted, caused by rising damp. In addition, there are signs of mould growth indicating dampness behind some of the mirrors on the wall. The Gymnasium was closed for 10 days to facilitate rectification works.

As Connaught Drive comes under the Civic/Heritage district development initiative, the exit to Connaught Drive is permanently blocked and road works carried out under the auspices of the URA has resulted in water ponding at our carpark. The water ponding issue was resolved after the URA contractor dug a drain of about 250mm depth at the closed egress and rainwater collected at the drain will be conveyed to the sea via an underground pipe. Eugenia plants in black planters are installed at the closed egress for enhancement and to prevent unauthorised entry to the Clubhouse.

Pruning of trees and the trimming of tree top crowns was carried out on a six-month routine to maintain trees in a safe manner. The last tree pruning exercise was conducted shortly before the SCC Night Race Fiesta to prevent tree canopies at the carparks from obscuring the race lighting. Management of the rain trees along Connaught Drive was formally handed over to NParks effective May 2016.

Connaught Drive exit

Fire safety is of paramount importance and a safety inspection to the Club's premises is conducted once a month to ensure fire safety is maintained and compliant to fire safety regulations. The Club conducts two fire drills a year. The annual exercises are part of our ongoing efforts to ensure everyone is familiar with activation procedures and their roles and responsibilities. Our fire protection system is tested and inspected on a monthly basis and defects are immediately rectified. Having a safety culture in place assures our staff that their personal safety and well-being is being taken care of.

As an ongoing review of staff welfare, two oscillating fans were installed at the canopies for the carpark attendants' stations and the staff rest area was given a fresh coat of paint. In addition, high-back resin chairs of better quality were purchased for the staff rest area.

Our energy conservation initiatives and efforts in 2016 include replacing the conventional light bulbs with energy-saving or LEDs. The Club managed to keep its utilities bill the same despite the addition of electrical kitchen equipment and the Property & Housekeeping team has in the last year reviewed and renegotiated its service agreements with various vendors and with that, managed to achieve some cost savings.

We will continue with our efforts and strive to achieve better savings in the year ahead, especially in light of the rising costs.

The Club is challenged by way of available storage space and in order to optimize this use of space, minor alteration and addition work was carried out for conversion of the smaller meeting room adjacent to the Committee Room to the General Manager's and Secretary/PA offices.

In addition to the above works, a number of less visible initiatives have also been completed including:

- Replacement of sump pumps for the Courtyard.
- Replacement of faulty fan coil units for the Victoria Room and Men's Changing Room.
- Rectification works for the air-handling unit serving the Padang Restaurant.
- Installation of car stoppers at the carpark near the Lawn Bowls Green.
- Structural loading checks on the open terraces.
- Refurbishment of SCC Plaque at the St Andrew's walkway.
- Annual shut-down of air-con chillers for servicing and maintenance.

SCC's main entrance

Carpark attendant's station

I am very thankful for the understanding and patience of our members for any inconvenience resulting from the various projects undertaken. My appreciation also goes out to the Property Subcommittee members who have given much of their time and contributed in many ways to make possible the achievements of this year. I also record my sincere thanks to the Maintenance and Housekeeping staff for their hard work and dedication.

George V. Abraham

Moiz H. Sithawalla

It has been a positive year for the Rules & Membership Subcommittee (RMSC). Firstly, we were honoured that long standing, distinguished members, Intekhab Khan, Lim Khoon, and Moiz H. Sithawalla agreed to be part of the Committee. Their legal opinions and experience were extremely useful. Intekhab had to resign from RMSC upon being appointed Hockey Section Convenor.

Fellow General Committee Members, Sher Baljit Singh and Anwar Gaffoor made up the Committee.

CLUB MEMBERSHIP

251 new members were welcomed to the Club in 2016: 77 new Ordinary (Transferable) Members (OTM), 47 new Term Members (TM), 39 new Sports Members (SM), and 88 new Junior Sports Members (JSM).

25 JSMs and 26 SMs were converted to OTMs. 100 TMs and 92 SMs renewed their memberships.

Junior Sports Members' Election, 20 August 2016

At the end of 2016, the total Active Membership stood at 3,977:

Corporate Members	8
Honorary Life Members	2
Honorary Members	59
Junior Sports Members	283
Life Members	11
Ordinary (Non-Transferable) Members	150
Ordinary (Transferable) Members	3,184
Sports Members	141
Term Members	139

CLUB MEMBERSHIP SALES MANAGER

The appointment of Valerie Ong on 5 September 2016 as the Club's Membership Sales Manager saw an immediate positive effect. In total, 84 OTMs (77 new and 7 upgrades) were sold last year.

DISCIPLINARY CASES

Inevitably, we had to deal with some disciplinary cases. The Club has a process to follow in such cases which ensures fair hearing and consistency in outcome. Overall, such cases were few.

CHANGES TO BYE LAWS

RMSC reviewed the Bye Laws pertaining to Members' attire, abuse of staff, use of electronic equipment including taking of photographs and reciprocal rights. Recommendations were made to the General Committee and amendments were posted on the Club's notice board as stipulated in the Rules.

- **BYE LAW A.3.(i) – Attire**
This Bye Law was amended to provide more detailed descriptions of what can and cannot be worn when using the Club and its facilities.
- **BYE LAW A.3.(l).(a) – Reciprocal Rights**
This Bye Law was strengthened to ensure that Reciprocal Members showed proof of entry date into Singapore together with the proper introductory letter from their Home Club.
- **BYE LAW A.3.(k).(iv) – Electronic Equipment – Photograph Taking**
This Bye Law was updated to reflect modern usage of social media whilst continuing to protect Members' rights and the Club's image.
- **BYE LAW A.4.(c) – Club Employees**
This Bye Law was enhanced to indicate what constitutes abuse of Club employees.
- **BYE LAW F.2 – Hockey**
This Bye Law as amended at the Hockey Section's request to increase the monthly section subscription fee to SGD15.

PROPOSED AMENDMENTS TO THE RULES

During the course of the year, it became apparent that some of the Rules needed updating. These will be tabled for consideration at the next Annual General Meeting.

Annual General Meeting, 28 April 2016

Annual General Meeting, 28 April 2016

• **RULE 51 - CLUB EMPLOYEES AND COMPLAINTS**

In keeping with changes to the relevant Bye Laws above, this Rule needs to be strengthened. The Club's staff need to be able to go about their business without fear.

• **RULE 15 - JUNIOR SPORTS MEMBERS**

This Rule needs some clarification to indicate that it is at the Committee's sole discretion to offer conversion to OTM upon the JSM reaching their 26th birthday and having met other conditions.

• **RULE 13 - FAMILY MEMBERS**

Following representation from a member, RMSC considered whether it would be to the Club's advantage to extend the age of Family Member (unmarried children) to 26 years old. It was deemed that it would be to the Club's advantage so to do.

TEAM EFFORT

I would like to thank my fellow Subcommittee Members, the General Committee Members, General Manager and Membership Department for all their support and hard work. All of us approached the tasks we were set with good will, humour and common sense. The best interests of the Club, its members and staff were at the forefront of everything we did.

Matthew C. Streeton

Chairman

Rules & Membership Subcommittee

New Members' Election Night, 9 May 2016

Sunita Kapoor
Shelia Nagiah
Vikraman Raman
Capt E.R. Raymond Ambrose

The Social Subcommittee strives each year to organise many exciting events for the Club and its members and 2016 had been a blast. The first event kicked off in January with the last one ending on a high note during the New Year's Eve Countdown Ball.

Quiz Night each month continues to gain popularity, while Bingo Nights have been roaring since the Subcommittee changed it to be held every first Friday of the month. SCC's signature Wine and Cheese parties held on 11 March, 19 August and 25 November were a success.

Local bands continue to entertain members during the ever popular 'Buzz from the Bar' and 'One Night Only' sessions.

YEAR OF THE FIRE MONKEY FENG SHUI & ASTROLOGY TALK

22 January 2016

The Year of Fire Monkey turned out to be an exciting and fulfilling one correctly predicted by Feng Shui consultant Esther Teh who conducted a highly informative session with members on 22 January at the Gilmour Room. It was an engaging talk for those interested in identifying the various auspicious energies both at home and at the office to maximise prosperity. Insights into the 12 Chinese astrological animal signs for the year were also shared with those present and everyone benefitted from the wealth of information arising from the question and answer session at the end of the talk.

CHINESE NEW YEAR CELEBRATION

19 February 2016

Adorned in oriental splendour, SCC celebrated Chinese New Year with an enticing line-up of festive performances such as the traditional lion dance which, as always, had members looking on in awe as the lions pranced around the Club ushering in an abundance of prosperity and good fortune. The traditional Chinese ‘Face-Changing’ performance at the Main Lounge proved yet again to be a crowd favourite drawing gasps of amazement at the theatrical showmanship on display. Those interested for some personal insight took to the palm reading booth while others enjoyed an inviting spread of festive delights at The Oval & Verandah prepared by our chefs.

LOOK WHO’S COOKING

27 February & 23 July 2016

This is a relatively new event which continues to garner interest. Members are treated to a culinary adventure with our very own SCC chefs in an interactive cooking session, demonstrating various cooking techniques which they can apply in their own kitchens.

EASTER KIDS PARTY

27 March 2016

The Easter Kids Party was a sold-out event. Enthused by the variety of rabbits such as the French Lop, American Fuzzy Lop, Netherland Dwarf and Holland Lop, kids learned many interesting facts on how to care for them. During the DIY Art and Craft session, the kids made a rabbit house. Easter themed cake pops were presented to each child at the end of the event.

Introduction to Yoga

Hungarian Wine Dinner

HUNGARIAN WINE TASTING

14 April 2016

The Singapore Cricket Club and the Hungarian Embassy jointly presented a Hungarian Wine Tasting event for members. Several labels of fine Hungarian wines kindly sponsored by the Embassy alongside delicious food accompaniments were enjoyed by all present. The event allowed all to appreciate not only the elegant taste of Hungarian wines but also the rich history that Hungary has to offer.

INTRODUCTION TO YOGA

13 July 2016

Newly joined member, Ms. Katherine Sarah Mountain hosted the first ‘Introduction to Yoga’ class for members and guests on 13 July. The yoga class was held at sunrise on a breezy morning at the Gilmour Terrace. Participants explored several basic connecting postures and breathing techniques while focusing on relaxation, stress release and stretching just before a long day ahead at work.

Remembrance Day

KAMPONG NIGHT

15 July 2016

In the festive spirit of Hari Raya, SCC celebrated 'Kampung Night' where members and guests were treated to a Malay dance or 'joget' as it is commonly known. Dressed in brightly coloured and intricately embroidered ethnic costumes, the dancers showcased graceful moves to the beat of traditional Malay orchestra. Members also had an opportunity to engage in an interactive dance item and they even learned the fine art of draping a sarong. The event capped off with plentiful offerings of specialty hawker fare prepared by our chefs.

SCC CELEBRATES NATIONAL DAY

9 August 2016

The Club commemorated Singapore's 51st birthday with a fun 'Family Day' picnic at the Padang. Members and guests spent a relaxing afternoon soaking up the sunshine while the kids enjoyed a myriad of activities such as the incredibly popular foam pool, bouncy castle, face painting and balloon sculpting. Members also caught the 'Live' screening of the National Day Parade at the Main Lounge and capped off the evening with scrumptious hawker food fare featuring local delights.

SCC NIGHT RACE FIESTA

16 to 18 September 2016

It was a thrilling high octane weekend at the Club during its Night Race Fiesta. With big screens strategically placed around the Club members caught all the highlights of the 2016 Formula 1 Singapore Airlines Singapore Grand Prix street race. Within the Club, there was plenty to be enjoyed with the extensive buffet spread at various locations. Members were also entertained by the friendly table-top ambassadors. They also had plenty of fun posing for photos in the photo booth modelled after a vintage Volkswagen van. With endless entertainment, delicious food and beverages all around, it was an exhilarating weekend to remember.

COMEDY NIGHT

21 October 2016

The Club was honoured to once again welcome the vivacious Kumar to bring laughter (and tears) to members and guests with his witty humour and rib-tickling antics.

REMEMBRANCE DAY

11 November 2016

Remembrance Day was observed by the Club and a simple ceremony was held at the Cenotaph located at Esplanade Park where tribute was paid to the fallen men and women who had selflessly served and defended the Nation with dignity and pride during the First World War. In attendance at the ceremony were the Club's General Committee, members, guests and staff. Special thanks to Professor Brian Farrell as well as distinguished Defence Advisors from the United Kingdom, Australia, New Zealand and the United States who were present at the commemoration.

DEEPAVALI CELEBRATION

11 November 2016

Members and guests celebrated Deepavali which commenced with the auspicious lighting of the lamp by President Mohan Bhojwani. Also gracing this ceremony alongside our SCC President were Social Events Chairlady Joyce Foster, Ex-President Mr Haider Sithawalla and his wife as well as Mr and Mrs Samtani Ishwar. The evening was packed with plenty of vibrant performances such as the wildly popular Bhangra dance which drew thundering applause for its spectacular dance movements and the entertaining peacock and belly dances. Dressed in sequined and colourful ethnic wear, members and guests feasted on a decadent spread of authentic North and South Indian delights prepared by our chefs and danced into the night with the DJ spinning popular tunes.

Once upon a santa - A Christmas Pantomime

ONCE UPON A SANTA – A CHRISTMAS PANTOMIME
 17 December 2016

Jointly presented by SCC and Evolve Arts, a Christmas pantomime – ‘Once Upon A Santa’ was held. Children and adults alike re-discovered the joy of reading, the gift of giving and the magic of the Christmas spirit through a fun and interactive story-telling session with songs and dances. All in attendance had a merry time playing games and the lucky children also received a present from Santa himself!

X'MAS EVE LUCKY DRAW
 24 December 2016

\$4,888 CASH, LG Styler and 43" 4K Ultra HD Smart TV were the top prizes of the 2016 X'Mas Eve Lucky Draw. With a total of 30 attractive prizes, the Main Lounge was bustling with members and guests, all joining in to immerse in the festive spirit. Tania entertained everyone throughout the afternoon with their renditions of classic hits.

Viva Mexico SCC Countdown Ball

VIVA MEXICO SCC COUNTDOWN BALL
 31 December 2016

The Club ushered in the New Year with a bang at the Viva Mexico Countdown Ball. Members and guests came to the party in their elegant dresses and stylish suits, accessorised to the vibrant and festive theme. As the clock struck midnight, the tune of Auld Lang Syne by the Gurkha Pipers resounded, coupled with fireworks in the background of the Civic District, marking the start of 2017. With well wishes all around, everyone had a great time and danced to the powerhouse performance by ‘comeback’ band, Jellybean Jam from Australia.

IN CLOSING

My most sincere appreciation to my Social Subcommittee members for the many great ideas and participation that makes all our events a success. Not forgetting the SCC Management and Events Team that never failed to deliver quality social events each time. Thanks to all that took part in the social survey as we gather results to plan a better 2017!

BALUT

Balut Committee 2016-17. Back row/left: John L. Taylor, Tony Fisher, Raj Kumar. Front row/left: Else Stokkmo, Yasmin Gaffoor, Sunita Kapoor.

If success can be measured by high attendance, unbounded enthusiasm, camaraderie and performance in competitions – then the Balut Section had a stellar year indeed. The SCC won all six local competitions available to us in Singapore.

- The Annual Triangular Trophy was hosted by the SCC on 4 June between us, the National University of Singapore Society (NUSS) and the Indian Association (IA). SCC stretched to cross the finish line first with 9365 points, closely followed by IA and NUSS with 9318 and 9277 points respectively. On the individual front, SCC produced the top three players:

1. Vashi Sajnani 912 points
2. Tony Fisher 850 points
3. Raj Kumar 636 points

- The Padang Shield, a bi-annual contest, was fought on 9 July between Singapore Recreation Club (SRC) and SCC. At half-time the omens were not good as we had only a slim 14-point lead. Amazingly this was converted into a crushing 416 point advantage for the SCC by the time the match was over. SCC's Jasmin Fisher and SRC's Andrew Goh shared the prize for the highest accumulated points total.
- The Invitational Pairs Competition was hosted by SCC on 30 July. Our own 'pair' Rosemary and Robin Tessensohn fought off stiff competition against 42 other players from SCC, IA, NUSS and SRC to win impressive trophies each.
- The Annual Pot Games is a multi-section battle between the Tanglin Club (TC) and the SCC, with each club hosting the event in turn. On 1 October SCC's 18 Baluteers fought hard to support the other sports sections at the TC by winning rather convincingly. Jasmin Fisher and John Taylor were the top two scorers with 862 and 840 points respectively.

July 30th Balut Pairs Winners

Tony receiving the Balut Cup from Yvonne Pereira, SRC's Balut Convenor

- SCC entered five teams in the 32nd Annual Inter-Club League which commenced in May, joining IA, NUSS, Eurasian Association (EA), SRC and TC. After six rounds, the final match was held at IA on 26 October and the winners were declared to be SCC Team 5 (Jasmin Fisher, Ben Cunico, Else Stokkmo, and Rosemary Tessensohn). Jasmin was also awarded the coveted 'Baluteer of the Year' trophy.
- The Indian Association Christmas Pairs Tournament was held on 21 December and organised by the IA Convenor Prekash Singh and his team. There was great "makan" and a convivial atmosphere which was topped off by SCC's Yasmin Gaffoor and Fahmi Hassanbhai winning the impressive trophy!

Tours are an integral part of the attraction of belonging to the SCC Balut Section. In 2016 there were three excellent tours.

- The first was to the Kinabalu Club's 6th Annual Balut Tournament on 5 March, attended by 104 players from around the region. SCC's John Taylor (still the Balut Section Convenor then), took top honours in this 8-game event with 902 points total, averaging 112.75 points per game.
- The next tour was to Kuching on 10 September to participate in the 3rd Invitational Inter-Club Competition which was hosted by the Sarawak Club. Joyce Foster and Rosemary Tessensohn kept the SCC flag flying by achieving second place in the Pairs competition among 84 players.
- The final tour was to the Kinabalu Yacht Club on 25 November to participate in the 36th STC Chivas Regal Interport. This was a huge event, attracting 144 players belonging to 36 teams. Singapore was well represented by four teams from SCC, NUSS, IA, TC and SRC. Teams came from all over Sabah, including Sandakan, Miri, Tawau and Sarawak. The Manila Yacht Club also participated. NUSS were the worthy winners. This was a great social event and in addition to the food and drink, all participants were treated to local dancing and games provided under the auspices of the Sabah Ministry of Tourism.

SCC has received an exclusive invitation to participate in the British Club Bangkok (BCB) vs SCC "TeamBalut Challenge 2017" on 21 to 23 July. Also, we are advised the 37th STC Chivas Regal Interport will be hosted by the Sarawak Club on 17th and 18th November.

The Section lynchpin is the monthly in-house event, normally held on the third Tuesday of each month. Due to demand, this was augmented by two Saturday afternoon sessions in April and October, a number likely to be exceeded in 2017. The average attendance was above 30 persons. Leading by example, the 2016 In-house winner was our Captain Raj Kumar, followed by last year's winner Mohan Balagopal and Anwar Gaffoor in second and third place respectively.

All In-house events are preceded by a delicious buffet and drinks are available throughout from our exclusive Gilmour Room bar. At the end of each session, several prizes are awarded – bottles of wine courtesy of our generous sponsor Rajan Menon of Pernod Ricard and a bottle of Chivas Regal Scotch Whisky goes to the player having the highest points aggregate total.

By most accounts, the SCC Balut Section Christmas Party, held in the Padang Restaurant on 16 December was one of the best ever. Meticulously organised by our Section Committee member Sunita Kapoor, this great event enabled lucky attendees to enjoy delicious festive food, drinks galore, gifts and superb music. This reminds me how much of the Balut Section's continuing success is down to team effort from the oft 'behind the scenes management' of John 'Mr. Balut' Taylor, to the team selection problem-solving skills of Raj Kumar, to the photographic interventions of Else. Not forgetting the talents of Thipa, Eunicia, Ken and Becky – without whom our in-house events would not function as smoothly as they do. Let's continue this spirit of camaraderie and achievement in 2017 as befits being proud members of this prestigious Club.

Tony Fisher
Balut Convenor

BILLIARDS & SNOOKER

Billiards & Snooker Committee 2016/17 with other section members and guests at the 9th SCC Sports Awards. From left: Peter Gilchrist, Alexandra Mytton-Mills, Matthew Lim, Desmond Decker, Glenn Yeo, Jason Teo, Victor Yeong, Patricia Tan, Tan Bak Choon. Not in photo: David Yim.

It has been an eventful and blessed year for the Billiards & Snooker Section – what a winning streak we had in the past year. From the tournaments played in Royal Port Dickson Yacht Club, Padang Shield, to the newly formed ex-Tri-Nations tournament, we have won all of them!

At the end of the league season in March, we finished at the top half of the division 1 table. This year we also have a team playing in Division 5 league games.

Padang Shield game was held on the 9 July and we fielded our best possible team of five singles. This is the first time in the last 16 years of Padang Shield where we finally won SRC. Congratulations to all the players. Well done indeed!

Royal Selangor Club hosted the ex-Tri-Nations tournament on 30 July, which is the second cycle now in its eighth year since it first started. We arrived a day earlier to play our Interport game with Royal Selangor Club and won with a 7-1 score. Came the next day of the intense tournament, where we met with five other strong teams from Thailand (Royal Bangkok Sports Club and Assumption Association) and Malaysia (Penang Sports Club, Royal Lake Club and Royal Selangor Club). Our team did extremely well and finally emerge champions. This is also the first time in the last eight years since the tournament started that we won. Splendid effort to the team!

The month of September was a fairly busy month for us. We were honoured by the visits of two world ranking players – Rob Hall (World No.3) and Gary Norman (World no.23) on 15 September. We had wonderful exhibition games with them against some of our finest players. Having witnessed them play, I have to admit that, more than any other sports, snooker suffers from the problem of the pros making it look easy.

CNY celebration

Inter-club Six-Red at the PSC

The following day had us making our way to the much anticipated visit to Penang to participate in the mother of all Inter-club Snooker Tournament. 12 players made the trip to Penang. On the day of arrival, we played our Interport game with Penang Club. We played a couple of good games, which also served us a warm-up and preparation for the tournament proper the next day.

The next day, 17 September, saw us joining the 9th PSC (Penang Sports Club) Inter-club Snooker Tournament. The tournament consisted of 16 teams – the clubs participating were from Thailand, Singapore, East Malaysia and West Malaysia. They were Old Xavarian Association, Old Frees Association, Penang Club, Sitiawan Recreation Club, Royal Port Dickson Yacht Club, Royal Selangor Club, The Raintree Club, Royal Lake Club, Royal Bangkok Sports Club, RBSC Polo Club, Negri Sembilan CRC, Tawau Recreation Club, Kuala Muda CRC, Penang Sports Club (two teams) and Singapore Cricket Club.

We fielded Glenn Yeo, Gerard Ee, Jason Tan, Matthew Lim and Victor Yeong for both the singles and doubles. The competition took two days to complete. Our gallant players made it all the way to the finals. Our final games were played against RBSC Polo Club. Both finalists uniquely designed the games to ratchet up the pressure. We returned with the runners up silverware of the tournament – marking another milestone.

On 22 September we had our AGM. Everyone was pleased with the management of the section and no issues were raised during the meeting. I was returned unopposed. Jason Teo picked up the Captain's cap. We have David Yim as our new Treasurer and veteran Tan Bak Choon as Secretary. Though David might be a new face in the committee, he is no stranger to the section and great supporter of our tours. The rest of the Committee comprises of Peter Gilchrist, Victor Yeong and Matthew Lim. Shortest and friendliest AGM I have ever witnessed.

Our member Peter Gilchrist represented Singapore in the World Billiards Championship in December. We are proud and glad to announce that Peter has once again earned glory for Singapore by winning his fourth World Title. Congratulations Peter! Peter followed up this victory by being the first runner-up in the 150-Up billiards tournament. Peter achieved the following victories.

Hosting an exhibition match with Robert Hall and Gary Norman

- Crowned Billiards World Champion at IBSF Championship (December 2016)
- Crowned Champion at the Australian Open (September 2016)
- Crowned Champion at the New Zealand Open (September 2016)
- Crowned Champion at the World Billiards LITetask Borders Open (December 2016)

I'm proud to report that our section members – Peter Gilchrist and Glenn Yeo have been selected to represent Singapore for the upcoming SEA Games. We are planning a trip to travel up to KL to support them.

We had a great Christmas Dinner and Lunar Dinner for our members with great food, great bonding and excellent turnouts.

We had a visit from Penang Sports Club for their Interport games with us in February. At the same occasion we combined our social evening with the Golf Section. It was a great party and a great atmosphere with both section members enjoying themselves.

I must also report that the section has also grown. When I started as Convenor we had 195 members and at the last count we had 225 members. We hope to work hard and continue to grow the section so that we can organise more activities for our members.

I would like to take this opportunity to thank all my fellow committee members for all the hard work and dedication they have put it in to achieve what has never been achieved before.

Desmond Decker
Billiards & Snooker Convenor

BOWLS

Bowls Committee 2016/17. Back row/left: Ganesh Ramanathan, Edmund Lin. Front row/left: Bob Gattie, T. Q. Lim, Ron Pereira. Not in photo: Chng Ming Li, Shermeen Lim, Christian Huang.

THE DUST HAS SETTLED

Losing the bowling green for a year since May 2015 was difficult for many die-hard section members but it was all for good measure, with the Club supporting the Nation in her celebration towards 50 years of independence. The green was officially handed back to the Bowls Section in May 2016, looking extremely...green! While many of us would have loved for such lush greenery in our own homes, such vegetation was unwelcomed for even the strongest bowlers, with the green running below ten seconds for the initial two months. Work has to be done to make play enjoyable, but it would take a year or two for the green to be running pre-SG50 celebrations.

BUSINESS AS USUAL

Our bowlers were not handicapped by the lack of bowling facilities. Social bowling continued at Tanglin Club, whom we need to thank for extending their bowling facilities to us while our green was unavailable. On the National front, our SCC bowlers continued their good stead, medalling in all National tournaments in 2016. Virginia Longfellow won the Women's Singles and qualified for the World Champion of Champions last November. Unfortunately, the chance for a double did not happen as Christian Huang came in second best in the Men's Singles finals.

SCC Bowler Christian Huang (first from right) at the World Championships 2016 in Christchurch

In the National Men's Pairs, SCC brought home the silver (Edmund Lin and Ganesh SR) and Bronze (Melvin Tan and Wong Hui Kai) medals. Our SCC Ladies went on to claim two more titles, winning the National Triples and Fours in convincing fashion. The year got even better when Melvin Tan came out victorious in the National Singles League to qualify for the World Indoor Cup in Australia in 2017. Virginia ensured her year ended on a high with a silver medal in the Ladies' event. Christian Huang and Shermeen Lim also claimed bronze. The year culminated with Shermeen being crowned the Bowler of the Year by Bowls Singapore for her outstanding achievements. In 2016, we had nine bowlers (four men, five ladies) who were members of the National squad. They represented the country with distinction in many overseas tournaments.

BRINGING GLORY TO THE NATION

SCC bowlers also had a wonderful year on the international front. At the Asia Bowls Championships held in Brunei in January, Christian Huang partnered national team-mate Chia Tee Chiak to capture the bronze in the Pairs event. By virtue of his win in the National Singles League in 2015, Christian was also at the World Indoor Cup in March where he finished the tournament ranked 11th out of 21 countries.

Singapore hosted the Lion City Cup in July where SCC entered two teams in this Pairs team event which featured local clubs and countries from Asia. Both SCC teams reached the quarterfinals after their dominant display in the group stages. Unfortunately, SCC A consisting of Melvin Tan, Wong Hui Kai, Shermeen Lim and Chng Ming Li fell short against a rampant Malaysian team in the quarter-finals. SCC B, consisting of Christian Huang, Edmund Lin, Amira Goh, Mary Lim and Candy Lai went one better when they won their quarter-final clash against local club, Singtel. They then came up against another rampant Malaysian team in the semis which ended their campaign. They claimed a bronze, being the only local team to medal.

In November, Shermeen Lim and Chng Ming Li were invited by Hong Kong Lawn Bowls Association (HKLBA) to participate in the prestigious Hong Kong Classic Pairs tournament. This invitational-only tournament features top bowling nations and bowlers with long list of accolades. In their group, they claimed the scalps of Scotland, New Zealand and Wales, showing they were no pushovers. They were unlucky to finish fifth out of 12th in their group, narrowly missing out on the knockout stages by a mere three points.

Chng Ming Li and Shermeen Lim at the Hong Kong Classics

The highlight of the year was no doubt Virginia's bronze medal showing at the World Champion of Champions in Gold Coast. In a tournament where only champions of their respective countries can enter, she maintained a steady level of play to claim Singapore's first Ladies' medal in the event. We could not be happier for her.

To cap 2016 off, Singapore was represented by bowlers Christian Huang and Josephine Lim in the quadrennial World Bowls Championships held in Christchurch, New Zealand. It was the first time ever that any team from Singapore qualified for the tournament. Though wins were few and far between, the Singapore team did pull out some shocking results such as the Ladies' Fours win over host nations New Zealand and the Men's Pairs' stunning win over eventual champions Australia.

SCC Bowlers at the Annual Triangular Interport Tournament in Hong Kong

SCC Bowlers at Tatts 2016, Broadbeach Bowls Club

SCC Bowlers representing the Section at National Tournaments

SCC ON TOUR

In April, a group of 16 embarked on a tour to Broadbeach, Queensland for the annual Tatts. Although the team put up a good showing in various matches, they did not garner enough points for the overall title.

In December, there was the big event of the 15th Annual Triangular Tournament between SCC, Kowloon Bowling Green Club (KBGC) and Royal Bangkok Sports Club (RBSC). It was Hong Kong's turn to host the event and the hospitality extended to us by our friends in Hong Kong were top class. Results wise, there were much to cheer about as we beat KBGC in the Interport by a score of 97 to 94 shots. In the main Triangular tournament, SCC won both their games to win the overall event. The last time SCC captured the Triangular was back in 2005! Well done to all players! The section hopes to retain the trophy in the next Triangular where SCC would be hosting.

BACK AT HOME

The return of the Green allowed for some Club tournaments to be played. The Mixed Drawn Pairs was first up with 10 teams vying for the title. After weeks of intense matches, the experienced pairing of Chai H.Y. and Ee Chong Beng came out tops in the finals against Mary Lim and Anwar Gaffoor. The team of Rodger Kimpton and Ben Cunico came in third.

Next up was the highly anticipated SCC Singles. 18 men competed and Euan Wong, our newest section member walked away with the title, beating Melvin Tan in the finals. Edmund Lin was third after a hard fought win against K.U. Menon in the third-place playoffs. In the Ladies' event, Shermeen Lim avenged her defeat against Amira in the group stages by beating her in the finals to take home the Rose Bowl.

In the 39th Pot Games, the Bowls Section continued their good showing by winning the game 4-1 against Tanglin. The well-received Giles Roche inter-sectional event continued its run and attracted a good crowd with Team GC winning the trophy.

The last event of the year was the themed closing carnival in December. Social bowls was followed by a wonderful dinner at the Gilmour Room, putting a fitting end to the 2016 season.

VISION FOR 2017

As curtains close on a stellar 2016, 2017 promises to be an even more exciting year for the section. We will host the 16th edition of the Triangular tournament here in SCC. The SEA Games looms and we expect some SCC bowlers to be involved in the Games. Most importantly, we have a youthful Section Committee that would seek to invigorate bowls in the Club and attract new bowlers.

This has been an eventful year for the Bridge Section. Firstly, the Bridge Section's membership continues to grow in its fifth full year as a Sports Section under the auspices of the Games Control Board. The section now has about 70 members of which two-thirds are actively playing bridge at our weekly Monday sessions. The Monday duplicate bridge sessions are now held in the Victoria Room. The section holds more than 40 weekly Bridge sessions annually since 2014. Mr Carl Parker, a certified bridge trainer by both the SCBA and the American Contract Bridge League ("ACBL"), has continued to support the section as Bridge Director.

The section has continued to be part of the Premier Bridge League. This league is a conglomeration of eight bridge clubs in Singapore. Last year (our second year in the league) saw us improve significantly in our standing in the league – we moved from eighth to fifth position after a series of games in the second quarter of the year.

For the first time in 2016, bridge was included in the Padang Shield. The section made history as it won the event, which helped SCC clinch the Padang Shield. The section has also agreed to play friendly games with SRC, Keppel and Kembangan CC Bridge Club on a quarterly basis. This will encourage more members to take part in external competitions by providing the necessary practice.

Christmas game

Premier Bridge League – SCC hosted the finals and Geylang Bridge Club won the league.

The section was also delighted to have been invited by Tanglin Club to a friendly game on 10 May. Eight pairs from SCC took part and were hosted to a delightful dinner and games. The section will reciprocate in the first quarter of 2017.

Other inter-club competitions that our members also took part in were the Open-Pairs competitions organized by Tanglin Club, Singapore Swimming Club and SRC. The Bridge Section continues to be part of the Annual Pot Games with Tanglin Club.

The section continues to hold Beginners' Bridge Courses. We had a very good response so far and an equally heartening one this year. We seem to be the only club apart from the Singapore Contract Bridge Association to hold such courses. Mr Carl Parker, our Bridge Director will still continue as our trainer/instructor.

For the first time too, an Intermediate Bridge Course was held in May 2016. Again, the response to this course was great – 16 participants. Mr Carl Parker conducted four lessons based on what participants wanted to know in order to improve their play. Participants were so enthusiastic that they have requested for some more lessons, which the section will organise in 2017.

Besides our weekly regular games, the section also holds special events to celebrate the multi-ethnic festivals here in Singapore. During these 'festive' bridge sessions, the competition heightens as special prizes are awarded to the Best Pair/Pairs of the session. The two most significant events of the year are the National Day and the Christmas events. At the Christmas event, the Bridge Section presented its Annual Award for Best Individual Player and Best Championship Pair for the year. 2016's Best Championship Pair was Mr Lee Cheong Seng and Ms Soundarya Iyer and the Best Individual Player was Ms Seah Beng Tee, who also won the same award in 2015.

The Club staff continues to support the section in an efficient and friendly manner. Again, the section would like to commend the F&B staff for looking after us so well in the Victoria Room. The section also holds 'special' bridge events in the Gilmour Room occasionally.

Finally, the section would also like to thank the Sports Section for making it so easy to play bridge in the Club.

INTRODUCTION

The 2016 season was one of change. The first team, Lions lost six players from the 2015 season, which meant new talent coming into the Club and players from our Division 2, namely Cougars and Tigers had to step up to the next level of cricket in Singapore. We are pleased to report that many of them acquitted themselves admirably and the experience gained this year will hold them in good stead for the 2017 season. It was a year of change on the Section Committee as well with David Jones needing to step down after two and a half years as Convenor due to his election to the General Committee of the Club in April.

Across the leagues, our teams played 85 games with a winning percentage of 52%. This was a slightly lower than our performance in 2015 (54%). 105 players represented the Club in League cricket in 2016 with a further 54 players turning out for the Sat XI.

The best performing team in the Club in 2016 was the Cheetahs, who finished second in Division 3. The reward for that excellent performance is promotion to Division 2 and 40 over cricket next year. In Division 2, the Tigers finished in fourth place, as did the Lions in Division 1.

We did win some silverware during the year with the SCC Sphinxes, our over 40s side again winning the Singapore Masters League to defend the title won in 2015. Again, they went through the five-match competition undefeated. We also sent a team to the Penang Sixes in September and won the Plate competition.

SCC Sphinxes victorious again

Charlie Russell and Arit Dutta take on Australian international Chris Tremain in the SCC victory over Melbourne CC

Sean was part of the Singapore U19 team that qualified for the Asia Cup

SECTION HIGHLIGHTS DURING THE YEAR

With the return of the Padang in 2016, training was able to take place regularly throughout the year. As has been the pattern in prior years, training numbers were strong at the start of the season, but then dropped off as the season progressed. Although this is not surprising given the disjointed nature of the League draws during the year (when 14 games are spread out over 25-30 weeks, with some long breaks between games), we must make a better effort to attend training when games are upcoming. It is not surprising that the most regular trainers during the year put in, by and large, the best performances on the field.

Ricky Anderson, in his first full year as coach was very effective in improving the skills of all players, as well as putting in some great work on the mental side of the game. We are grateful for the continuing support of the Club to allow us to have a coach such as Ricky who is fantastically dedicated to his craft. However, but going forward we will need to fund this through a combination of sponsorship and growing our junior programme, which is a major challenge for the year ahead.

Junior Cricket continued to develop under the tutelage of Ricky, ably assisted by Riaz Hussien and Arun Vijayan. The quality of youngsters coming through the system is testament to their work. 28 JSMs played league cricket during the year. One of the highlights of the year was 15 year old Sean Aggarwal being selected in the Singapore U19 team that played in the Asian U19 World Cup qualifiers. Sean performed very well in the tournament and was instrumental in the team finishing second and qualifying for the U19 Youth Asia Cup in Sri Lanka which will see the Singapore side play India, Pakistan, Sri Lanka, Bangladesh, Nepal and Afghanistan. Sean was selected in the Singapore U19 team for that tournament along with another JSM, Brigu Iyer.

In an initiative to develop our JSMs, the Panthers team during the year was comprised of a mix of veterans, ably led by former Singapore captain Graham Wilson and JSMs. The opportunity for the youngsters to play with some of the wizened hardheads of the section was grasped with both hands by many of the younger players. The wisdom and advice passed on to Sean, for example, played a not insignificant part in his development this year where he ended up playing for Tigers and Lions in the later games in the season leading to his selection for Singapore.

Further representative honours were awarded to a veteran of the section Sukanti Sen who was selected in the Singapore over 40s indoor cricket side that played in the world championships in Birmingham in October.

In September, we hosted a team of Disabled Cricketers from India. As a mid-week game, we struggled to put a team together, but due to the hard work of Dene Border and Joe Windscheffel, eventually put a team out. Those that played remarked on what an uplifting, inspirational experience it was playing against guys who, despite their disabilities, possessed a passion for the game that had to be seen to be believed. Thanks to Santosh, the game received coverage in the Straits Times, which painted the Club in a fantastic light.

The Club XI continued in 2016 and provided a great opportunity for League players and JSMs alike, particularly during those 'down' periods of the season caused by the League draw.

INTERPORTS

In 2016, we hosted both the Royal Bangkok Sports Club and the Royal Selangor Club. In both Interports, we were beaten in the social game but won the cup. Both weekends were a great opportunity to renew friendships with members of both clubs and enjoyed thoroughly by all who participated.

Melbourne Cricket Club visited us in April as part of the first multi-section tour since we visited Melbourne in 2007. Our thanks go to Richard Stapley-Oh, who as our Chairman, Games Control Board at the time, was instrumental in making this happen and Tracy Jones who was the event co-ordinator between the two clubs. We had two competitive matches and won the trophy match for the first time in many years. The highlight of this was a fluent 77 by Arit Dutta against a bowling attack that included Chris Tremain, who recently made his ODI debut for Australia against South Africa.

CHALLENGES IN THE YEAR AHEAD

The primary challenge that we and cricket in Singapore generally face is the availability of grounds on which to conduct our matches. Next year, the Yorker ground will not be available for SCA cricket. At SCC, we are fortunate to have the Padang and Dempsey. However, the current lease of Dempsey expires at the end of August 2017. Without Dempsey, scheduling for all of the current teams in the Club will become extremely challenging. Quite

rightly, the Club's General Committee has shone the spotlight on the costs of maintaining Dempsey as a second ground. We, as a section have addressed the issue by being instrumental in placing the hiring of the cricket field at Dempsey on a more commercial and community footing. Clubs using Dempsey now pay affiliation or hiring fees when they have games there.

Another initiative that had been approved by GC was the cash bar at Dempsey. Visitors can now purchase drinks as well as a limited food menu. When the bidding process opens up for the lease post-August 2017, we need to be in a position to mount a strong case. No one is saying Dempsey must be profitable. We are simply seeking to put the ground on a more commercial footing, which is in the interests of all members of the Club.

Another key challenge is spreading the workload of the section. Currently, the committee does 90% of the heavy lifting in ensuring that we keep a vibrant section alive. And this is what we are elected to do. There are times when we seek your support and really appreciate the section members who stick their hands up to do so. What I would ask all of you is to consider helping out. We are all busy with work and family life, but with a little bit of effort comes great reward. If we share the load, we can ensure that the section continues to grow and be successful into the future.

BRIAN LARA AT SCC

One of the major achievements of the section was to bring Brian Lara to visit us and share his experiences with SCC members. The Gala Dinner was well attended by more than 200 people and we opened the event to the cricketing community in Singapore at large. The master class session for senior and junior cricketers and a round of golf with the maestro were well attended. A great initiative by the section that spanned over three days and was well supported by the cricketing fraternity in the country as well. We were also able to position ourselves well with some key sponsors like American Express which should hold us in good stead for similar events in the near future.

Brian Lara with Umish Parthasarathi at the Gala Dinner

2017 T20 TOURNAMENT

As you all know, we postponed the 2016 T20 tournament to 2017 and this will be held from 11 to 13 August. We have brought it forward to avoid conflict with the SEA games in KL from 19-31 August, where cricket is one of the sports.

We have some fresh ideas about the tournament, including television coverage over Youtube, a TV highlights package that will air on ELEVEN SPORTS and a blanket social media coverage. I'm pleased to advise that Push Sharma has agreed to be Tournament Chairman for 2017. He will be looking for volunteers for his committee and I would urge you to step forward and help.

Hugh Darwell
Cricket Convenor

A promotional poster for the 5th Singapore Cricket Club International Twenty20 Tournament. The background features a stylized cricket field with a red and yellow diagonal stripe. In the foreground, a cricketer in a white shirt is seen from behind, holding a cricket bat high in the air. The text on the poster reads: 'Exclusive Invitation TO BE PART OF SOUTH EAST ASIA'S LARGEST TWENTY20 CRICKET TOURNAMENT'. At the bottom right, it says '5th SINGAPORE CRICKET CLUB INTERNATIONAL TWENTY20' and '11, 12, 13, August 2017 (Friday, Saturday & Sunday)'. The Singapore Cricket Club logo is in the bottom left corner.

DARTS

Darts Committee 2016/17 with other section members. From left: Sunder Ramchandani, Retna Sabapathy, Mohiethen Fathima, Rod Murchison, Soma Devi, Shelia Nagiah, Lynn Wilson, Mohan Balagopal, George V. Abraham, Kelvin Teo. Not in photo: Paul Murphy, Laurence O'Donovan, Sally Brenchley, Raymond Ambrose, Genevieve Chase.

DARTS ACTIVITIES

The section's Darts Night at The Oval is held on the second Thursday of each month. Aside to this, we do have many other impromptu darting sessions at the Men's Bar where we are equipped with two dart boards.

FRIENDLY GAME WITH BRITISH HIGH COMMISSION

Darts members were off to the British High Commission for some friendly games which we organised yearly. I would like to thank Raymond Ambrose who made this possible making it a breeze to have friendlies with the staff of British High Commission darters, making it a memorable event for us. There were lots of games and we ended the session with karaoke. It was truly a day to remember with both teams fostering great camaraderie.

LADIES DARTS NIGHT

2 June was a night remembered by most ladies at SCC as we held our Annual Ladies Darts Night. We had an overwhelming response this year with close to 60 ladies participating in 16 teams. Tennis fielded three teams, Netball and Squash fielded two teams each, Balut, Bridge and Cricket fielded one team each and there was also a team from the SCC Staff. The guest teams are: Darts Virgins, Get Set, Dulwich Damsels, Deft Darters, Flying High and Lorna Lassies.

We also had great support on chalking and scoring from our male players – Mohan Balagopal, Kelvin Tan and Laurence O'Donovan.

GC Member Joyce Foster throwing the first darts of the Annual Bullseye Tournament

Wonderful turnout at the Ladies' Darts Night in June

Congratulations to the following winners:

- 1st Prize – Squash Crashers: Shelia Nagiah, Maheswary V and Andrea Nicholas; unbeatable so far winning three years in a row!
- 2nd Prize – Genevieve Chase, Lynn Wilson and Fathima who moved up from third position last year.
- 3rd Prize – Netball: Nanthini, Jacqueline Ann and Erin

We would like to thank our generous sponsors immensely for the prizes and treats and all section convenors and participants for making this event successful.

SOCIAL DARTS WITH MELBOURNE CRICKET CLUB

It was a great turnout by members of the Melbourne Cricket Club and the Singapore Cricket Club on 10 April 2016. We had more than 50 members from MCC turning up for Social Darts. It was an evening filled with loads of camaraderie and laughter. Everyone present had a good game. Initially, we had only 12 players who had registered for Social Darts but we were surprised with the overwhelming attendance and awesome support given by the MCC members.

We had a good mix of SCC and MCC team members in each group. The MCC team had strong darters who were highly competitive. Many of them even trained at our Men's Bar since their arrival at SCC.

Most of the MCC members returned home on 11 April 2016 so this was a great and memorable way to end their sports journey with SCC. Everyone who had attended informed us that they would definitely consider including darts as part of their sports at MCC and they truly enjoyed the event organised by SCC.

Many thanks to the MCC members – Steven McCooke, Tim Herringshaw and Linden Clarke for making this event a success in getting as many teams from MCC to play the game. We were very glad that the SCC Members played a good host and made this a successful event. Thank you, Philip for organising series of 301s and 201s.

ANNUAL DARTS INTERSECTION

13 August saw the various sports sections ready for battle in the Annual Bullseye Tournament organised by the Darts Section.

The teams played the 'best of three'. Games were keenly contested with sections demonstrating a healthy combination of competitive play and sportsmanship – exactly what the SCC is all about!

The final result: 1st – Squash; 2nd – Tennis; 3rd – Bowls

We were fortunate to have members of the GC present to award the prizes and the Len Foster trophy went to the Squash Section, together with a special prize of Night Race tickets.

Special thanks to Raymond for helping to arrange this and for his generous contribution of champagne for the 'Best Dressed Team' which went to the Tennis Section with the theme "Where's Wally". The highest score of the day went to Boardy from Cricket 1, who received a bottle of wine generously contributed by Soma, our wonderful Treasurer. A huge thank you to the Darts Committee for their efforts and to those co-opted to help organise the day. We look forward to the continued support of all Sports Sections in SCC!

POT GAMES 2016

It was a triumphant moment when SCC won the darts game with Tanglin Club on 3 October. It was indeed a competitive afternoon for most SCC darters as they represented our section to 'play-to-win'. The participants had been training conscientiously and they brought back the trophy.

It was a nail biting game and TC were leading in their Men's Singles. Our darters came back on track and we won a series of the following games.

- 1) Men's Singles – Sebastian (SCC-1, TC-2)
- 2) Ladies' Singles – Lynn Wilson and Shelia Nagiah (SCC-2, TC-0)
- 3) Men's Doubles – Graham Wilson and Sebastian (SCC-1, TC-1)
- 4) Mixed Doubles – Team 1 Mo Yasin and Fathima; Team 2 Paul Murphy and Sally Brenchley (SCC-2, TC-0)

SCC and MCC darters

The SCC darters wrapped it up with a turkey win, which gave us an overall victory with a 15-8 score.

Thank you to all players for taking their precious time to compete and represent the section. We would like to also thank our supporters from the section for their presence.

The team worked really hard for this win, practicing almost every other day at the Men's Bar. Determined to win, we came back strong with an overall win for the Pot Games trophy.

DARTS SECTION YEAR END PARTY

A time for get together for the entire Darts Section, the Year End Party was held at the Gilmour Room with a Hawaiian theme. The entire venue was decorated vibrantly with coconut trees, leaves and colourful orchids. We are indeed fortunate to have President Manu Bhojwani attending as well as Games Control Board Chairman Mr Sher Baljit Singh and GC Member Mr Anwar Gaffoor.

We had lots of games lined up and everyone had a ball of time. Since it was a Hawaiian Night, we had to look out for the 'Best Hula' sway. The entire room was filled with laughter and happiness as everyone had a role to participate in the games.

We had great lucky draw prizes such as travel vouchers to Bali, Krabi and Bintan, as well as spa vouchers. Everyone was delighted as most of them walked away with prizes.

Our dance floor was taken away with live band, Trevor who rocked the dance floor and entertained all of us with his great voice and music. Thank you, Trevor!

CONCLUSION

Darts Section is blessed with a fantastic committee who are continuously working hard for the section and ensuring all the planned events goes on smoothly.

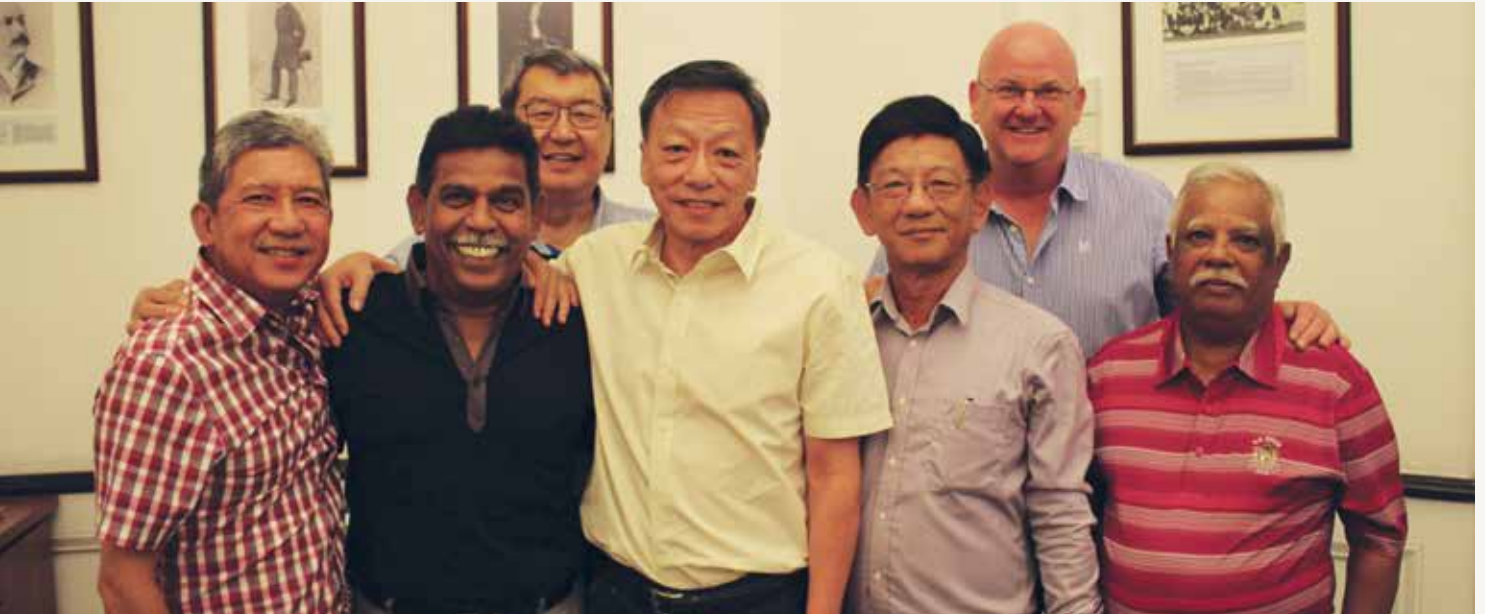

The section committee would like to place on record its gratitude to all section members who have in one way or other contributed to the continued success of the section. Special Mention must also be made to the Club's F&B staff – Razi, Muthu and Vicky. Special gratitude to Chovin Ong and Becky Xu and the Sports Department for their contribution to the successful activities the section had organised.

INTER-CLUB WITH CHANGI GOLF CLUB – 24 JANUARY

We started 2016 with an inter-club match with Changi Golf Club, which has always been more fun than competition, though on this occasion, we scored a rare win with the help of many Changi members who are also section members.

LO-HEI GAME – 17 FEBRUARY

This traditional CNY game and dinner was held at the Jurong Country Club and a good turnout of 48 players had a good round of golf followed by a Yu Sheng dinner at JCC's function room.

MCC VISIT – 8 APRIL

Some eight golfers accompanied the main contingent from Melbourne Cricket Club and we hosted them to a game at Seletar Country Club followed with a barbecue meal at the club's Tavern. There is a good likelihood that the section will pay a return visit to Melbourne in August 2017 for a few games of golf.

MAJOR TOUR TO NANJING, CHINA – 17 TO 21 MAY

16 members of the section, some accompanied by their spouses, visited the ancient city of Nanjing in eastern China for five days of golf and fine dining. Three games of golf were played and the weather was particularly cooperative – cool and dry, till the last day of the trip.

Annual game with Changi Golf Club

Christmas Golf Game at TMCC

Pot games with Tanglin Club

INTER-SECTION SOCIAL GAME – 17 JUNE

This annual event was held at the SICC Old Course and the turnout was good with some 44 participants from the Golf and various sections. Unfortunately, inclement weather prevented the completion of the game, though the players did not let it dampen their spirits and an evening of dining and drinking ensued.

PADANG SHIELD – 1 JULY

The match against SRC was also marred by inclement weather stoppages and all the players from both sides resigned themselves to drowning their 'sorrows' with copious amounts of beers. This biennial event will be next hosted by SRC.

SOCIAL NIGHT – 5 AUGUST

This social event is meant to be a quarterly meet up for members who are too busy to spend a whole day golfing and dining. As usual, it was held at SCC's Gilmour Room and some 50 members attended.

BATAM TRIP – 19 & 20 AUGUST

An overnight trip with two golf games were organised jointly with the Cricket Section and 16 members from both sections took part in this golf holiday to the nearby southern island.

SCC ANNUAL GOLF TOURNAMENT – 9 SEPTEMBER

This is the marquee event in the golfing calendar and for the first time it was held at Seletar Country Club. Unfortunately, a champion could not emerge as the tournament was cut short by a thunderstorm. However, all was not lost, as most of the players returned to the Padang Restaurant for a great dinner and a long night of reverie.

ANNUAL POT GAMES – 29 SEPTEMBER

Hosted by Tanglin Club at the SICC Island Course, SCC fielded a weakened team as most of our stronger players could not make it for the match. It was a long time since we last conceded the President's Golf Challenge Trophy to Tanglin.

SCC Annual Golf Tournament at Seletar Country Club

Interport game with Royal Selangor Country Club

SECTION AGM – 20 OCTOBER

The AGM was held at the Gilmour Room, and a team of office bearers were elected uncontested to form the new committee.

KL INTERPORT TOUR – 10 TO 12 NOVEMBER

19 section members travelled up to KL to play Royal Selangor Club at the Glenmarie Golf Club. Though the match was interrupted by inclement weather most of the golfers managed to finish the game. RSC hosted the contingent to a dinner at their Kiara clubhouse. The team played another two social games before heading home.

SOCIAL GAME – 25 NOVEMBER

47 players took part in this social golf game at JCC, knowing that it would be their last opportunity to play on an iconic course that was to be returned to the authorities at the end of the year. A dinner was held at their clubhouse.

CHRISTMAS GOLF – 15 DECEMBER

A total of 65 participants took part in the year-end major event held at TMCC’s Tampines Course. The golf game was followed by an evening of good dining and drinking, entertained by the group, Heart & Souls.

As at the end of 2016, there were a total of 452 members in the Golf Section.

SCC Special Recognition Award winner, Mathavan Devadas

2016 was another outstanding year for the section. After the resounding success of the 22nd Hockey Sixes in March, which featured up to 64 Men's and Ladies' teams participating in the two-day tournament at the Padang and whose prize presentation was graced by Mr. Baey Yam Keng, the Parliamentary Secretary of the Ministry of Culture, Community and Youth, the SCC Hockey Section went on to accomplish positive results and good rankings.

Our youthful counterparts, especially, did us proud, with the Girls' Under 19 achieving a Gold and the Boys' Under 19 achieving a Bronze, in the National Junior League.

SCC's hockey home at the Padang, a venue with no equal!

The Hockey Section was elated on winning numerous accolades at the 9th SCC Annual Sports Awards held on 15 April 2016, namely:

- Section of the Year Hockey Section
- Team of the Year Hockey Section's Men's 1st XI Team
- Sports Woman of the Year Catherine Wheeler
- Sports Man of the Year Ken Forbes

The rest of the section similarly demonstrated their capabilities, winning several key tournaments and competitions, with:

- Both the Men's and Ladies' Division 1 teams emerging with a Bronze;
- The Men's Division 2 team emerging in 6th position;
- The Ladies' Division 2 team emerging in 5th position;
- The Men's Division 3 team emerging in 4th position; and
- The Men's Division 5 team emerging with a Bronze.

In August 2016, we were visited by the MCC (Australia) Team, on their tour. Our teams played two exciting matches against the visiting team and won one of them, thanks to the outstanding sportsmanship and determination displayed by our players. The experience was a memorable one for all the players involved, both in terms of the friendships forged and the tips and tricks exchanged in respect of the sport.

2016 was also a good year for the section in terms of intersection bonding. Our section members had a wonderful time participating in the Giles Roche Intersection Bowl Trophy, as well as the Intersection Netball Tournament.

22nd SCC International Hockey 6s – SCC Ladies' versus The Pink Ladies from Australia

The section also organised "Social Hockey" on the Padang, on every last Friday of each month, to facilitate interaction and bonding amongst both the active and non-active members of the SCC Hockey Section and to remind everyone of the social aspect of the game.

To this end, the section even got the seniors involved, to remind everyone that you are never too old to showcase your talents on the field. Between March to November 2016, the section organised up to six hockey trainings and friendly matches for section seniors' at the Padang.

SCC Hockey Section jubilation on being awarded the prestigious 'Section of the Year' award

A particular focus of the section in 2016 was to groom young players for hockey development in the Club and eventually set up an integrated Hockey Academy. We are pleased to announce that we have since been joined by nearly 36 energetic children / young adults between the ages of 5 to 16, who are training diligently with Chief Coach Kanan. We hope to make youth participation a permanent feature of the section. Trainings are currently conducted every Saturday at Delta Hockey Stadium from 11am.

As the year came to a close, the section was excited to celebrate the achievements of one of their very own, namely the Section Treasurer, Mathavan Devadas, who had officiated as a Technical Official at the Rio Olympics Brazil in July 2016. This was Mathavan's 4th consecutive Technical Official Appointment in the Olympic Games. Prior to the same, he had also been appointed as a Technical Official in the Athens (2004), Beijing (2008) and London (2012) Olympic Games. Mathavan was honoured at a special event dedicated to outstanding Club Members led by the Club President Mr. Mohan Bhojwani on 12 December 2016, during the New Members election night.

Moving forward, the section hopes to continue its tradition of excellence and celebrating a diversity of members, both young and old. We would also like to thank everyone who has made the year such a memorable one.

A triumphant year for the Netball Section would be the apt way to describe 2016. We have enjoyed the fruits of our labour with the most successful year in terms of netball performance. The committee adjusted our strategy in challenging situations carried forward from 2015, expanding our pool of JSMs in the face of declining sports membership uptakes and this paid off with the teams achieving podium finishes across all competitions we participated in.

The core committee extended their duties into a second term which allowed for continuity in executing against our plan of building a winning section. For the first time since netball was introduced in the Padang Shield seven years ago, Team SCC triumphed over SRC in a hard fought match, etching the moment in history.

The Hawks had a stellar year, starting the year off by emerging champions in the SCC league. This was a feat in itself, coming up against teams an SCC team has clinched the trophy and a sweet victory to bring back the trophy. Another first and history-making moment was during the National League where the team emerged champions, a title that SCC has never been able to claim since the sections revival eight years ago. A team that's pushing those boundaries of performance, we're confident in another year of outstanding performance in 2017.

MCC visit

The Hawks

The Eagles also had a great year, adding to the medal tally for the section, as they came into the National League stronger and more determined. The team took second place in their division, nipped slightly at the finish line by another team. The Eagles demonstrated performance of a team on the upward trend with the potential to clinch the title in 2017.

The Falcons, our mixed team also saw a couple of firsts – our first two male JSMs, joining the section to don the black and yellow colours on the netball court. Proving assets to the team and with the increasing interest and participation of men and women in the mixed format of the game, the team clinched second place in the National League.

Beyond the winning streak, our focus on youth development saw a concerted effort in 2016. The Netball JSM Carnival returned to the SCC courts for another successful edition with participation of over 10 teams. To sustain the momentum of interest from these annual JSM carnivals and to further our objective of expanding the numbers of youth in the Netball Section, we launched a youth development programme towards the end of 2016 that has already seen two players move into playing with the adult team.

Annual Bangkok Southernners Tournament - Tour virgins donning their eye-catching outfits

The SCC league, a league set up by the Netball Section to supplement a short Netball Singapore-organised playing season for club teams also continues to grow with every year – this year, with the most significant change of increasing the divisions from three to four and subsequently the number of teams to 22. The overwhelming popularity in the league is attributed to the league being run the most professional manner possible by our star Section Member, Nan, whose relentless focus on ensuring every bit of organisation from the courts to the fixtures and umpires are on point.

The Netball Section had the pleasure of forging new relationships with long-term affiliate Melbourne Cricket Club as they came down for a Multi-Sport Tour in April. We did get taught a lesson or two on court by the MCC girls but at the same time it was a great experience for the SCC players in the lead up to our National League. Hosting teams also hosted a visiting HK team early in 2016 where we organised a round robin tournament for our visitors in another lesson for the SCC team on court!

Apart from hosting teams in Singapore, the netball girls took part in what is now a regular fixture in our netball calendar, the Annual Bangkok Southernners Tournament in May. Our touring team, the SCC Flamingos emerged second in the Plate category, one of the best results that we've achieved so far in this annual tournament.

Kilbee Cup

With half the team consisting of four virgins, the team had nothing short of fun since the moment we stepped into the airport and through this tournament, the team managed to further bond with one another, stepping stones for an impactful year.

In September, the Flamingos flew on to Hong Kong – a touring destination we have just revived, for a friendly match against the Hong Kong Football Club team. ‘Learning’ from the matches with HK and MCC, the team displayed grit and some excellent performance to win the match with a score of 31 - 24. Adding to the flurry of netball activities, the section also participated in the annual Beach Netball tournament, walking away as runners-up in the Women’s Open category!

Keeping the spirit of camaraderie through sports alive, we also revived events to involve other sections this year with our courts back finally back. We re-started the Kilbee Cup, contested between the Cricket and Netball Sections. Having a number of the cricket boys join our mixed team proved to work against the Netball Section’s favour as we graciously handed the Kilbee Cup to the Cricket Section in a convincing 11-point win.

Towards the end of the year, we also revived the Netball Intersection, seeing an enthusiastic turnout from the Cricket boys yet again and two team from Squash, sending in their army of young players to participate in this social but competitive event. Once again we conceded defeat to the cricketers who lifted the Intersection trophy at the end of the day.

While we continue to push the boundaries of netball performance and raise the profile of SCC in the netball circuit, Intersection events have proven to be an important part of the sporting community within the SCC to bring the Club together through the love of sports. We hope to continue with these activities as we enter into another exciting year for the section.

A young and relatively small section, the work never stops in the organisation of all the activities and we’d like to extend a big thank you to our SCC Sports Department especially Thipa and Janet for the assistance provided to the section. Having the support of Baljit, the Chairman of Games Control Board and the rest of the GC has allowed the section to thrive in challenging times and we’d like to extend our gratitude to them.

High on the fumes of victory in 2016, we look forward to a stronger year for the section both on and off the court, made possible by the infrastructure we are privileged to have at the SCC and support from the staff and GC.

RUGBY

Rugby Committee 2016/17 with other section members. From left: Jonathan Leow, Mike Cosnett, Bryan Lim, Rick Watkins, Rishi Chandiok, Marc Lansonneur, Samuel Sharpe, Terence Noe, Stuart Watson, David Griffiths, Nick Passi. Not in photo: Joshua Sims.

One of the questions which the Rugby Section has been contemplating for some time is what sort of rugby club the SCC is. Rugby in Asia is becoming more professional and better funded. Rugby 7s has become an Olympic sport and the popularity of the game is increasing in the region. Clubs which the SCC in the past used to play and beat, such as those in Japan and Hong Kong, are now semi-professional, with major sponsors and teams which can compete at an international level.

Historically, the SCC has been the home of rugby in Singapore. It was where the first rugby matches were played in Singapore and the SCC was instrumental in nurturing Singaporean rugby talent, supplying many, if not most of the national team. So the question is, should the SCC still strive to live up to its past glory? Can we compete with our fellow clubs in the region? Can we develop the best National players and foster Singaporean rugby talent – perhaps even help build towards a SEA Games gold medal for Singapore in Rugby 7s?

We think we can. We also think we can achieve this and reduce the cost of rugby to the SCC. But how?

There are three strands to the section's strategy, which we have been developing in 2016. I discuss each (in no particular order of importance) below.

The first strand is the Rugby Academy.

SCC Academy Head Coach Bryan Lim runs a rugby introductory session for kids, supported by Beyond Social Services and Sport Cares

SCC Academy U6s

In July 2016, the Rugby Academy was reorganised as a not-for-profit entity, with all profits being directed to coaching and developing talent. The Academy currently has over 450 kids (boy and girls) from the ages of 4 to 16 training on Thursdays, Saturdays and Sundays (Touch Rugby) at Dempsey. The Rugby Academy supports the section in two critical aspects. First, it allows certain costs of the section to be covered by the Academy, reducing the cost to the Club (for example the cost of coaches and common equipment). Second, it allows the development of local Singapore talent for the senior teams. The SCC is now one of the few rugby clubs in Southeast Asia where you can join as a young child and play until you are 60 or more (which some do).

Thanks to the hard work of Academy President Richard Cook, Head Coaches Suhaimi Amran and Bryan Lim and Manager Sarah Finley and others, the Academy had a fantastic season in 2016, with some impressive wins at the SCC's very own Robert Walters 7s and Touch Tournament (held the week before the SCC 7s). Particular congratulations went to the SCC Tigers (U8 and U12, who won their age groups), as well as the SCC U14 Gold team who also took home silverware.

In addition to success on the field, the Academy has been working with Beyond Social Services to introduce disadvantaged kids in Singapore to the game and provide rugby training. The Academy is also working with a number of neighbourhood schools to provide rugby training to students. Those kids with talent will also be offered a rugby scholarship (paid for by the Academy) to join the SCC as junior sports members.

The second strand is fostering success on the field across all grades.

Success on the field encourages the best talent to come and play for us (notwithstanding the expense) and encourages new members to join the SCC and play rugby.

The section fields four competitive teams: a First (the Prens), Second (the Tankards) and Third (the Lions) XV as well as our over 35s team, the Growlers.

2016 and 2017 (so far) has been very successful for the senior teams. The SCC Tankards have won the 2016/2017 Championship and are preparing to retain the Shield trophy. If the Tankards can do the double again, it will be the fifth year running for Captain Shane Dewar's men.

The SCC Lions, who played up in the Championship (with the Tankards) this year have gone from strength to strength after a difficult couple of opening matches in the league. Under new captain Jack Whiskin, the Lions finished the season in fifth place in the Championship league.

The real focus this year has been the SCC Prens and our continuing campaign to finally win the Cup. Under Coach Will Skinner, the Prens have performed well, beating all Premiership sides consistently, with the exception of Wanderers and Bucks (in a shock defeat in the semi-final). Given Wanderers dominance of the Premiership over the last few years, the SCC will remain underdogs in the 2017/2018 competition. But although the SCC sometimes struggles to match the depth of the Wanderers first XV, the black and gold have some exceptional players in the likes of Mikey Oliver, Taylor Hayes as well as National Team Players Adam Vine, Xavier and Alex Ducourneau and Declan Martens (among others).

SCC Prems take on Bedok Kings

The third strand is the SCC 7s.

The SCC 7s is the oldest Rugby 7s tournament in the region and one of the oldest in the world. Starting on the Padang back in 1947, the tournament will be in its 70th year in 2017 and promises the best of top international and club rugby 7s in our very own club.

Despite a difficult start, the 2016 Rugby 7s was a resounding success, with close to 2500 tickets sold and a healthy surplus being achieved by the tournament. Although scaled down from previous years in terms of size, the new layout including the new open plan public stands and extensive kids and family area added a great atmosphere to the tournament, which also complemented the world class rugby on the pitch. The 2016 SCC 7s was also special because of the historic achievement of the SCC 7s squad, coached by the Club's very own Suhaimi Amran. As 2016 Plate winners, the SCC achieved the best result since 1972, when the Club last won the Ablitt Cup.

A high quality but sustainable SCC 7s is essential to the development of rugby at the Club. It not only maintains the Club's standing and prestige in world rugby, but if properly managed it can be an important revenue source to support rugby at the Club.

The section intends to build on the achievements of 2016 in line with the current strategy.

SCC Academy Girls' Touch Rugby U10s prize giving

In addition to the above, the section will be introducing a new Touch Rugby team and training programme open to both men and women. Touch Rugby is a non-contact code of rugby, which is a fast growing sport in Singapore. We hope that this new initiative will encourage more SCC members to get involved in the Rugby Section, as well as encouraging more sportsmen and women to join the SCC to play Touch Rugby. The Touch Rugby team will build on the very successful girls Touch Rugby programme currently being run by the Rugby Academy.

Historically the 'over achievers' of the SCC, 2016 could be described as something of a mixed bag by our section's exceptionally high standards.

The Firsts and Strollers both recorded league cup wins whilst the Pads and Thirds were our two most successful teams, raking in seven more trophies between them. Sadly, however there were no league titles for our section this year. That said the section continues to go from strength to strength both on and off the pitch.

The Pads and Thirds are again competing strongly when it comes to the highest bar bills. Meanwhile, on the pitch we now have four highly competitive midweek teams in the First Team, Lions, Thirds and Pads; whilst the weekends see three more teams competing for honours, with the Firsts, Strollers (Saturdays) and Tigers (Sundays) all playing.

Before we delve in to the respective team's summaries, as Convenor, I would like to take this opportunity to thank all of the people, both SCC staff members and also the section volunteers such as the captains and managers, who make every game and social occasion possible.

Dominic Lane

Soccer Convenor

SCC FIRSTS 2015/16 SEASON – COSMO LEAGUE

Silverware: Cosmo Cup winners; Cosmo League runners-up
Golden Boot Winners: Andrew Hutcheon and John Spackman
Player of the Season: John Spackman

The First Team retained the Cosmo Cup for the eighth consecutive year. Captain John Spackman, in his last game for the Club, made sure our winning streak didn't end by providing a last-minute header, in extra time, against our old foes, the Casuals.

The final score (after extra time) was 3-3, sending the game towards penalties once the opposing fans had decided to end their premature celebratory pitch invasion. The Firsts then went on to hold their nerve in the shootout, with some well-taken penalties and 'Spacks' duly lifted the trophy. A fitting send off for a Club stalwart, before he jetted off to the Middle East.

Sadly, the First Team's league position was not what we would have liked; finishing second for the first time in eight years. Congratulations to TGA Rangers who had an outstanding season, pipping us to the title by just two points. Despite the disappointment of finishing second, the team still performed admirably throughout the season. Special mentions should go to Danny Hammond who decided to hang up his boots after four highly successful years for the Club, whilst debutants Tim Walter and Anthony Garreau both had assured first seasons for the team too. Meanwhile the effervescent Ronnie Smollet continued to perform regular heroics, between the sticks too.

In the managerial dugout, the SCC's answer to Bill Shankly, Owen Monaghan decided to take a breather, as he announced his retirement as First Team Manager. Owen has been without question the most successful manager the Club has seen. His first league title as 'The Gaffer' came in 2008/2009 and he then followed that up with six more Cosmo league titles. With regards to the Cosmo Cup he has now won the trophy 10 times (as a player and manager), resulting in an unprecedented six league and Cup doubles. Before we even begin to discuss his SingTel Cup and Windmill cup hauls, it's fair to say that the Club has been incredibly lucky to have him as our manager.

Seven league titles, seven Cups and six doubles in just eight years will be a managerial record that should go unbroken for a long time to come. A huge thank you to Owen for everything that he has done for the First Team.

Fortunately, Owen's winning legacy lives on and the Firsts sit top of the league and have racked up some impressive winning scores under our new coach, Anthony Houlahan. In fact, the Firsts last four matches have finished: 10-0, 6-1, 6-1 and 8-1. That's 30 goals for and just three goals conceded. At the same time the Firsts have maintained this strong form in the Cosmo cup, reaching the semi-finals. The future looks very bright indeed.

Management: Owen Monaghan – 2015/16

SCC STROLLERS 2015/16 SEASON – EQUATORIAL FOOTBALL LEAGUE

Silverware: Equatorial League Cup – Winners 2016; defeated British Club in final league, 0-2.

League: Finished 7th – 30 points (11 points behind the league winners)

Golden Boot Winner: Jake McFarlane

Player of Season: Mo Yasin

The Stroller's season ended on a very upbeat note after winning the Equatorial cup final and playing some great football in the second half of the league.

The season started relatively slowly as we tried a new approach of blending older experience players, with youth team players to try and achieve a good progressive style of football in a strong and competitive league.

Frustratingly it took a little longer to gel and recruit a core group of players, but once this was achieved the results started to improve and the season finished well which culminated with the Cup win.

This upward curve has continued this season, where Strollers sit top of the table, albeit on games played, but a good sign of improvement and relevance in developing players for the first team and familiarity within the Club.

The team will also be fiercely defending the Cup again which we hope will result in end of season silverware once more!

Management: Bruce Loggie and Piers Bourke – 2015/16

SCC TIGERS 2015/16 SEASON – ESPZEN FOOTBALL LEAGUE

12 months ago the SCC Tigers started the new ESPZEN Sunday League season with a fresh squad of young players from the academy led by coach, Luke Diaz. Midway through the season, Luke left Singapore for a semester and handed over the management of the team to the older players Yossi Azran, Aaron Jones and Etienne Van den Bogaert. SCC Tigers also saw a few players move on to the SCC First Team and some others left Singapore for their studies overseas, we wish them well in their studies.

With a strong fresh batch of SCC Youth Academy players joining the SCC Tigers team, we went on to finish second in the league that finished on the 18 September 2016 and ready to start the new season.

We have now four games left until the end of the season, we are first in the ranking, six points ahead of Purple Monkeys FC but they have three games in hand. It will be a tight finish and we are looking forward to win with Coach Luke just back from his overseas trip.

Our great new additions over the last 12 months have been Lauritz Ritter, Rory Anderson and Joshua Brimblecombe and we see Lauritz and Rory already moving on to play with SCC First or the SCC NFL team.

Management: Luke Diaz, Yossi Azran, Aaron Jones and Etienne Van den Bogaert – 2015/16

SCC THIRDS 2015/16 SEASON – MIDWEEK WEDNESDAYS

Silverware: Forex Cup, Tiger Cup, Devil's Advocate Cup and Deepavali Cup

Golden Boot Winner: Lloyd Branson

Player of Season: Lloyd Branson

The Thirds had a good season in 2016. They are a social team with a wide age span from 30 years to 63 years. Playing a total of 45 games over the year, the Thirds won 24, lost 16 and drew five. With a goal haul of 113 goals with 19 players sharing the spoils and average a match day squad size of typically 16 players per game.

The Thirds played a number of Cup games and were successful in retaining the Forex Cup, the Tiger Cup, the Devil's Advocate Cup and also the Deepavali Cup. Sadly they lost the National Day Cup to the Referees. These bilateral Cup games have been going on for a long time with some as far back as 12 years. Cup games are generally followed by makan sessions at the Courtyard where friendly banter and fellowship takes place. It's also the Thirds' tradition to have celebrations to mark the major festivals in Singapore – Chinese New Year, Hari Raya, Deepavali and Christmas and an Annual Thirds party to cap off each season.

Special mention goes to Lloyd Branson, who was the Thirds Golden Boot and Player of the Year winner. Lloyd scored 44 goals in 2016 and was an exemplary player participating in the fellowship and social events of the Thirds. Unfortunately, we will miss him sorely this season as he has gone to Sydney with his family.

Management: Vincent Lawrence – 2015/16

SCC LIONS 2015/16 SEASON – MIDWEEK THURSDAYS

Silverware: Henrik Lorenz Cup

Golden Boot Winner: Foo Yong Seng

The Lions had a good season of football. With Tony 'Cafu' Moore getting the fixtures sorted, the players just had to turn up on Thursday evenings and enjoy the football played on both the Padang and Dempsey. We had two annual Cup games in 2016 and they were played in a good competitive spirit. We lost narrowly against the Indian Association (in the Hindu New Year Cup), but recovered a few weeks later to win the Henrik Lorenz Cup against the German All-Stars.

Golden Boot winner, Foo 'Ibra' Yong Seng banged in plenty of goals for the team and there have been some whispers of him bagging the 'Player of the Year' award. Also in the running is Piers 'Giggs' Bourke who also had a very good season with the team. Other consistent performers in the team include John 'Terry' Keh (consistently inconsistent), Bryan 'Joey Barton' Bai (consistently explosive), Godwin 'Tony Adams' Campos (consistently nursing a hangover) and Bruce 'Rose' Loggie (consistently late). The team also welcomes a few new additions – Lourdes, George, Lakesh, Paras and a couple of others.

The team is now led by player-manager Terk 'Klinsmann' Yang and assisted by Jeremy 'Xavi' Lim. The team had its annual team dinner at Essad's Boat Quay restaurant earlier in January and already have a couple of games at Dempsey under its belt. We are now all primed and looking forward to the new season ahead on the Padang.

Management: Tony Moore and Terk Lee – 2015/16

SCC PADS 2015/16 SEASON – MIDWEEK FRIDAYS

Silverware: Breitling Cup, Padang Shield and Muddy Pads Cup

Golden Boot Winner: Yossi Azran

2016 was a step up for the Pads as we raised the bar somewhat playing tougher opposition more regularly and continuing with mid-week training.

Playing 40 matches for the season spread over The Padang and Dempsey, we won 25 and lost only nine, scoring 125 goals on the way and keeping 12 clean sheets – a very successful season.

SCC Strollers, EFL Cup Winners

Along the way we picked up the Breitling Cup, the Padang Shield and the Muddy Pads Cup. We unfortunately lost two other Cup finals, losing in the last kick of the match to a strong HIBS side in the El Classico 1-2 and losing to Hong Kong FC 1-3 in the Henrik Lorenz memorial trophy after dominating the second half.

Leading goal scorer for the season was Yossi (we lost count how many he scored) and most games played belonged to Charles Ransford and Sir John Fernandez.

We had to say goodbye to Brian Lavelle (sent to the marmalade mines in New Zealand), Andy Liza Minellas (returned to Joclant), Peter Halliday (sent to Switzerland) and Jim Redfern (returning to work in Philly and living in London?). We had a 40 strong squad for the season with 36 regular players and the season was marred with the career threatening injury to Pads legend, Peter Schott.

So many players put in tremendous performances throughout the season that this year's 'Player of the Season' will be contested by most of the squad.

A pleasure to play for, alongside and captain, the Pads are certainly, more than just football.

Management: Glyn Vince – 2015/16

SCC NFL 2016 SEASON REPORT CARD

MVP: Jonathan Huang

Top Goal Scorer: Hamza Gharfane

Players' Player of the Year: Chang Guo Guang

SCC was represented in the twelve team, Division 1, National Football League last season.

We started off the season in fiery form keeping within the top three positions throughout the season. The NFL team eventually finished up in fourth overall with 30 points, 10 wins, five losses and scored a total of 24 goals and 19 against us.

In the FA Cup the team managed to reach the quarter-finals after some swashbuckling displays.

SQUASH

Squash Committee 2016/17. From left: Mageswari Velupillai, Eleanor Tan, Brian Van Ginkel, Andrea Nicholas, Ben Chandler, Manmindar Singh. Not in photo: Bryden Yong, Genevieve Gay.

NATIONAL SQUASH LEAGUES

The leagues were played from February through June and culminated in the Challenge Cup where the top four teams in each league play-off for the ultimate winner.

In 2016, we won the Men's B and C grades and the Ladies' Division 1 titles, but could only finish third in the Men's Premier competition. Challenge Cup winners B, C and Ladies Div 1 and the A team lost narrowly to UCSC to come second.

Sometimes we are a 'victim' of having too many good players and trying to give everyone some game time. But we are a sporting club and want not only to encourage sporting excellence, but also sporting participation. We fielded teams in all grades except Veteran's 2, which meant a total of 10 teams, down from 11 in 2015. This year we only had two A grade teams and combined the Veteran's 1 and 2 teams. With only two courts, some league nights, where two and even three teams are playing, requires some skilful organising to ensure all matches get played.

JUNIORS

We continue to nurture our juniors both boys and girls from 13 up to 26 years. It is important to us as a section and a sport that we are able to bring in juniors. We ensure they are fully utilised during league, as well as committing to weekend training with Coach Allan Chang.

The winning Men's B and C teams had a strong and enthusiastic core of juniors and the Ladies' Division 1 was comprised totally of juniors.

Elected 12 August 2016

Convenor
Andrea Nicholas

Men's Captain
Manmindar Singh

Ladies' Captain
Eleanor Tan

Secretary
Brian Van Ginkel

Treasurer
Ben Chandler

Committee Members
Mageswari Velupillai
Bryden Yong
Genevieve Gay

Ladies Div 1 Champions with Zohar Motiwalla, Deputy President

Members of Champion B Grade team – Rutvik Rau, Regan Tan, Yap Kim Wee and (far left) Chew Kok Wye

Terry Scott and Tim Howard who left Singapore in 2016

We sent four players up to the Penang Junior Open AJSS Platinum event in August with Coach Allan. Rutvik Rau was the most successful losing in the quarter-finals to the eventual winner and finishing sixth in the Boys U17 out of 64-player draw.

Current Singapore Junior Rankings:

Boys U17

- 1st – Rutvik Rau
- 2nd – Anders Ong
- 4th – Regan Tan
- 5th – Clement Hung

Boys U15

- 2nd – Ong Zheng Ting

Girls U19

- 2nd – Michelle Tay
- 4th – Bernyce Tay

Girls U15

- 1st – Nicole Tong

OUR COURTS

In December we closed the courts for two weeks for major repair and cleaning works. The floors were sanded down and lines repainted, the plaster walls patched where there were holes and cracks and then cleaned. Then in early January 2017 we installed new and improved LED lighting on both courts. Previously the lights, which had been unchanged since at least 2006, were fluorescent tubes, which only gave us an average of 300 lux. The WSF recommended average lux is 500, which we now achieve. The difference to our courts has been amazing and we take great pride in the state of the courts and wish all players would respect them by playing in squash shoes only.

SOCIAL EVENTS

We were part of the MCC multi-sports tour that took place in 2016. We played 11 matches and came out on top with a 6-5 win. It was a very enjoyable afternoon of squash followed by the dinner, which was well-supported by squash players. Thanks to Mahes for taking care of F&B and Nick for assisting with the organising.

We played our annual friendlies against the Hollandse, American and British Clubs. This year we hosted the British and American Clubs and played away to the Hollandse Club. Matching players is always a delicate task and its one which Nick Cochrane does very well. Matches are always followed by very convivial dinners. This year we won against British Club, but lost against the Hollandse and American Clubs with the American Club score line being very close. Final results against Hollandse, we lost 5-11; against American Club, we lost 5-6; and against British Club, we won 9-7.

Cosmo league started in August and ended in late December. This year we had new captains Sarat Chandran and Patrick Meredith, taking over from Terry Scott and Tim Howard who both left Singapore during the year. Sarat and Paddy with the support of their squad did an excellent job and we finished second behind SICC.

CLUB & INTERSECTION EVENTS

The section participated in all the intersection events over the last year.

- Intersection Darts Tournament – 1st
- Ladies' Darts Tournament – 1st
- Giles Roche Lawn Bowls Trophy – 4th
- Netball
- Intersection Quiz Night – we had two teams lined up prior to the cancellation of the event.
- Cricket match vs Cricket Saturday X1 – we won. Thanks to Suresh Prabhu for organising this.
- Annual Pot Games vs The Tanglin Club – we had a convincing win against a strong Tanglin team.

AGM, FRIDAY 12 AUGUST

A new Treasurer was elected – Ben Chandler, who replaced Ashley Nicholas. Genevieve Gay replaced Rahul Khare as a co-opted member. Ashley and Rahul stepped down due to increased work commitments. Convenor and both captains remain the same for another year.

The section finances remained steady, but we had seen a reduction in section membership over the year and it was mentioned that we are finding it harder to recruit new sports members. We need new sports members otherwise we are depending on the same handful of players who are not getting any younger.

MCC Match – Bill & Eleanor Tan

The main item of business was to vote on increasing our monthly section fees from \$5 to \$7. We had not increased the fees since 2006. This motion was passed.

After the AGM, we held our End-of-League Dinner and for that we had almost a full house of 80 people. Mahes and the F&B staff did a fantastic job as usual and we were treated to a lovely three-course meal. Our winning teams in this year's National Squash Leagues were on hand to collect their medals and prize vouchers.

TOURS

In February a team headed to Kolkata for the annual Triangular Tournament involving teams from Calcutta Rackets Club and Madras Cricket Club. While advertised as a social event, the socialising was mostly off-court. On court – it's very serious.

Our team comprised a number of A-graders as well as three juniors, but we still got pipped at the post in both our matches. We stayed at the Tollygunge Club, which was a lovely place to stay, especially if you are a golfer.

In August we travelled up to Kuala Lumpur to play the Royal Selangor Club in our Interport for the Chiam Tow San trophy. As we were not able to bring up a very strong team, we got soundly beaten, 7-0. RSC were very good hosts and we had a lovely dinner there.

The A Graders came out to play at Anders Yeo's farewell

CLUB CHAMPIONSHIPS

Held in November over two weekends and even though we were missing some of our top players, there were some very entertaining matches in the earlier rounds, especially in the Men's. The Men's final was between Chua Man Chin and Ben Sim both juniors, with Man Chin winning 3-0 and the Ladies' match was between Andrea Nicholas and junior, Nicole Tong. Andrea won eventually in a tough 4-set match. Men's Plate winners were Ashish Jain and Ladies', Genevieve Gay. Thanks to Robbie Lyons and Brian Van Ginkel for organising.

NATIONAL HONOURS

SCC is represented in the National team and training squads by the following senior and junior players: Vivian Rhamanan, Ben Sim, Anders Ong, Clement Hung, Regan Tan, Chua Man Tong, Chua Man Chin, Tim Leong, Mao Shi Hui, Sherilyn Yang and Bernyce Tay.

The Squash Committee would like to thank the Sports Department especially Ken Ang, the Games Control Board and the General Committee who have supported us through the last 12 months.

The Tennis Section had a good 2016, the highlight of which was the successful conversion and installation of the Astro turf (synthetic grass) tennis courts. The new courts have enabled more playing hours on the court, faster return to playability even after a downpour and a better playing experience. We are thankful for the Club's support and efforts and my predecessor, Kevin Cumbers for making this happen.

In addition to that, the multi-purpose courts, fitted with better lighting, allows for additional courts for more tennis when available.

TENNIS SECTION STATS AT A GLANCE

- 503 section members
- 41 new section members in 2016
- 2 major interclub titles won in 2016

FRIENDLY MATCHES & INTERNATIONAL MISSIONS

Tennis is a great social sport and what better way to enjoy it more than to play with different players, either in Singapore or overseas. We had the pleasure of hosting Keppel Club in September for a busy Friday evening of tennis and not to forget, the club-wide visit by the Melbourne Cricket Club earlier in the year.

Also, the section organised tours to Hong Kong in May and Bangkok in November. We would like to thank the Hong Kong Cricket Club, Kowloon Sports Club, Royal Bangkok Sports Club and British Club (Bangkok) for their hospitality – giving us the opportunities for more social and competitive tennis. The off-court fellowship was also amazing, with promises made to take us on our home grounds which we are looking forward to!

Tennis clinic by WTA's (and SCC member) Melissa Pine and company

SCC visits the Kowloon Sports Club

JUNIOR ACTIVITIES

SCC has a tennis academy run by resident coach Lukas Pluta of Coaching Developments which offers group tennis sessions on weekends for young juniors, up to 12 years old. We also welcomed more Junior Sports Members (JSM) to the Club. All of them represent their respective schools in competitions and also take part in National and international tournaments – we want to make the SCC a place where they can further hone their skills through match play sessions and interacting with other players at the Club who also played tennis at a high level.

COMPETITIONS

The interclub singles and doubles organised by the Singapore Tennis Association are a regular fixture for us. Last year, the Ladies' teams did very well, capturing the team singles title both in the A and B categories. The Ladies' B team consisted mainly of our JSM. Also, the Men's A were semi-finalists in September's inter-club doubles league. The rest of the teams continue to fight on in their respective divisions. I would like to take this opportunity to thank all players for the commitment, passion and efforts on and off court.

COACHING & TENNIS FITNESS ACTIVITIES

Apart from private coaching sessions, Coach Lukas has also introduced cardio tennis sessions, a new activity in the tennis world, where participants are put through rigorous fitness drills interspersed with tennis drills. This takes place three times a week, including Monday evenings. Guests are welcomed to this session and this has attracted some to take up membership at SCC.

SCC has always been active in the Singapore tennis scene – playing host to regional tournaments in the 1980s. Over the years, things have evolved, however, we hope members will continue to have the same passion for the sport and build the camaraderie at the Club.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SINGAPORE CRICKET CLUB

Report on the Financial Statements

We have audited the accompanying financial statements of Singapore Cricket Club (the "Club") which comprise the statement of financial position as at December 31, 2016, and the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages FS5 to FS32.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act (the "Act") and Financial Reporting Standards in Singapore ("FRSs") so as to give a true and fair view of the financial position of the Club as at December 31, 2016 and of the financial performance, changes in funds and cash flows of the Club for the year ended on that date.

Basis for Opinion

We conduct our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Club in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The General Committee is responsible for the other information. The other information comprises the Annual report, but does not include the financial statements and our auditor's report thereon. Other than the Statement by the General Committee, which we obtained prior to the date of this auditor's report, the other sections included in the Annual report are expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SINGAPORE CRICKET CLUB

Responsibilities of General Committee for the Financial Statements

The General Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, the General Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the General Committee either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

The General Committee's responsibilities include overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the General Committee.
- Conclude on the appropriateness of the General Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SINGAPORE CRICKET CLUB

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the General Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Regulations enacted under the Societies Act to be kept by the Club have been properly kept in accordance with the provisions of the Regulations.

See accompanying notes to financial statements.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

1 GENERAL

Singapore Cricket Club (the "Club") is registered under the Societies Act with its principal place of business and registered office at Connaught Drive, Singapore 179681. The financial statements are expressed in Singapore dollars.

The principal activities of the Club are to promote and carry on a sports and social club for its members.

The financial statements of the Club for the year ended December 31, 2016 were authorised for issue by the General Committee on March 15, 2017.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The financial statements have been prepared in accordance with the historical cost basis except as disclosed in the accounting policies below, and are drawn up in accordance with the Singapore Financial Reporting Standards ("FRS") and the Societies Act.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Club takes into account the characteristics of the asset or liability which market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except for leasing transactions that are within the scope of FRS 17 *Leases*, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in FRS 2 *Inventories*, or value in use in FRS 36 *Impairment of Assets*.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

ADOPTION OF NEW AND REVISED STANDARDS - On January 1, 2016, the Club has adopted all the new and revised FRSs and Interpretations of FRS ("INT FRS") that are effective from that date and are relevant to its operations. The adoption of these new/revised FRSs and INT FRSs does not result in changes to the Club's accounting policies and has no material effect on the amounts reported for the current or prior years.

At the date of authorisation of these financial statements, the following FRSs are relevant to the Club were issued but not effective:

- FRS 109 *Financial Instruments* ²
- FRS 115 *Revenue from Contracts with Customers* ²
- FRS 116 *Leases* ³
- Amendments to FRS 7 *Statement of Cash Flows: Disclosure Initiative*¹

¹ Applies to annual periods beginning on or after January 1, 2017, with early application permitted.

² Applies to annual periods beginning on or after January 1, 2018, with early application permitted.

³ Applies to annual periods beginning on or after January 1, 2019, with early application permitted if FRS 115 is adopted.

Consequential amendments were also made to various standards as a result of these new/revised standards.

FRS 109 *Financial Instruments*

FRS 109 was issued in December 2014 to replace FRS 39 *Financial Instruments: Recognition and Measurement* and introduced new requirements for (i) the classification and measurement of financial assets and financial liabilities (ii) general hedge accounting (iii) impairment requirements for financial assets.

Key requirements of FRS 109 that are likely to affect the Club are:

- In relation to the impairment of financial assets, FRS 109 requires an expected credit loss model, as opposed to an incurred credit loss model under FRS 39. The expected credit loss model requires an entity to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognised.

Based on an analysis of the Club's financial assets as at December 31, 2016 on the basis of the facts and circumstances that exist at that date, the Club has performed a preliminary assessment of the impact of FRS 109 on the Club's financial statements.

The Club does not anticipate the application of these amendments will have a material impact on its financial statements.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

FRS 115 Revenue from Contracts with Customers

In November 2014, FRS 115 was issued which establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. FRS 115 will supersede the current revenue recognition guidance including FRS 18 *Revenue*, FRS 11 *Construction Contracts* and the related interpretations when it becomes effective. Further clarifications to FRS 115 were also issued in June 2016.

The core principle of FRS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the Standard introduces a 5-step approach to revenue recognition:

- (a) Step 1: Identify the contract(s) with a customer.
- (b) Step 2: Identify the separate performance obligations in the contract.
- (c) Step 3: Determine the transaction price.
- (d) Step 4: Allocate the transaction price to the performance obligations in the contract.
- (e) Step 5: Recognise the revenue when (or as) the entity satisfies each performance obligation.

Under FRS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer. More prescriptive guidance has been added in FRS 115 to deal with specific scenarios. Furthermore, extensive disclosures are required by FRS 115.

The Club is still in process of assessing the full impact of the application of FRS 115 on its financial statements and it is not practical to provide a reasonable financial estimate of the effect until it completes the detailed review.

FRS 116 Leases

FRS 116 was issued in June 2016 and will supersede FRS 17 *Leases* and its associated interpretative guidance.

The Standard provides a comprehensive model for the identification of lease arrangements and their treatment in the financial statements of both lessees and lessors. The identification of leases, distinguishing between leases and service contracts, are determined on the basis of whether there is an identified asset controlled by the customer.

Significant changes to lessee accounting are introduced, with the distinction between operating and finance leases removed and assets and liabilities recognised in respect of all leases (subject to limited exceptions for short-term leases and leases of low value assets). The Standard maintains substantially the lessor accounting approach under the predecessor FRS 17.

The Club may have to recognise right-of-use assets and a corresponding liability from its operating lease arrangements, the commitments of which are disclosed in Note 25.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

Amendments to FRS 7 Statement of Cash Flows: Disclosure Initiative

The amendments required an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes.

The Club does not anticipate the application of these amendments will have a material impact on its financial statements.

FINANCIAL INSTRUMENTS - Financial assets and financial liabilities are recognised on the Club's statement of financial position when the Club becomes a party to the contractual provisions of the instrument.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period. Income and expense is recognised on an effective interest rate basis for debt instruments other than those financial instruments "at fair value through profit or loss".

Financial assets

All financial assets are recognised and de-recognised on a trade date where the purchase or sale of an investment is under a contract whose terms require delivery of the investment within the timeframe established by the market concerned, and are initially measured at fair value, plus transaction costs except for those financial assets classified at fair value through profit or loss which are initially measured at fair value.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

Loans and receivables

Members' account and other receivables which have fixed or determinable payments that are not quoted in an active market are classified as "loans and receivables". Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest method, except for short-term receivables when the recognition of interest would be immaterial.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at the end of each reporting period. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been impacted.

For all financial assets, objective evidence of impairment could include:

- significant financial difficulty of the issuer or counterparty; or
- default or delinquency in interest or principal payments; or
- it becoming probable that the borrower will enter bankruptcy or financial re-organisation

For certain categories of financial assets, such as members' account receivables and other receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Club's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 30 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of members' account and other receivables where the carrying amount is reduced through the use of an allowance account. When a member's account or other receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and at bank and deposits with financial institutions that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

Derecognition of financial assets

The Club derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Club neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Club recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Club retains substantially all the risks and rewards of ownership of a transferred financial asset, the Club continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities

Financial liabilities are recognised when the Club becomes a party to the contractual agreements of the instrument.

The Club's financial liabilities include members' deposits and trade and other payables.

Trade and other payables, which represent the fair value of consideration for goods and services to be paid in the future, whether or not billed to the Club, are recognised initially at their fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest method, except for short-term payables, where the recognition of interest would be immaterial.

Derecognition of financial liabilities

The Club derecognises financial liabilities when, and only when, the Club's obligations are discharged, cancelled or they expire.

INVENTORIES - Inventories are stated at the lower of cost and net realisable value. Cost is calculated using the weighted average cost basis. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

LEASES - Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Club as lessee

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The Club as lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised as an expense over the lease term on same basis as the lease income.

PROPERTY, PLANT AND EQUIPMENT - Property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation is computed utilising the straight-line method to write-off the cost of these assets over their estimated useful lives as follows:

Leasehold land - Clubhouse	30 years
Leasehold office properties	27 to 36 years
Clubhouse	Over the period of the lease (Until 2026)
Kitchen, restaurant and bar equipment	1 to 5 years
Clubhouse renovations	5 years
Air-conditioning systems	5 years
Sports and ground equipment	5 years
Furniture and fittings	5 years
Fruit machines and accessories	4 years
Computer equipment	3 years
Other office equipment	5 years
Motor vehicle	10 years

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

The cost of leasehold office properties include a land component which has a useful life of 999 years and is treated as a freehold land and not depreciated.

The estimated useful lives, residual values and depreciation method are reviewed at each year end to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from fixed assets. The effect of any changes in estimate is accounted for on a prospective basis.

Construction-in-progress is stated at cost. The accumulated costs will be reclassified to the appropriate property, plant and equipment account when the construction is substantially completed. Depreciation of the asset commences when the asset is ready for its intended use.

For acquisitions and disposals during the financial year, depreciation is provided from the month of acquisition to the month before disposal respectively. Fully depreciated assets still in use are retained in the financial statements. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognised in profit or loss.

IMPAIRMENT OF TANGIBLE ASSETS - At the end of each reporting period, the Club reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Club estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the recoverable amount of an asset (cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

SINKING FUND - The Club has created a sinking fund which shall only be used for the lease renewal for the Club in 2026 and for capital expenditure specifically authorised by the general body of members. An initial sum of \$10.8 million from retained earnings and subsequent payments received as transfer fees and conversion fees are paid to the sinking fund. The sinking fund is placed with fixed deposit and earns interest income on the fixed deposit placement.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

PROVISIONS - Provisions are recognised when the Club has a present obligation (legal or constructive) as a result of a past event, it is probable that the Club will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

REVENUE RECOGNITION - Revenue includes subscription fees, food and beverage revenue, sports and recreation, revenue from fruit machines and other revenue.

Revenue is recognised when the significant risks and rewards of ownership have been transferred to the members and the amount of revenue and the costs of the transaction can be measured reliably. Revenue excludes goods and services taxes and is arrived at after deduction of trade discounts. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible returns of subscription fees.

The basis of recognition of revenue is as follows:

(i) Subscription fees

Subscription fees are billed one month in advance and recognised as revenue in the following month.

(ii) Food and beverage

Food and beverage are recognised as revenue when the food and beverage are consumed or services performed.

(iii) Sports and recreation

Sports and recreation are recognised as revenue when events are organised or services are rendered.

(iv) Member transfer fees

Member transfer fees are recognised as revenue in the year in which the transfer of membership is affected upon approval of the member by the General Committee.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

(v) Revenue from fruit machines

Revenue from fruit machines is recognised based on gross receipts less the relevant government taxes, payment of winnings, hopper refills and expenses.

(vi) Entrance fees and conversion fees

Entrance fees and conversion fees are recognised as revenue when the new membership is effective upon approval of the member by the General Committee.

(vii) Interest income from fixed deposits is accounted for on a time-apportioned basis.

(viii) All other items of income are recognised as revenue when the services are performed.

RETIREMENT BENEFIT COSTS - Payments to defined contribution retirement benefit plans are charged as an expense as they fall due. Payments made to state-managed retirement benefit schemes, such as the Singapore Central Provident Fund, are dealt with as payments to defined contribution plans where the Club's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan.

EMPLOYEE LEAVE ENTITLEMENT - Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

INCOME TAX - Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from surplus as reported in the statement of profit or loss and other comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Club's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current taxes are recognised as an expense or income in profit or loss.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Club's accounting policies, which are described in Note 2, the General Committee is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(a) Critical judgements in applying the Club's accounting policies

There are no critical judgements, apart from those involving estimations (see below), that the General Committee has made in the process of applying the Club's accounting policies.

(b) Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Useful lives of property, plant and equipment

Property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives. The General Committee estimates the useful lives of these property, plant and equipment to be within 1 to 36 years. The carrying amount of the Club's property, plant and equipment at December 31, 2016 was \$22,240,210 (2015 : \$23,962,790). Changes in the expected level of usage could impact the economic useful lives and the residual values of these assets and therefore future depreciation charges could be revised.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS
December 31, 2016

Allowance for doubtful debts

Allowance for doubtful debts are made in the financial statements based on management's best estimate of the carrying amount of receivables that are doubtful of collection after evaluation of collectability. The General Committee's judgement is required in assessing the ultimate realisation of these receivables including the current creditworthiness and the past collection history of each member. Where the expectation is different from the original estimate, such difference will impact the carrying value of the members' account and other receivables and doubtful debts expense in the period in which such estimate has been changed. The carrying amounts of the members' account and other receivables at December 31, 2016 were \$1,977,211 and \$577,604 (2015 : \$1,921,067 and \$2,312,184) respectively.

Income taxes

The Club recognises expected liabilities for tax based on an estimation of the likely tax due, which requires significant judgement as to the ultimate tax determination of certain items. Where actual liabilities arising from these issues differ from these estimates, such differences will have an impact on income tax and deferred tax provision in the period when such determination is made. Details of deferred taxes and income taxes are provided in Notes 12 and 24 respectively to the financial statements.

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT

(a) Categories of financial instruments

The following table sets out the financial instruments as at the end of the reporting period:

	2016	2015
	\$	\$
Financial asset		
Loan and receivables	22,603,944	21,412,639
Financial liabilities		
Amortised costs:		
Trade and other payables	4,363,434	5,456,603
Members' deposits	1,268,899	1,256,940

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

(b) Financial risk management policies and objectives

The Club's overall financial risk management programme seeks to minimise potential adverse effects of the financial performance of the Club.

There has been no significant change to the manner in which it manages and measures the risk.

(i) Interest rate risk management

The Club's exposure to changes in interest risk relates primarily to the short-term fixed deposits with financial institutions. The interest rates for fixed deposits are disclosed in Note 5 to the financial statements.

No sensitivity analysis is prepared as the Club does not expect any material effect on the Club's profit or loss arising from the effects of reasonably possible changes to interest rates on fixed deposits with financial institutions at the end of the reporting period.

(ii) Credit risk management

The Club's principal financial assets are cash and bank balances, members' accounts and other receivables.

The carrying amount of financial assets recorded in the financial statements represents the Club's maximum exposure to credit risk.

Further details of credit risks on members' accounts are disclosed in Note 6.

Cash and fixed deposits are placed with creditworthy banks and financial institutions which are regulated.

(iii) Liquidity risk management

The Club maintains sufficient cash and cash equivalents and internally generated cash flows to finance its activities.

The Club ensures that there are adequate funds to meet all its obligations in a timely and cost-effective manner.

(iv) Fair value of financial assets and financial liabilities

The carrying amounts of cash and cash equivalents, amount due from members and other current receivables and payables, provisions and other liabilities approximate their respective fair values due to the relatively short-term maturity of these financial instruments.

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

(c) *Capital risk management policies and objectives*

The Club reviews its capital structure at least annually to ensure that the Club will be able to continue as a going concern. The capital structure of the Club comprises only of accumulated fund. The Club's overall strategy remains unchanged from 2015.

5 CASH AND BANK BALANCES

	2016	2015
	\$	\$
Cash at bank	4,365,098	3,991,203
Fixed deposits	15,495,210	12,860,942
Cash on hand	254,050	434,658
	<u>20,114,358</u>	<u>17,286,803</u>

Bank balances and cash comprise cash held by the Club and short-term bank deposits with an original maturity of 1 year or less. The carrying amounts of these assets approximate their fair values.

Fixed deposits bear effective interest rate range from 0.05% to 1.9% (2015 : range from 0.05% to 1.55%) per annum and for a tenure of approximately 30 to 365 days (2015 : 30 to 365 days).

The fixed deposits include \$12,342,047 (2015 : Nil) which is being held for the sinking fund (Note 14).

6 MEMBERS' ACCOUNTS

	2016	2015
	\$	\$
Members' accounts	1,988,400	1,951,501
Allowance for doubtful debts	(11,189)	(30,434)
	<u>1,977,211</u>	<u>1,921,067</u>

The average credit period is 30 days (2015 : 30 days).

The table below is an analysis of members' accounts during the year:

	2016	2015
	\$	\$
Not past due and not impaired	1,739,680	1,701,764
Past due but not impaired ⁽ⁱ⁾	194,223	178,654
Impaired receivables - collectively assessed ⁽ⁱⁱ⁾	54,497	71,083
Less: Allowance for impairment	(11,189)	(30,434)
	<u>1,977,211</u>	<u>1,921,067</u>

	<u>4,363,434</u>	<u>5,456,603</u>

11 MEMBERS' DEPOSITS

These represent non-interest bearing deposits received from members. These deposits are refundable upon sale of membership or resignation.

12 DEFERRED TAX LIABILITY

This represents timing differences in respect of interest receivable.

The movement for the year in the deferred tax liability was as follows:

	2016	2015
	\$	\$
At beginning of the year	11,461	7,713
Charge to profit or loss (Note 24)	8,609	3,748
At end of the year	<u>20,070</u>	<u>11,461</u>

13 ACCUMULATED FUND

In accordance with Club Rule 62(b), in the event of the Club being dissolved, all debts and liabilities shall be fully discharged and the remaining funds divided equally among the Ordinary and Life Members except those portions of such remaining funds which are monies earned or identified as income or profit from the use of fruit machines and/or from any other approved private lottery as defined under the Private Lotteries Act, Chapter 250, 1985 Ed, which shall be donated to approved charities in Singapore.

Based on available records, it has been ascertained that as at December 31, 2016, the cumulative surplus derived from the operation of fruit machines and other approved private lotteries is \$15.878 million (2015 : \$15.754 million) before taking into account cumulative capital expenditure of \$1.559 million (2015 : \$1.509 million) incurred in generating this surplus, and the allocation of the Club's general overheads.

NOTES TO FINANCIAL STATEMENTS December 31, 2016

14 SINKING FUND

At the Annual General Meeting of the members of the Club held on April 28, 2016, the following resolutions were passed by the members:

- (a) To create a sinking fund which shall only be used for the lease renewal for the Club and for capital expenditure specifically authorised by the general body of members,
- (b) To pay into the sinking fund all payments received as transfer or conversion fees, and
- (c) To immediately transfer the sum of \$10,800,000 into such sinking fund.

In compliance with the above resolutions, a Sinking Fund was established in the Club's accounting records and the following amounts were credited to the Fund.

	2016	2015
	\$	\$
At beginning of the year	-	-
Transfer, comprising of:		
- Initial transfer from Accumulated Fund	10,800,000	-
- Membership transfer and conversion fees received	1,372,029	-
- Interest received on fixed deposits attributed to the sinking fund	170,018	-
At end of the year	<u>12,342,047</u>	<u>-</u>

Meeting and election nights	26,635	128,203
SCC night race fiesta event costs	294,470	361,261
Minor items of capital expenditure expensed	49,888	44,465
Write off of property, plant and equipment	21,181	254,103
Other expenses	28,629	102,455
	<u>664,535</u>	<u>1,161,734</u>

24 INCOME TAX EXPENSE

	2016	2015
	\$	\$
Current taxation	14,437	16,715
Overprovision in prior year	(2,827)	(18,086)
Deferred tax (Note 12)	8,609	3,748
	<u>20,219</u>	<u>2,377</u>

Domestic income tax is calculated at 17% (2015 : 17%) of the estimated assessable income for the year.

The total charge for the year can be reconciled to the accounting deficit as follows:

	2016	2015
	\$	\$ (restated)
Surplus (Deficit) for the year before income tax	<u>485,279</u>	<u>(349,741)</u>
Tax expense (benefit) at income tax rate	82,497	(59,456)
(Non-taxable items) Non-deductible items	(85,376)	62,354
Exempt income	25,925	17,565
Overprovision in prior year	(2,827)	(18,086)
	<u>20,219</u>	<u>2,377</u>

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS December 31, 2016

The Club is exempted from income tax in accordance with Section 11(1) of the Income Tax Act Chapter 134 as more than 50% of the Club's gross takings are from its voting members. The income tax expense in 2016 and 2015 relate to income tax payable on income received by the Club which is not related to the operating activities of the Club.

25 OPERATING LEASE ARRANGEMENTS

	2016	2015
	\$	\$
Minimum lease payments under operating leases recognised as an expense during the year	<u>232,980</u>	<u>231,708</u>

At the end of the reporting period, the Club was committed to making the following lease rental payments as follows:

	2016	2015
	\$	\$
Within one year	164,804	232,980
In the second to fifth years inclusive	84,305	249,109
	<u>249,109</u>	<u>482,089</u>

Operating lease payments represent rentals payable for the Dempsey Field and Office Equipment and are negotiated for an average term of 3 to 5 years (2015 : 3 to 5 years).

26 RECLASSIFICATIONS AND COMPARATIVE FIGURES

Certain reclassifications have been made to the prior year's financial statements to correct the classification of expenses and reflect changes in accounting estimates.

As a result, certain items have been amended on the face of the statement of profit or loss and other comprehensive income.

These items were reclassified as follows:

	Previously reported December 31, 2015	Reclassification December 31, 2015	Restatement December 31, 2015 (Note 27)	After reclassification and restatement December 31, 2015

SINGAPORE CRICKET CLUB

NOTES TO FINANCIAL STATEMENTS
December 31, 2016

27 PRIOR YEAR ADJUSTMENTS

For the financial year ended December 31, 2015, certain correcting prior year adjustments relating to the Club have been recorded in the statement of financial position, statement of profit or loss and other comprehensive income and statement of changes in funds.

Management has performed a review of the estimated useful lives and residual values of plant and equipment to ensure that these are consistent with the expected pattern of economic benefits. Adjustments have also been made to remove from the carrying value of plant and equipment certain items which had been replaced in the Clubhouse renovation works that were completed in 2015. The effects of these adjustments have been accounted for on a retrospective basis from the year 2015.

	Previously reported December 31, 2015	Reclassification December 31, 2015 (Note 26)	Restatement December 31, 2015	After reclassification and restatement December 31, 2015
